"MISHLER'S BITTERS:" EXPLAINED.

The following letter of inquiry was lately received, and as similar questions have requently been asked before, we will answer them through the press: HARRISBURG, Feb. 10th, 1868.

HARRISBURG, Feb. 10th, 1868.

Dr. S. B. Hartman & Co.: Gents:—Mr. Abraham Martin, of this county, paid me a visit on the 10th of December last. I observed am ulcer behind his ear, and his eyes also were sore. On questioning him, he told me that he had several on his leg, and small ones all over his body, and even among the roots of his halr, with shooting pains along the bones.

I advised him to write to you, and see what you would say of his case, knowing Dr. Hartman to be a practising physician of the old school. He followed my advice, and wrote to you all the facts: which you answered by stating that his disease was Scrofula, or some other constitutional disease, and you advised him to take Mishler's Green Label Bitters. He bought six bottles of Dr. Ellmaker, a druggist in Lancaster, and commenced with a tablespoonful every three hours, and gradually increased the dose to a small wine glass full, and then diminished gradually again to the same dose he began with; he said these were your directions. I saw him this morning, hale and hearty—perfectly cured—even his eyes are well—which I consider remarkable, as I have known persons to be afflicted with inflamed eyes all through life. I never saw a man more delighted; and having myself been cured of a most terrible, lingering Dyspepsia, about a year. 1900, by your Bitters, I asked him if he had any in the house. "O yes," said he. And going to the cupboard, handed me a bottle half full, and saying, "this is what I have left from the six bottles." I took a swallow, and it tasted so unlike the Bitters that I had taken, that I was sure it was not Mishler's Bitters; and he having never taken any other, declared that he bought it for Mishler's Bitters. Unable to decide the question. I concluded to write to you, and ask if yours, most respectfully,

CHARLES FORREY.

ANSWER.

LANCASTER, Feb. 14th, 1868. Mr. Charles Forrey: Dear Sir:—Yours of the 10th inst., is at hand, and in reply, would say, we make three kinds of Bitters. The one you used for Dyspepsia is called

MISHLER'S HERB BITTERS.

generally sold for a dollar, or one dollar and twenty-five cents a bottle. It is always used for Dyspepsia, Rheumatism, Kidney Affections and diseases of the Lungs and Throat, &c.; and in these it is a sure and permanent remedy. Dr. Hartman, on referring to his books, finds that we have cured, since the 2d of July, 1867, the time we became the proprietors of this institution, 213 cases of Dyspepsia; 78 of Chronic Rheumatism; 107 of lingering Coughs and Colds; 93 of Kidney Affections; 17 of Yellow Jaundice; 23 of Kendey Affections; 17 of Yellow Jaundice; 19 of Lumbago or pain in the back; 10 of General Debility; 27 of Chills and Fever, and 37 not well defined.

There are, of course thousands who have used

defined.

There are, of course, thousands who have used Mishler's Herb Bitters, that never visited Dr. Hartman, nor wrote to him, with doubtless the same effect. But the number above given, are carefully recorded in a book, with their address. Those that have visited the Doctor are marked V, and those that have written to him. W. This book is open to everybody, and all of them can be written to, if desired.

MISHLER'S Green Label Bitters,

is the kind that has always been used for Scrofula, Old Running Sores and Ulcers, and delicate diseases, caused by imprudence, excess, exposure or early indiscretion; also, for skin diseases of every kind, and Inflammatory Rheumatism. These Bitters are now sold everywhere, at one dollar and fifty cents per bottle; and although never before advertised, have at present nearly as large a sale as the Horb Bitters. They have been sold in Philadelphia. New York, Baltimore and some other places at two and three dollars per bottle. They are the only sure remedy for the diseases just named.

We could refer the reader to over five hundred cases of the most miraculous cares produced within the last six months, by the

Red Label Bitters,

which is the third variety of our preparation, will surely cure all chronic complaints peculiar to females. Ladies sufering from any irregularities, will find them a greatboon. Every lady, that is pale with palpitation of the heart, or a fluttering sensation about that organ, with a shortness of breath after a little exertion, will find these Bitters a panacea. From two to four bottles will entirely cure all such cases. In short, every other lady, young er old, the world over, should use this medicine. And we predict, that in less than one year, or at least as soon as the fair sex thoroughly understand its merits, no more pule, emaciated and disconsolate faces will be seen; but all women will at least look fresh and hearty, if not beautiful and fair as queens; and when asked, how came the change, all will answer, through MISHLER'S

RED LABEL BITTERS.

They are sold everywhere, at one dollar and fifty cents per bottle.

Hoping you, as well as the rest of mankind, are not disappointed in the fact, that the large array of certilicates of cures effected by Mishler's Bitters, of every conceivable disease, which we and Mr. Mishler have published heretofore was the work of three distinct preparations, and not one only.

No. 69 Berkman St., New York, January Sth, 1868.

E. Mishler & Co., Reading, Pa.—Dear Sirs:—It affords me pleasure to speak of the wonderful effects of your "Pain Cure," in my own case. In June last I was attacked with Neuralgia in my abdomen and side. After suffering intensely for nearly two weeks, I was induced to try your remedy, and after an application, to my utter surprise, I was relieved in a few seconds. So sudden was the relief, that I could scarcely believe my, own senses. From my knowledge of the preparation, I firmly believe that it will stop pain from nearly every cause, and almost instantly—Respectfully, yours.
