REMOVED .- A. J. Kauffman, Esq., has removed his law office to Liphart's building, No. 238 Locust street.

To PRINTERS .- Wanted, at this office, one good compositor, and one good job printer. None need apply save active, industrious and SOBER young men.

COLUMBIA FERRY .- The Steamboat "Callie," will commence running again, regularly, on Monday next, making her usual trips to Wrightsville and back.

MORE Snow.-Snow commenced fallthroughout the day, seriously interfering with the improvements now going on in

WITCHCRAFT.—Come and bear Rev. J. preach on Thursday evening, March 26th, in the Town Hall, upon Witchcraft, &c. The public are respectfully invited to attend. +

OUR FARMERS .- Our farmers generally, throughout the county, have commence corn planting. The wheat crops are looking well, and promise an exuberant one.

RELICIOUS .- There will be preaching in the United Brethern Church, to-morrow (Sunday) at the usual hours, by W.S.H. Keys. Morning subject: - "God's Flower Garden." Evening subject :- "The Converted Tongue."

THE AMERICAN HOUSE.-Mr. S. II Lockard, proprietor of the above hotel stand for several years past, has lately sold Office, up to this date. Persons calling for off the personal effects of the house and retired from the business. The building is now being converted into stores.

THE ROADS .- The by-roads, throughout the county, are in a terrible condition, mud hub-deep, some say. The pike, be-tween this place and Washington, in several places, during the week, was overflown with water to the depth of three or four feet, making it necessary for travelers to use the back road.

Top-Spinning .- Young America, in Columbia since the visit of the Japanese. has given up marbles, bow and arrow, &c., and taken to top-spinning, after the style of the Japanese. But as yet, we have not seen or heard of any being so expert as the "Japs;" but perseverance sometimes accomplishes wonders.

BASE BALL.-The Base Ball season was opened in Columbia, on Thursday last, with an interesting game by the "Mutuals." There, will be a mooting of the M's, on Tuesday evening, 24th inst., at the office of the Columbia Insurance Company. The Club is ready to receive challenges. W. H. Fry is still the Secretary.

INSURE YOUR PROPERTY .- This is the time of year that a great deal of property changes hands, and every person should take the precaution to get their buildings, furniture, etc., etc., insured in some reliable Company. And one of the best companies to insure is the Germania. No company stands better than this one; its business is increasing, and all losses are met promptly, and satisfaction given without law-suits. Mr. W. W. Upp is the agent for Columbia.

BILLIARDS .- The billiard-playing portion of our citizens will, no doubt, be glad to learn that a new billiard saloon will be opened next month, by Mr. Jacob Wall, in basement of building known as the " American House," which will contain a carom and a four-pocket table of the latest improvement. The basement is now undergoing great repairs, is being enlarged, and the floor lowered several inches. A firstclass restaurant will also be kept in connection with the above.

article which will tell for itself. It is a of whisky were taken-whether clandesdomestic production, manufactured by Hart & Co., Lancaster, Pa. Long before it was brought out before the public, we heard rectifying establishment of Joseph R. of cures performed by it, and having used it ourselves with great satisfaction, we can recommend it to others as being the best whom were armed with revolvers, for the preparation for the hair extant. It is neatly put up in bottles, the shape of a heart, indicating the name of the proprietor, who is a good-hearted fellow, and would not have the heart to palm off any humbug upon his customers or the public.

POPULAR .- One of the most popular institutions in Columbia, is the secret Order of the Sons of Malta. It is gathering within its folds some of the best men of the place. Its origin seems to be very ancient. Tradition has it that it dates back as far as the year 1048. The first Lodge in the United States was started in New Orleans, in 1803. But this is not the only popular institution in Columbia. Bruner's store is popular amongst all classes for cheap drygoods. He replenishes his stock every few weeks, and is always up to the market in styles, cheapness and quality of goods. Go and see him.

