MANUFACTURER OF HARRISBURG, Feb. 10th, 1868.

Dr. S. B. Hurtman & Co.: Gents:—Mr. Abraham Martin, of this county, paid me a visit on the 10th of December 1ast. I observed an ulcer behind his ear, and his eyes also were sore. On questioning him, he told me that he had several on his leg, and small ones all over his body, and even among the roots of his hair, with shooting pains along the bones.

I advised him to write to you, and see what you would say of his case, knowing Dr. Hartman to be a practising physician of the old school. He followed my advice, and wrote to you all the facts; which you answered by stating that his disease was Scrofula, or someother constitutional disease, and you advised him to take Mishler's Green Label Bitters. He bought six bottles of Dr. Elimaher, a druggist in Lancaster, and commenced with a tablespoonful every three hours, and gradually increased the dose to a small wine glass full, and then diminished gradually again to the same dose be began with; he said these were your directions. I saw him this morning, hale and hearty—perfectly cured—even his eyes are well—which I consider remarkable, as I have known persous to be afflicted with inflamed eyes all through life. I never saw a man more delighted; and having myself been cured of a most terrible, lingering Dyspepsia, about a year 180, by your Bitters, I asked him if he had any in the house. "O yes," said he. And going to the cupboard, handed me a bottle half full, and saying, "this is what I have left from the six bottles." I took a swallow, and it tasted so unlike the Bitters that I had taken, that I was sure it was not Mishler's Bitters; and he having never taken any other, declared that he bought to find the surface of the cupboard handed me a bottle half full, and the six bottles." I took a swallow, and it tasted so unlike the Bitters that I had taken, that I was sure it was not Mishler's Bitters; and he having never taken any other, declared that he bought to make more than one kind.

It affords me pleasure to speak of the wonderful
effects of your "Pain Cure," in my own case,
In June last I was attacked with Neuralgia in
my abdomen and side. After suffering intensely
for nearly two weeks, I was induced to try your
remedy, and after an application, to my utter
surprise, I was relieved in a few seconds. So
sudden was the relief, that I could scarcely believe my own senses. From my knowledge of
the preparation, I firmly believe that I will stop
pain from nearly every cause, and almost instantly—Respectfully, yours.
