

Columbia, Pa. Saturday, March 14, 1868.

TO CORRESPONDENTS.

JEFF,—We will give you an answer nert week. J. M.—The "Ashley" Story was mailed several days ago MAGIE.—We cannot publish the article sent us, it is too . M. H.—We cannot consent to the arrangement under any circumstances.

Brs.—You are mistaken, we do not give local notices in the STY for nothing; we charge one dollar for each notice, and ten cents for every line over ten lines, Govern yourself accordingly.

"AN ENTRANAGANZA," (by Hope Hasting) will be published in our next issue. It is a beautifully written article. It should have been published long since, but was mistaid, and we only found it a few days ago. Would be pleased to have other articles from your pen.

TOWN MEETING .- Read the call for a Town Meeting, as advertised in another

PAPER HANGING.—Now is the time to have your houses papered. Read adverent of W. H. C. Bassett.

BARRELS .- Mr. W. L. Ferguson has a lot of empty barrels for sale, at his resi-FOUND .- A small bunch of keys was

found on Locust street, yesterday morning. The owner can have them by calling at Spy office and paying for this advertisement. REPAIRING STREETS .- The Road Committee of the Town Council have commenc-

They have now about twenty hands employed on Locust street. WILD DUCKS .- This specie of game seems to be very abundant on our river, especially below the dam. On Monday last, the snug little number of eighty ducks, of various kinds, were shot by different

parties, opposite Washington borough. Choice Apples .- Mr. W. L. Ferguson has on hand a choice lot of apples, which he offers for sale at reasonable rates. He will sell them by the half peck, bushel or barrel. He has also a lot of potatoes for sale. Call and see them, at his residence, No. 347 Locust street.

DEATH OF JOHN FINGER .- Mr. John Finger, lately of this borough, died sudat the supper table, at Henry K. Minich's hotel, in Philadelphia, on Wednesday evening last. He was brought to this and buried from the residence of Daniel Culley, yesterday afterhoon. He was extensively known as one of the best lumber inspectors on the Susquehanna, and for many years filled that position with

ST. PATRICK'S DAY .- The anniversary of St. Patrick, 17th inst., is to be celebrated in all the large cities. The Fenians generally have the management of these demonstrations, and propose to make an unpre-cedented sensation. In Columbia persons do not take much account of St. Patrick's day; all the talk being about the cheap dry goods, boots, shoes, &c., as sold at the store of I.O. Bruner. Our friends in the country visiting Columbia, should by all

ACCIDENT. - Mr. Wm. T. Hollowbush. of Limerick, Montgomery county, Pa., who is the carpenter having charge of the work-Columbia Railroad, at this place, met with a painful accident on Thursday last. He was in the act of giving some directions about one of the turn-tables, when he stepped quickly upon the end of a plank which gave way, striking him in the face, breaking his nose, and otherwise injuring him. His wounds were dressed by Dr. Hinkle.

UNCLAIMED LETTERS .- List of letters remaining unclaimed, in the Columbia Post Office, up to this date. Persons calling for these letters will please mention that they are advertised in the "SPY:"

are advertised in the "Sry:"

Ladies' List.—Elizabeth Alnan, Mary Billett, Charlotte Barns, Charlotte Barry, Rachel Bair, Sadie Kauffman, Ella Wallace, Mrs. Writenbach.

Gentlemen's List.—Alkens & Larkin, Jacob Leinard, Henry Keller. John Boss, C. II. Brady & Co., Alfred Collins, George B. Heldreth, John Herlim, Lawrence Hendricks, John Inhoff, John L. Martin.

MISHLER'S BITTERS .- Read the advertisement of the celebrated Mishler's Bitters, in another column. As an evidence of the great popularity of these bitters, we would state that on Wednesday morning last. Dr. S. B. Hartman & Co., the proprietors and manufacturers, shipped to Western Pennsylvania and Ohio, three hundred and fifty cases of bitters. Each case contained one dozen of bottles, and the revenue, including the stamps, amounted to one thousand six hundred and fifty-two dollars. This may be considered a good day's business, both for the firm and the revenue departmeni.

BREAKING UP OF WINTER.—From the warm sun and balmy skies of the week past, we think we may congratulate all our people that the rough winter of 1867-S is ended, and brighter days and better times are coming. The ice-bound Susquehauna has yielded under the pressure of dissolving spring rains, genial san and swelling flood. The ice is slowly passing off, and in a few days more, the weather continuing mild, the Susquehanna will be entirely clear of ice. Thus far no damage has been ustained along our shores, from the ice break-up, that we have heard of.