REAL ESTATE SALES .- Mr. Jonas Rumple has purchased from the heirs of George Wolf, dec'd, and Reuben Mullin, dec'd, the vacant lot of ground on the corner of Second and Walnut streets, for \$2,000. We learn that Mr. Rumple intends putting up a fine residence there.

Nicholas McDonald has sold his house and lot in Walnut street, to Jos. Hogentogler, for \$2,600. Jos. Hogentogler has sold his house and

lot on Cherry street, to Mrs. Jonas Kendig, Ephraim Hershey has purchased a lot o ground adjoining his property on Cherry

street, from C. S. Kauffmun. Soldiers' Orphans .- Some of the pupils of the Mt. Joy Soldiers' Orphan hool gave a concert in the public school Hull, on Wednesday evening last. The exercises consisted of singing and declamation, which gave evidence that the pupils had been carefully taught. The managers of the Orphan School take this means of raising funds to procure books for their libraries, and with so worthy an object in view, we were sorry that they had not a larger audience. The children appear very larger audience. The children appear very healthy, and certainly are noticeably neat and clean. They were entertained by citizens, and seemed well pleased with their wiet.

Lykens Valley, Nutt, Stove and egg,

FELT SATISFIED .- A railroad engineer t Harrisburg, having been discharged, applied to be reinstated. "You are dismissed." said the superintendent austerely. for letting your train come twice into collision." "The very reason," said the other party, interrupting, "why I ask to be restored." "How so?" "Why, sir, if I had any doubt before as to whether two trains can pass each other on the same track, I am now entirely satisfied; I have tried it twice, sir, and it can't be done, and I um not likely to try it again." He regained the situation.

NEW BUILDINGS .- The new building now being erected for the COLUMBIA SPY. is progressing slowly, and with very little lope of being ready to move into by the first of April.

The new Post Office building is approachng completion, and will be ready for occuancy at an early day.

The new Planing Mill of Mr. Liphait's is nearly finished. It is a fine building, and adds very much to the appearance of things generally in that locality. The machinery s now being putin. Messrs. Supplee & Bro. built the steam engine, which is a model of eauty and workmanship.

THE FLOOD -At no period since the ice freshet of 1865, has the Susquehanna river been so high. It has done considerble damage to the Canal, in this vicinity. At the upper end of the Canal basin, in this borough, about seventy-five feet of embankment is washed away, level with the bottom of the Canal. Two houses had to be pulled down, to prevent their being taken away by the flood. The new wharf at the foot of Locust street, is considerably damaged. At Henry Clay Furnace, and it the vicinity of Chickies, the Canal, or towpath, is very much damaged. The track of ie Pennsylvania Railroad was considerably injured, and the through trains, for two days, had to run via Reading. The track has been repaired and trains are runing yesterday morning, and continued | ning again as usual. The river is yet high, but no further damage is apprehended.

PUT TO JAIL FOR THIEVING .- We learn that during the past winter quite a number of articles of value were missed by F. Weishampel, of Baltimore. He will the people of Sporting Hill and vicinity, this county. Suspicion rested upon a young couple just commencing housekeeping; but as no proof could be furnished as to the certainty of the matter, nothing was said. Last week, however, it became known that there were goods secreted uned upturning mother earth preparatory to der the pig-sty, when search being made a fine buffulo robe, several horse blankets, pieces of alpaca and calico, rolls of ribbon, &c., &c., were found, together with several dozen panes of glass which had been taken from the cover of a hot bed. The young man, whose name is Emanuel Sheaffer, was immediately arrested and confined in jail, where he, no doubt, repents at leisure of what he did in haste.

UNCLAIMED LETTERS .- List of letters emaining unclaimed, in the Columbia Post these letters will please mention that they

are advertised in the "SPY:" Ladies' List.—Susie Fisher, Kate E. Brubaker, Frances Dellinger, Bridget Booth, Mrs. A. Zercher, Kate E. Wolf, Anna Shup, C. A. Neialey, Mrs. Powers, Mrs. John McLaughlin, Mrs. Cassandra W. Miller, Sarah Hogentogler, Mary E. Hinton.

