COTTAGE HILL COLLEGE, YORK, PA -This College ranks second to none in the interior of the State. Rev. D. Eberly, A. M., is the Principal, and it may be truly said that he is the right man in the right place. The closing exercises of this institution terminated on the 24th ult., and we are told they were of a very interesting character. The essay entitled ... Rihl. have been settled, and the heavers brought the above place, freighted; with coal, nnloaded, and a general resumption of business taken place. A few days ago forty seven car loads, or about 235 tons of coal were dumped into the shutes at this place. CHERRIES:-Cherries have made their appearance in our market; but are very carce and high in price. They have, been selling at fifteen cents a quart, and inferior ones at that. This part of our fruit crop is almost a complete failure; the wet weather of the early spring having proved very de structive to the blossoms. We are glad, however, to see that there is a fair prospect for a bountiful supply of berries, which may, in a measure, supply the want felt by

the failure of the cherry crop: RED MEN. The following officers vere elected in the wigwam of Chiquesa lunga Tribe; No. 39, I. O. R. M., Tuesday evening, to serve the ensuing term:

This is a beautiful location, and will add much to the appearance of our thriving Borough Let the good work of improvement go on in all parts of the town; uptil we shall re-

The ladies scemed o have managed the whole affair, acting as gallants to the gents; paying expenses a c. It was a real leap year party, and the ladies performed their part exceedingly well. We inderstand they had a fine time, and, o doubt the gentlemen will anxionsly await another leap year. Several of our old

pachelor friends were with the excursion WIFE BEATING.-We have heard of one or two cases of the brutal beating of wifes by their husbands-which is a disgrace to the civilized age. The man who can basely desert his wife, and then when upbraided by her, deliberately violate every rule of civilized life, by beating his companion, is not fit to live among respectable people, and should be held up to the scorn and contempt of the community. We have a few such men in our town, who to terms; the great number of cars lying at are a disgrace to it, and to the name of man. They are not men-but brutes of the worst order.

POLICE CASES - Before Samuel Evans, were arrested, on complaint of Wm. Baker, who will carry on an extensive business in sides. HAY MAKING.—The fine weather of the past week or ten days, has given our farmers an excellent opportunity to cut and take in the grass crop, which we under-stand is a neavy one. The greater part of the crop must be already taken in, and at least a few more days of sunshine will see it safely housed.' The indications point to a good crop of grain, which in a short time will be ready for harvest. As far as present indications go, we shall have no occasion to complain, but on the contrary thank Providence, for a bountiful supply of the necessaries of life.
