Women Voting.

The *Cecil Whig* takes Mrs. McConaughy to account for being opposed to women voting. Mrs. McConaughy is the editress of the *Clayton Herald*, a journal which is conducted with spirit, vim, talent and enterprise. Indeed, it is about the best paper in the State of Delaware. She discourseth on the article in the *Whig* as follows:

"You wish to know how it is that we, being a woman, are opposed to our sex having the right to vote. For years we have made politics our study, not only for our own satisfaction, but that we might be better able to instruct our boys, who will some day have the right to vote, and perhaps to govern. We have been (if we may be so allowed to speak), behind the scenes, and have seen the workings of politics, not only in one but both political parties. We have seen men who in all other things have seemed honest and upright, stoop to employ intrigue and deception to carry out their own ends, and help the party they belong to, and believe to be right, to gain the ascendency. In politics they seem to think all things fair, whether it squares with the Bible rule or not. Taking men as our example, and having seen the effect politics has on them, it is our opinion it will not add anything to the dignity, modesty, or purity of woman but will tend very materially to degrade the sex. Give woman the right to vote, and how long will it it be before she will want an office, and being ambitious like man, will she not use any and every means—even intrigue and deception—to gain power?"

We are well aware that history records some instances of "brilliant administrations by females," while on the other hand some of the most cruel and blood-thirsty tyrants that have ever held sway have been women. Physically, women are not fitted to mingle in the rough jostle of out-door life. The arena of politics with its excitements, intrigues and deceptions is no place for her.

Home is her proper sphere, there is where God has placed her, and for which she is especially adapted, and where she holds almost unlimited sway. Upon her more than man, devolves the training of the young, those that must do the voting and governing. In teaching the young idea how to shoot, and in leading the little feet into the right path, she is constantly called upon to exercise a degree of patience, skill, prudence, wisdom, moral strength and courage, of which man knows but little, and is seldom, if ever, called upon to make. We know that woman's influence is great, far more so, perhaps, than the most of them have any idea of, and we honestly believe the world is what a woman makes it. Her teachings and influence reaches beyond the immediate home circle. The influence she brings to bear upon her children, the principles she instils into their minds, and the examples she sets are reproduced again around other hearthstones, and over other hearts.

If she would make her mark in the world our advice is to do it within the sanctuary of home, where it will be seen and felt, and not by wishing to take upon herself the peculiar prerogatives of men. If woman but understood her whole duty, and conscientiously carried it out, might not a great deal of the corruption against which all have so much to say, not, only in politics, but in many other things, be avoided? Let woman rest contented in the sphere in which God has placed her, which is not only separate and distinct from man's, but superior to it, and than which there is none greater.

Rally Around the Flag, Boys.

Hold it high up, with the same strong arms which struck the rebels down, with the same unfaltering loyalty which never, in the darkest hours, despaired of the Republic, with the same ringing cheer which have more than once sent confusion to the ranks of traitors, a thrill of joy through patriot breasts, hope and the confident assurance of victory to those who grieved over the nation's wounds!

Let the old flag wave, boys, free in the pure air of a regenerated land, and leading the columns of the Union as "John Brown's soul goes marching on!"

Let it float over a people whom no power of rebellion can daunt, whom the arts of no treason can beguile, whom no false counsels can seduce, whom no sophistries can reconcile to an oblivion of the past, with its dear but sad memories of sacrifice and suffering.

Let the old flag wave, in its beauty and glory, over the compact columns of the Union's defenders, prompt and faithful in hours of danger, whether from secret conspirators or open foes.

Rally boys, around the same old flag, which now heads the array for GRANT, COLFAX and the Union.

—Radical Restoration.—Its good effects are permanent. It not only restores the color of the hair, but the quantity and natural glossiness. This is said by every one using Mr. S. A. Allen's Improved (*new style*) Hair Restorer or Dressing, (*in one bottle.*) Every Druggist sells it. Price One Dollar. may9-4t.

—Voluptus Suprema, the Latin phrase expressive of the climax of voluptuous richness, may be justly applied to the fragrance of Phalon's new perfume, "Flor De Mayo," the most luxurious and permanent of floral odors. Sold by all druggists.

"Spring it is cheery,
Winter is dreary,
Green leaves hang, but the brown must fly;
When he is stricken,
Lone and forsaken,
What can an old man do but die?"

Why, take Plantation Bitters, to be sure, and with them a new lease of life. The old are made young again, the middle-aged rejoice, and the young become doubly brilliant by using this splendid Tonic. Dyspepsia, Heartburn, Liver Complaint, Headache, Pains in the side, "Crick in the Back," and all symptoms of Stomachic Derangement, yield at once to the health-giving influence of Plantation Bitters. They add strength to the system and buoyancy to the mind.

Magnolia water—a delightful toilet article—superior to Cologne at half the price.

HALL'S

VEGETABLE

SICILIAN HAIR RENEWER

HAS STOOD THE TEST OF SEVEN YEARS

BEFORE THE PUBLIC;

And no preparation for the hair has yet been discovered that will produce the same beneficial results. It is an entirely new scientific discovery, combining many of the most powerful and restorative agents in the VEGETABLE KINGDOM. It restores

GRAY HAIR TO ITS

ORIGINAL YOUTHFUL COLOR.

It makes the scalp white and clean; cures dandruff and humors, and falling out of the hair; and will make it grow upon bald heads, except in very aged persons, as it furnishes the nutritive principle by which the hair is nourished and supported. It makes the hair moist, soft, and glossy, and is unsurpassed as a HAIR DRESSING. It is the cheapest preparation ever offered to the public, as one bottle will accomplish more and last longer than three bottles of any other preparation.

IT IS RECOMMENDED AND USED BY

THE FIRST MEDICAL AUTHORITY.

The wonderful results produced by our SICILIAN HAIR RENEWER have induced many to manufacture preparations for the Hair, under various names; and, in order to induce the trade and the public to purchase their compounds, they have resorted to falsehood, by claiming they were former partners, or had some connection with our MR. HALL, and their preparation was similar to ours. Do not be deceived by them.

Purchase the original; it has never yet been equalled.

It is applied externally, with a small camel's hair brush, (one of which accompanies each bottle.) It is pleasant, entirely harmless, and does not in the least soil or harm the skin. Its CURES ARE LASTING. *One application will in less than five minutes convince the most skeptical of its truly wonderful merits.*

WE CHALLENGE THE WORLD TO PRODUCE ITS EQUAL. *No family once acquainted with its virtues will be without it.*

E. MISHLER & Co., Reading, Pa.—DEAR SIRS:—It affords me pleasure to speak of the wonderful effects of your "Pain Cure," in my own case. In June last I was attacked with Neuralgia in my abdomen and side. After suffering intensely for nearly two weeks, I was induced to try your remedy, and after an application, to my utter surprise, I was relieved in a few seconds. So sudden was the relief, that I could scarcely believe my own senses. From my knowledge of the preparation, I firmly believe that it will stop pain from nearly every cause, and almost instantly. Respectfully, yours,

J. A. DUDLEY.