Gentlemen's List.—Harry Runk, Henry Bener or Tener, Charles F. Hearell, Morris Coughlin, Mr. Benst, William Bates, (2,) John Brake, Snyder Belles, Albert Arms, A. B. Austin, Jacob Zimmer, Harry Warner, John Treggresser, A. E. Urban, R. & W. C. Swaffield, Samuel E. Shaw, William Saylor, Edwin H. Loutrel, Mr. Keller, (124 N. Front st.,) George Gresser, Messrs. Occupation ! what a glorious thing it is for the human heart! Those who work hard seldom yield themselves entirely up to fancied or real sorrow. When grief sits down, folds its hands, and mournfully feeds upon its own tears, weaving the dim shadows that a little exertion might sweep away into a funeral pail, the strong spirit is shorn of its might, and sorrow becomes our master. When troubles flow upon you dark and heavy, toil not with the waves, wrestle not with torrents; rather seek by occupation to divert the dark waters that threaten to overwhelm you in a thousand channels which the duties of life always present. Before you dream of it, these waters will fertilize the present, and give birth to these flowers that they may brighten the future; flowers that will become pure and holy, in the sunshine that penetrates to the nath of duty. Grief. after all, is but a selfish feeling; and most selfish is he who yields himself to the indulgence of any passion that brings no joy

to his fellow men.

More Whisky Stezures.—On Monday last, Collector Wiley seized the rectifying establishment of Joseph R. Strickler, at Maytown, for a violation of Revenue laws. Revenue Inspector, A. C. Leonard. also seized twenty barrels of whisky which he found concealed in Hiestand's mill, near Marietta. The Express says: "These two operations refer to the same offense, the following particulars of which we gather from parties residing in the neighborhood and cognizant of the facts: Before day-HART'S HAIR RESTORER.—This is an break on Monday morning twenty barrels tinely or with consent of the owner is a point for the authorities to settle-from the purpose of keeping off the inquisitive. From thence it was hauled about three miles, over an almost impassable road, to Hiestand's mill, located on the turnpike between Marietta and Mt. Joy, where it was tracked, through the vigilance of Assistant Assessor Hiestand, of Marietta, and Revenue Inspector Leonard. When Leonard arrived and questioned the miller, he denied any knowledge of whisky concealed on the premises; but a search revealed that 20 barrels of the ardent were stowed away on the mill floor among a number of flour barrels. Some of the barrels having Strickler's name on them, together with other circumstances connected with the removal, justified the Collector in closing his establishment, while the whisky was seized by Inspector Leonard and shipped to Marietta

in teams, and thence by rail to Lancaster.' Marriages.

MISHLER'S BITTERS.

EXPLAINED. The following letter of inquiry was lately received, and as similar questions have frequently been asked before, we will answer them through the press;

HARRISHURG, Feb. 10th, 1868.

Harrishurra, Feb. 10th, 1868.

Dr. N. B. Hurtman & Co.: Gents:—Mr. Abraham Martin, of this county, paid me a visit on the 10th of becomber lasts: I observed an utleer behind his ear, and her lasts in observed an utleer behind his ear, and small ones all over his body, and even among the roots of his hair, with shooting pains along the bones.

I advised him to write to you, and see what you would say of his case, knowing Dr. Hartman to be a practising physician of the old school. He followed my advice, and wrote to you all the facts: which you answered by stating that his disease was Scrofula, or some other constitutional disease, and you advised him to take Mishler's Green Label Bitters. He bought six bottles of Dr. Ellmaker, a druggist in Lancaster, and commenced with a tablespoonful every three hours, and gradually increased the dose to a small whe glass full, and then diminished gradually again to the same dose he began with; he said these were your directions. I say him this morning, hale and hearty-perfectly cured—even his eyes are well—which I consider remarkable, as I have known persons to be afflicted with inflamed eyes all through life. I never saw a man more delighted; and having myself been cured of a most terrible, lingering Dyspepsia, about a year ago, by your Bitters, I asked him if he had any in the house. "O yes," said he. And going to the cupboard, handed me a bottle half full, and saying, "this is what I have left from the six bottles." I took a swallow, and it tasted so unlike the Bitters that I had taken, that I was sure it was not Mishler's Bitters. Unable to decide the question, I concluded to write to you, and ask if you have more than one kind.

