

COPPERHEADS LOUITED.—The election in the borough of Jersey Shore, last week, resulted in the choice of the whole Republican ticket. The "Herald" says: "There was not a full vote out, or the Republican majority would have been greater. The vote was considerably cut and cross-cutting, and, as usual, those who did the most work received the highest vote. The whole of the Democratic friends were unable to conceal their mortification at their defeat, having confidently expected to elect at least a part of their ticket."

CITIZEN AND SOLDIERS' TICKET.—The following is the ticket to be voted for to-day by the Republicans of the county. Let all Republicans go to the polls and cast their votes for the ticket, and the result will have a decided influence upon the future prosperity of the Republican party in Lancaster county: For Delegates to National Convention—Nathan S. Altman, Gen. Joseph W. Fisher, W. H. Seng, Capt. W. W. Hopkins, Peter S. Keist, Sergt. Milton B. Eschman.

UNCLAIMED LETTERS.—List of letters remaining unclaimed, in the Columbia Post Office, up to this date. Persons calling for these letters will please mention that they are advertised in the "Spy."

PHYSICIAN ELECTED.—At a meeting of the Board of Inspectors of the Lancaster County Prison, held a few days since, Dr. William Coulton was elected physician to the prison, in place of Dr. J. F. Huber, deceased, the election to take effect on the first of next month.

SHOOTING MATCH.—A shooting match will take place in Columbia, some time during next week, for a mammoth hog. The hog is now on exhibition at Samuel H. Lockard's American House. It weighs one thousand pounds, and belongs to Peter Saylor and S. H. Lockard.

BARNUM'S MUSEUM was burned merely because the hydrants in the vicinity were frozen. Ten minutes after the discovery of the fire two streams would have quenched it. The fire machinery was on the ground, and the frozen were ready, but they could get no water. The hydrants were tapped in vain.

FINEST INVOICE OF SPRING GOODS.—Messrs. W. G. Case & Son have just purchased their first invoice of spring goods. They have made very extensive purchases for cash, and are enabled to offer their goods at very reasonable rates. Call and see their new styles of spring cassimeres—the largest assortment ever brought to Columbia.

REPUBLICANS' ATTENTION.—One of the most important primary elections which has ever taken place in any party, will be held in Lancaster on Tuesday afternoon, at 7 o'clock, at the Town Hall, at 6 o'clock this afternoon, and remain open until 7 o'clock.

ENTERTAINMENT AT MARIETTA.—The Marietta "Band of Hope" will give a grand entertainment, &c., in that place, on Tuesday evening, 10th inst., at 6 o'clock, at the Town Hall. The exercises will consist of tableaux, dialogues, recitations, singing, &c. Tickets for sale at the door. The proceeds will be devoted to charitable purposes. The exercises will be under the direction of Rev. G. M. Clawges, who is one of "nature's nobles" among the "band of hope." This little Band of Hope, as it is called, is a temperance organization amongst the children. It has a large membership, both here and in Marietta. It is doing much good in many ways, and its members are all of the same age.

ALMOST A FATAL ACCIDENT.—An accident occurred on Wednesday evening last, on Locust street, which almost proved fatal. One of our prominent physicians, whilst crossing the street, was struck with a sled and knocked senseless. He was carried into Meyers' drug store and the proper restoratives applied, when he soon recovered. Shooting on the streets and sidewalks, by the boys, should be prohibited, as several accidents have lately occurred, caused by this nuisance.

SONS OF MALTA.—The hall to be given by the 400, Sons of Malta, of Columbia, on Friday evening next, 13th inst., promises to be grand affair. We hear of quite a number of persons who will be present from different parts of the county. Koff's Orchestra will furnish music for the occasion. The grand march of the Sons of Malta, in full costume, will take place at "ten twelve." The whole to be under the direction of the Most Excellent Grand Giver. No invitations issued. Every gentleman who participates is expected to pay each and every cent of the amount of these building tickets. Tickets not transferable. Proceeds for charitable purposes. Tickets, two dollars, and may be had of W. U. Hess, Robert J. Fry, and others.