ORGANIZATION OF THE COLUMBIA Building Association. - The Columbia Building Association met according to announcement, in the Town Hall, on Friday evening of last week, and perfected the following organization for the ensuing year :

Ephraim Hershey, President. Simon C. May, Vice President. Abraham Bruner, Jr., Treasurer.

A. J. Kauffman, Secretary. Directors-E. F. Keever, Hiram Wilson, C. S. Kauffman, George Bogle, Jas. Schroder, W. W. Upp, and John Shenberger. About 900 shares of the stock have been taken. The first installment is to be paid on Tuesday, the 17th of March. The books of the Association will be closed on the 18th of April.

Sons of Malta Ball.—The ball which took place last evening, under the auspices of Lodge 400, Sons of Malta. of Columbia, was a very happy affair-just enough there to make a very pleasant party. Mirth and joyousness reigned supreme, and fairy feet tripped gally to the sound of Prof. Keffer's enchanting music, while light hearts beat quicker as soft eyes "looked love to eyes which spake again," and nothing seemed wanting to complete the happiness of all. At "low twelve" the bell was tolled and the Sons of Malta March took place. They were arrayed in the peculiar costume of that order, which seemed to astonish all beholders, as well as to excite the risibles of the gay party. After the march, a set was danced in masquerade, when the whole party sat down to a "Maltese banquet," which was prepared for the occasion. Much credit is due to the Committee of Arrangements, headed by the Grand Giblamite, for their management of the affair.

The Town Council appointed John Eddy to collect the borough bounty-tax. It is thours" of morning, when all returned to their homes, highly pleased with the entertainment, and showering down complino more right than another to escape the Lykens Valley, Nutt, Lykens Valley, Nutt, stove and egg, payment of this tax.—[ED. Sry.]

HALDEMAN'S STORE.—Carpets at 28 ents; Carpets at 311 cents; Carpets at 371 ents; Carpets at 45 cents; Carpets at 50 stock of Carpets.

SPRING TIME .- This, most bewitching of seasons, is at hand. Soon will be heard the song of the blue-bird and the robin, while the genial sunshine, that blessing o value inestimable, will warm into renewed life the trees and shrubbery, and the bright and refreshing green of the fresh grass and new leaves will make us glad. Of all seasons of the year, spring is the most bewitching. All nature seems to rejoice at its reease from the frozen embrace of old winter. and gives silent praise to the Creator for His wisdom and goodness in so arranging the seasons that as one grows wearisome

mother takes it place. Soon will be heard the glad voices of children, making music on the balmy air, and the sad faces of winter-bound invalids will glow with pleasure at the prospect of once more enjoying God's most precious and healthgiving blessings-pure air and warm sunlight. Hail, beautiful, delightful spring. Yours is indeed a blessed privilege-that of making countless thousands happy. This being the case, we would advise all our friends who wish a new and fashionable suit of spring clothing to go to the merchant tailoring establishment of W. G. Case

& Son, No. 162 Locust street, Columbia. "YE LOCAL"-A "local" can't be everywhere to collect news; and, as every member of the community is interested in having a good local and country paper, the only way to secure it, is for everybody to send us in such news as we can get no other ed to repair the streets of the borough. way. This is a very easy thing for any person to do who has the will. It is not important that the matter be gotten up in good

style. Give us the facts, and we'll arrange them to suit ourselves. All over the country occurrences are constantly taking place, trifling, perhaps, to those who know the facts, but interesting to those who don't Tell us about them. If Arabella Jane taking advantage of leap year, takes her Augustus Henry out riding, tell us-especially if she drives with one hand and olds the robe around him with the other. If a lawless scoundrel disturbs your stables or hen roosts, tell us. If you or your neighbor have an extra fine turkey, tell us. (A smaller one might be sent along as corroborative testimony.) It property changes hands in your vicinity, tell us all about it. If anybody's horse runs away and smashes things; if anybody dies or gets married, tell us. If a feller goes several miles to see his girl, on a cold night, neglecting to take his blue mittens, and she kindly loans him her "must" to protect his hands from the weather, on his return, why-whose busi-

ness is it? Tell us all. PRIMARY ELECTION .- The following is the vote polled in Columbia, at the Primary Election held on Saturday last, for delegates

MR. EDITOR:—In the Bounty Fund Statement, credit has been given me with receiving \$28.50 for expenses to Monocacy, which is un error. I never performed any service of the kind.

SAMUEL EVANS.

