An Eloquent Lawyer Touches Ilis Own Client. The Baton Rouge Advocate tells the following: "Last week a case was up before the jury, and the district attorney had exerted a darky for stealing a goose. The judge: was tired, the jury wearied, and the bar, officials and spectators all hoped the case at the bar, and for two hours a flow of elo-

Business is Business. The Philadelphia Press, in its sketch of the late Wm. M. Swain, of the Ledger, relates the following: Business is Business, and nothing should interfere with it, was another of his business principles. Consequently he would take nothing off the price of an advertisement on the score of friendship or bonevolence; or, any other of the ten thousand petty excuses mide to "hip the printer." A gentleman once call benefit for a poor widow with several-helpless children. "How, much for the advertisement, under the circumstances?" said he.: "Just what it comes to." said Mr. S.: "business is business, sir, charity is another question." "But to a poor widow; sir! every dollar saved is a matter of serious moment to her family." Business is business, I repeat, sir. What I choose to give in charity is my own private affair. My business has nothing to do with it?"
"Then you will take no less?" "Not a cent sir." The gentleman paid the bill very reluctantly; amounting to, perhaps, two dollars, and was going out of the office reflecting very severely in his own mind upon the parsimony of Mr. S., when the latter stopped him. "Do you know this widow? Is she honest and deserving?" She is, sir." Mr. S. slipped a ten dollar bill in the gentleman's hand, and turning on his heel, walked away, saying "busi-ness is business.

MISHLER'S BITTERS. TO MORE CHANCE TO ADUL-MISHLER'S HERB BITTERS T CAN BE PROCURED OF ALL DRUGGISTS. In making the above change, and discontinuing entirely the sale of Mishler's Horb Bitters in bulk, the proprietors deem that the people should be informed of the causes which called forth such action on

the people should be informed of the causes which called forth such action on their part.

In the first place, we hold that Mishler's Horb Bitters is not a beverage; we nover intended it to be used as a beverage, but that it is a medicinal preparation of various herbs, &c., compounded upon scientific principles, and in exact accordance with the formulæ of the pharmacopeal in the preparation of the tinctures, &c., compound tincture of eighteen different Herbs, &c., and, as far as possible removed, and differing from the many so called Tonics, Bitters, Cordials, Stomachies, which, for the most part, are nothing but so many disguises, assumed by whisky, and as for the most part composed of the major portion of the very vilest quality of that article, flavored with some strong drugs to destroy the mausen of the same, in order to tickle the palate, minister to a deprayed taste and afford a plausible excuse for persons to drink whisky under a different name.

Mishler's Herb Bitters has been sold in bulk. In this particular it has been unfortunate, for it had thus been placed directly in contact with the above mentioned, and although its intrinsic merit and sterling worth has embled it to sustain its high character, yet the people have naturally a certain distruist of the article when it is found to be classed in the same category with a number of whisky preparations, bar drinks, and beverages.

This is the one great advantage against

with a number of whisky preparations, bar drinks, and boverages.

This is the one great advantage against which Mishler's Herb Bitters has to contend, but there is still another—The demand for it has caused many unprincipled persons, who are not content with the profit derived in a legitimate manner from its sale, TO INCREASE THEIR GAINS BY ADUITERATION. They will purchase, perhaps, a barrel, and by the admixture of cheap whisky and water, increase the quantity, making perhaps, two, or it may be three barrels of the counterfeit, from a single barrel of the genuine, thus abusing the confidence of their customers, injuring their health, and it is likely, in many instances, inflicting serious injury thereby, besides doing injustice to the proprietors and injuring the reputation of the article.

nereby, ossues doing injusted, one proprietors and injuring the reputation of the article.

This is the most serious objection, but there is still another.—Our desire to have this preparation for sale on the shelves of overy druggist, and country store dealer, thus placing it within easy access of all classes and every section of the country. If the Bitters are sold in bulk, it is retailed principally at hotels, restaurants, and taverns, so that druggists and merchants cannot safely, and profitably sell it to their customers. At the hotels the Bitters is oftimes fearfully adulterated; while when in bottles, it is impossible to tamper with the medicine without fear of detection. In hotels it must be sold as a beverage; which is not the object of its manufacture, while as a medicine, securely sealed in a proper sized bottle, the Bitters can be retailed from the counter of every druggist and merchant. the counter of every druggist and merchan

MISHLER'S HERB BITTERS ARE NOW ONLY SOLD IN BOTTLES. Let this fact be remembered by the public, who may consider all other preparations sold in bulk, and under its name as base

GENTS. Please send me, immediately, my usual: complement of your Bitters, as what I have on hand is going of rapidly, and will soon be exhausted.