FIRE IN MANHEIM TOWNSHIP.—The dwelling house of John Shree, in Manheim township, on the Manheim turnpike, about three miles from Lancaster, caught on Tuesday morning, and was entirely consumed, together with the most of the contents, including nearly all the furniture and about one hundred bushels of potatoes in the cellar. The house was a two-story frame, and was standing was partially saved. Mr. Shree was absent at the time, and was assisting a neighbor to move, and hence very little could be saved from the flames. The origin of the fire is unknown, but is believed to have been accidental.—Express.

THE POOR.—We regret to announce that the Relief Committee for the aid of the poor have about expended their means; and that those who are needy will have to depend upon the charity of the public in general. The severe weather and long winter have exhausted the means furnished by our citizens sooner than was anticipated. What little is now on hand, the Committee have thought proper to distribute amongst the sick; of whom there are several very needy families. Much good has been done by this fund, and although there has been some imposition, yet in all, much suffering has been prevented. In a short time we will publish a full account of the doings of the Committee.

TOO THIN.—Some persons, say an exchange, seem to have a mania for going abroad to purchase that which they can buy at home; as though an article coming from a distance is a good deal better than the same at home.

This is wrong—detrimental to the place in which you live. Purchase your money where your interest lies. If you let "live" should be the motto of every one. Do not be deceived into the idea that you can save money by sending away for an article that can be had at home; for you cannot do it. The expense of getting it here would be more than it would be at home, for the reason that the merchant, who has several boxes of goods come at once, can bring it here for less than half the expense it would cost you. We can do printing of every description as cheap as any place, having a large assortment of job types; so can our merchants sell as cheap; and so can our manufacturers do work as cheap.

COLUMBIA SPY.—We are in receipt of this mammoth weekly paper, and cannot do otherwise than to praise it as the ablest, most useful, and best appearing journal of the exchange list. As the best county paper, it is entitled to the rank.—Bulliet, Kent, Ohio.

Your head is perfectly lone, brother Dewey.

MR. EDITOR:—You ask in your two last issues what has become of the "contraband whiskey" that has been seized by the Collector. It is in almost every case the information is tamboozled by frauds or forced into a settlement? This is only the case under the introduction of the Collector of the Ninth District, whose private interests seem to be paramount to his public duties. You ought to know enough to have become of the two hundred bags of corn that were loaded at Baltimore, upon a private car belonging to a firm in Lancaster. It will be remembered by our people that these two hundred bags of corn were discovered to be forty barrels of corn, which the car was standing on a siding at Columbia. Now, an honest administration of justice would have laid the car and its contents, and with a little zeal might have wrecked out and sent up the distillery and the mill. The agent who was in charge of the car, and who was in the employ of the forwarding firm that owned the car, ran away and left the car and the whiskey for the Government. The Government is not to be blamed for this. It is the fault of the Government. Why is there no condemnation and selling of contraband whiskey that is shipped from this district but seized in the name of the Government?

WHISKEY AND INCOME FRAUDS.—It has been asserted and very generally believed, that great frauds have been perpetrated, and that the Government has been defrauded of its money. It is not surprising that the Government should be defrauded of its money, if the officers who are entrusted with the duty of collecting the same, are not honest. ADVISE TO YOUNG MEN.—Let the business of every one alone, and attend to your own. Don't buy what you don't want. Use every hour to advantage, and study to make a leisure hour useful. Think twice before you spend a dollar—remember you will have another to make for it. Look over your books regularly, and if you find an error, trace it out. Should a stroke of misfortune come upon you in your business, retrench, work harder, but never fly the track. Confound difficulties with anything rather than make for it. If they will appear as ill; though you fall in the struggle, you will be honored; but shrink, and you will be despised. Go to the cheap store of I. O. Brauer, Columbia, to buy your goods. He always has a fine stock of gentlemen's furnishing goods on hand, which he sells very low.