Disappointed. Mis. Editor:—I am a reader of Brigham Young's paper, which professes to give all the news as early as any weekly production in the land. Imagine my surprise, when I looked in Thursday's issue, for the election news from New Hampshire, and could not find a word about it. Something must be wrong with the enterprising (?) editor, as he prides himself upon hunting up everything new for the benefit of his customers. I guess the types must have been set up, giving a majority for the Copperhead candidate for Governor, and the result showing a majority for the Republican, Harriman, and the shock of disappointment must have been too great to admit of his recovery in time to correct them. Poor Cops—how they long for victory, and how long they are disappointed. Progness.

The Bounty Tax. Mr. Ramso:—The "Bounty Report," as lately published, sets forth that \$1,937 93 of bounty tax is not collected. Whose fault is it, that this tax is not collected? And why is it that some people have been permitted to escape, while others have been compelled to pay? Please inform the people, if you know. Let us have a list of the delinquents, and let the necessary means be adopted to compel a payment.

Fish Market.

Mr. Rambo:—Why is it that Laneaster city, situated twelve miles from our river Susquehanna, has a much better fish market than Columbia, which is located upon its banks? Many of our citizens would be glad if some one would establish a market that would afford a 'daily supply of fresh fish; and they believe that a man of enterprize could make it pay. Let some one try it.

MISHLER'S BITTERS. TAXPLAINED. The following letter of inquiry was lately

received, and as similar questions have frequently been asked before, we will swer them through the press; HARRISBURG, Feb. 10th, 1868.

HARRISTURG, Feb. 10th, 1868.

Dr. N. B. Hartman & Co.: dents:—Mr. Abraham Martin, of this county, paid me a visit on the 10th of December 18st. 1 observed an uleer behind his eur, and his eyes also were sore. On questioning him, he told me that he had soveral on his leg, and small ones all over his body, and even among the roots of his had, with shooting pains along the bones.

I advised him to write to you, and see what you would say of his case, knowing Dr. Hartman to be a practising physician of the old school. He followed my advice, and wrote to you all the facts; which you answered by stating that his disease was Scroftala, or some other constitutional disease, and you advised him to take Mishler's Green Label Hitters. He bought six bottles of Dr. Ellmaker, a drugglist in Lameaster, and commenced with a tableshoonful every three hours, and gradually increased the dose to a small wine chast full, and then diminished gradually again to the saint dose were your directions. I saw him this morning, hale and hearty—perfectly cured—even his eyes are well—which I consider remarkable, as I have known persons to be afflicted with inflamed eyes all through life. I never saw a man more delighted; and having myself been cured of a most terrible lingering Dyspepsia, about a year mgo, by your Bitters. I asked him if he had any in the house. "O yes," said he. And going to the emphoard, landed me a bottle hat tall, and saying "this is what I have left from the six bottles." I took a swallow, and it tasted so unlike the Bitters that I had taken, that I was sue it was not Mishler's Bitters; and he having never taken any other, declared that he bought it for Mishler's Bitters; that he having never taken any other, declared that he having never taken

CHARLES FORREY.

ANSWER.

LANCASTER, Feb. 14th, 1868. Mr. Charles Forrey: Dear Sir:—Yours the 19th inst., is at hand, and in reply, would y, we make three kinds of Bitters. The one on used for Dyspepsia is called

MISHLER'S HERB BITTERS, generally sold for a dollar, or one dollar and twenty-live cents a bottle. It is always used for Dyspepsia, Rhenmatism, Kidney Affections and diseases or the Langs and Throat, &c.; and in these it is a sure and permanent remedy. Dr. Hartman, on referring to his books, finds that we have cured, since the 2d of July, 1867, the time we became the proprietors of this institution, 23 cases of Dyspepsia; 78 of Chronic Rhenmatism; 197 of Ingering Conghs and Colds; 97 of Kidney Affections; 17 of Yellow Jaundier; 23 of Neuralga; 47 of Readache; and Sick Headache; 19 of Lumbago or pain in the back; 10 of General Pebhity; 27 of Chills and Fever, and 37 not well defined.

defined. There are, of course, thousands who have us Misdod's Horb Bitters, that never visited I Hartman, nor wrote to him, with doubless I same effect. But the number above glyen, a carefully recorded in a book, with their address Those that have visited the Doctor are markey, and those that have written to him W. MISHTER'S

is the kind that has always been used for Scrofula, Old Running Sores and Ulcers, and deheate diseases, caused by imprudence, excess, exposure or early indiscretion; also, for skin diseases of every kind, and Indianimatory Rheumatism. These Bitters are now sold everywhere, at one dollar and fifty cents per bottle; and although never before advertised, have at present nearly as large a sale as the Horb Bitters. They have been sold in Philadelphia. New York, Baltimore and some other places at two and three dollars per bottle. They are the only sure remedy for the diseases just named.

We could refer the reader to over five hundred eases of the most miraculous curves produced within the last six menths, by the