Yours, most respectfulty.

CHARLES FORREY.

ANSWER.

LANCASTER, Feb. 14th, 1968. Mr. Charles Forrey: Dear Sir:—Yours of the 10th inst., is at hand, and in reply, would say, we make three kinds of Bitters. The one you used for Dyspepsia is called

MISHLER'S HERB BITTERS,

generally sold for a dollar, or one dollar and twenty-five cents a bottle. It is always used for Dyspepsia, Ehenmadism, Eidney Aflections and diseases of the Lungs and Throat, &c.; and in these it is a sure and permanent remedy. Dr. Hartman, on referring to his, books, finds that we have cured, since the 2d of July, 1857, the time we became the proprietors of this institution, 213 cases of Dyspepsia; 78 of Chronic Rheumatism; 167 of lingering Coughs and Colds; 33 of Kidney Affections; 17 of Yellow Jaundice; 23 of Neuralgia; 33 of Hendache; and Sick Hendache; 19 of Lumbago or pain in the back; 10 of General Debility; 27 of Chills and Fever, and 37 not well defined.

There are, of course, thousands who have used Mishler's Herb Bitters, that never visited Dr. Hartman, nor wrote to him, with doubtless the same effect. But the number above given, are carefully recorded in a book, with their address. Those that have visited the Doctor are marked V, and those that have writen to him W. This book is open to everybody, and all of them can be written to, if desired.

MISHLER'S

Green Label Bitters

is the kind that his always been used for Scrof-ula, Old Running Sores and Ulcers, and delicate diseases, caused by Imprudence, excess, exposure or early indiscretion; also, for skin diseases of every kind, and Inflammatory Theomatism. These Blitters are now sold everywhere, at one dollar and fifty cents per bottle; and although never before advertised, have at present nearly as large a sale as the Herb Blitters. They have been sold in Philadelphia. New York, Baltimore and some other places at two and three dollars per bottle. They are the only sure remedy for the diseases just named. We could refer the reader to over five hundred cases of the most miraculous cures produced within the last six months, by the

which is the third variety of our preparation, will surely cure all chronic complaints peculiar to females. Laddes suffering from any irregularities, will find them a great boon. Every lady that is pale with palpitation of the heart, or a fluttering sensation about that organ, with a shortness of breath after a little exertion, will find these litters a panacca. From two to four bottles will entirely cure all such cases. In short, every other lady, young or old, the world over, should use this medicine. And we predict, that in less than one year, or at least as soon use the fair sex thoroughly understand its merits, no more pale, emaciated and disconsolate faces will be seen; but all women will at least look fresh and hearty, if not beautiful and fair as queens; and when asked, how came the change, all will answer, through MISHLEICS

And no proparation for the bair has yet been discovered that will produce the same beneficial results. It is an entirely new scientific discovery, combining many of the most powerful and restorative agents in the VEGETABLE KING-DOM. It restores GRAY HAIR TO ITS ORIGINAL YOUTHFUL COLOR.

It makes the scalp white and clean; cures dand-ruff and humors, and falling out of the hair; and will make it grow upon bald heads, except in very aged persons, as it furnishes the nutritive principle by which the hair is nourished and supported. It makes the hair moist, soft, and glossy, and is unsurpassed as a HAIR DRESS-ING. It is the cheapest preparation over offered to the public, as one bottle will accomplish more and last longer than three bottles of any other bremaration. IT IS RECOMMENDED AND USED BY

The wonderful results produced by our SICIL-LAN HAIR RENEWER have induced many to manufacture preparations for the Hair, under various names; and, in order to induce the trade and the public to purchase their compounds, they have resorted to falsehood, by claiming they were former partners, or had some con-nection with our MR, HALL, and their prepara-tion was similar to ours.