I have been very successful in curing with the Bitters a very distressing case of Scrofula. The patient is a young man who was afflicted with the disease for years. Five bottles of the Bitters, with one of green label, cured him entirely.

You have not recommended your Bitters for worms in children, but from a case that has passed through my hands, I am satisfied that MISHLER'S HERR BITTERS can be relied on as a specific in such disorcan be relied on as a specific in such disor-ders. The facts of the case are as follows: A gentleman, whose wife had been using the Bitters, has a child of about six years

The child has rapidly recovered from its many months filness, and is in the enjoyment of good health, although it is somewhat thin. CHORUS: all his eleguence in the attempt to convict would be speedily closed, but they were doomed to disappointment. Up rose the old Major, the hero of a thousand contests, quence poured forth upon the ears of the jury, evidently convincing them of the prisoner's inhocence. Shrugs and gestures denoted that all they wanted was a chance to get out of the jury corner, and that goose, darky, prosecutor, and all concerned, might go to Guinea if they could be released. The Major piled it on thick; he court condensed decisions, referring to everything relative to geese, from the Roman time down to the present, 'and' closed his brilliant appeal by calling their attention to the honest countenance of his client; 'could such a man steal-the Heavens forbid; look at his face, you perceive sterling honesty in every lineament-could you! steal, prisoner at the bar, could you steal a se?" MESSRS. S. B. HAREMAN & Co.

DEAR SIR: While working at Norris'
Locomotive Works, two years ago, I was
injured by a heavy frame felling on my
right hand, which was so injured, as to be
rendered entirely useless, the wrist was as it
were bent—completely bent. I went to several-physicians, who told me that I could
never recover the use of the hand. One of,
them wanted to remove some of the bones
of the wrist, but. I did not consent. I was
unable to work for over a year, and having
a family, my former carnings were rapidly
disappearing; I found that it was useless
for me to continue under their treatment,
as I was not improving, and by the advice
of my friends went to Dr. Mishler and
commenced the use of the Herb Bitters,
both internally and externally. By the
time I had used two bottles I found I
was receiving benefit. Continuing, I still

JOHN S. WHITE.

DR. S. B. HARTMAN & CO.

On. February 21st, there appeared on my leg, below the knee, a small yellow pinple apparently containing matter; it was rather, painful, but being of so trifling a mature, at first I took no notice of it, but on the second day it had spread to such an extent that I was laid up, unable, to get about. It continued spreading until my leg was one large sore from the knee to the ankle, discharging all the time, and causing intense pains. I in the meantime was undergoing treatment at the hands of an eminent physician who could do nothing for me. I also tried a great number of private remedies that were recommended; but of no ayail. I concluded to take no more medicine, but was persuaded by Mr. Elias Williams, a native of your city, to give your Herb Bitters at least a trial. To gratify him I consented, though I had not the least hope of receiving benefit from him. The disease had affected my entire system; and I-had made up my mind to, die. After using your Bitters a short time, I experienced a change; the effect of the medicine was apparent and affected my entire system. At first I thought it made me worse, but at the worse in the creatin amount of tenderness in the parts that were affected is all that remains of the disease. I had doctored for over two months, and could obtain no relief. Many persous are cognizant of these facts, as I am well known here, having for some time been inspector of ties for the Peen'a R. R. Co. My recovery I attribute solely to the sufficiently express my sense of the merits of your preparation; with my thanks, I am, sir, yours Very respectfully.

I, the undersigued, do hereby certify that the above statement is correct.

DEAR SIR: This is to certify that I have been afflicted for the past seven years with Scrofula on both arms and legs. I have doctored with the most celebrated physicians of the country, and all availed nothing. The itching became intolcrable, es pecially so at night, so much so as to prevent me from sleeping. I was recommended by a young man in the capitol to try your CELEBRATED HERB BITTERS. Tried only two bottles, and tho relief has been so CELEBRATED HERB BITTERS. Tried only two bottles, and tho relief has been so gratifying that I have no hesitation in saying that a few more will make a perfect cure-Yours, respectfully. HARRY ETTER.
