WORTH REMEMBERING .- Don't live in hopes with your arms folded. Fortune smiles an those who roll up their sleeves and put their shoulder to the wheel that propels them on to wealth and happiness. Cut this out and carry it in your vest pocket, ye who idle in bar rooms and on the streets.

THE AMERICAN AGRICULTURIST, published in New York by Orange Judd & Co., is one of the finest papers of its kind in the world. It is issued monthly with superb illustrations, and a quantity and variety of valuable reading matter simply astonishing. We always read it with pleas ure and profit.

LETTHEM GO .- Since we have no free bathing houses, we would not exact the penalty of the law against children who take an occasional swim in public. Better that the little fellows should be clean and healthy than dirty and diseased. The fastidiousness that is shocked at sight of them, is of the "Black Crook" sort.

STRAWBERRY WINE.-Mr. H. H. Heise has some of the finest wine we have tasted this many-a-day. It was made from Strawberries several years since, and we can recommend it for its purity, exquisite flavor and healthy properties. We believe Mr. H. has some of this wine for sale.

THE Pacific and Atlantic Telegraph Company have opened an office in the Franklin House, on Locust street, kept by Martin Erwin, where all persons can send and receive dispatches at about half the price heretofore charged. A competent and very obliging operator is always in attendance. Office open all the time.

WE thank the editors of Columbia (Pa.) Spy for an exchange of their excellent and interesting daily. Gentlemen, we take great pride in perusing your columns.

Thus the work of building and improvement is going on in all parts of

STABBING AFFRAY. - Tuesday evening, stabbing affray occurred at Marietta, in which Jacob Hitz was, it is supposed, fatally stabbed by Abraham Buller. Buller is narried to a daughter of Hitz's, but she left him some time since, by persuasion of her father, and it is supposed the quarrel grew out of this fact. A warrant has been issued for the arrest of Buller.

THE PENNSYLVANIA STATE FAIR .-The sixteenth annual exhibition of the Pennsylvania State Agricultural Society will be held at Harrisburg, commencing on Tuesday, September 29th, and ending on that unusual efforts are being put forth to make this the greatest and grandest fair ever held by this society.

A. CARD OF THANKS .- At a special seeting of the Columbia Fire Engine and Hose Co., held in their Hall a few evenings since, the following resolution was adopted:

Resolved, That the President and members of
the Columbia Fire Co. return their sincere
thanks to the Columbia Gas Co., for their liberality in supplying gas, free of charge, to said
Company, also to Charles Gordon, Esq., for the
present of an excellent oil can.

T. J. WRIGHT, Sceretary.

FIRE.-About half-past twelve o'clock on Friday morning, a fire broke out in the alley above Third street, between Union and Perry. It proved to be a stable occupied by James Mack. It was entirely destroyed with all the contents. The fire, no doubt, was the work of an incendiary. We learn the stable of Mr. Eyde, was also fired, but was discovered and put out just in the nick of time.

THE CAUSE.—The cause of delay and issue of a poorly printed SPY Wednesday morning, was the result of an accident to our steam press, breaking gearing, tearing rollers. &c. In consequence we were obliged to work one side of our edition off on a hand press, under great difficulties. The damage was speedily repaired by Messrs Supplee & Bro., and we are again running "smoothly."

Hoofland's German Tonic-Is used for the same diseases as the Bitters, by those preferring a preparation more stimulating. The Tonic is a composition of all the ingredients of the Bitters, to which is added pure Santa Cruz rum, orange, anise, &c., making a remedy of rare value, and most agreeable and pleasant. Principal office, 631 Arch street, Philadelphia, Pa. Sold everywhere by druggists and others.

THE watch stolen from Mr. Augustus Reinochl, of this county, and advertised in the daily Sry, has been recovered. The morning after the advertisement appeared, a party at Litiz Springs were reading our paper and spied said advertisement, and in a few minutes after, the same party procurred the valuable memento from a man who was employed at the Spring's hotel, and returned it to the rightful owner.

THE Lancaster, Harrisburg and Reading papers are complaining about the practice of forestalling the markets in those places. Columbia is also subject to the practice. Winks and words have a magic meaning on our market before the regular hour; and when the bell rings, the innocent individual who has been awaiting to get some of the delicacies spread out before him finds himself a little too late. Sharp practice will prevail.

THE Susquehanna Boom Company at Williamsport, Pa., are reconstructing their schute, under the superintendance of Thos. Farley. They commence at the lower end thoroughly anchored this time and is now leveled up more than one-third of the way. The schute will be extended one hundred and fifty feet further down the river, on a dead level, and will thus empty itself some listance below the bar.

"FOR SEYMOUR, BE JABERS."-The other day, a number of persons in Columbia were judging the age of a mule, which was for sale. After examining his teeth he was pronounced to be 22. A wity "son of the sod" standing by, exclaimed, "Over age, is he? Then, be jabers, there is another vote for Seymour. His kind all pull in that harness." The witty fellow's opinion was adjuded to be correct, and he was invited to take something.

FIRE.-Tuesday afternoon the Town Hall bell sounded an alarm of fire, which soon brought out the fire apparatus and a arge number of citizens. It appears that some person had set fire to a frame stable, in the alley between Perry and Union streets, owned by John Franke, and occupied by Mr. Rodenhiser. The fire was discovered just in time to save the buildingno serious damage was done. The fire companies were promptly on the spot, but they did not get into action.

More New Hose .- The Columbia Fire Company have shipped to New York their combination hose, which bursted on several occasions, and will receive in return two hundred and fifty feet of new hose from the same manufactory. We learn that this is the first case of these hose proving worthless, and the makers will make them good by furnishing new ones without cost to the borough-warranted to stand a very heavy pressure. This addition will add greatly to the efficiency of the company.

STRANGE AND FATAL ACCIDENT .-Wm. Beal, a fireman on through freight engine, No. 373, on Pennsylvania Railroad, was killed at Athensville, on Friday afternoon last. It appears he was standing upon the head-light, with waste in hand, cleaning the engine, when he was struck by a bridge and forced part way into the smoke stack It required the efforts of several men to renove him, and when taken out was quite lead from suffocation and the force of the blow. He was taken to his home at Wes Chester, where he has a family.

LARCENY .- After an exciting chase lown Front and up Locust streets, to Bank Alley, Gettys Miller, a colored boy, aged about tifteen years, was arrested for stealng \$115 from Capt. John Wagoner, of Pine Grove, Schuylkill county, while on the five mile level below Wrightsville, on Friday morning. \$105 was found upon his person; he had spent \$10 for clothing at Rodenheiser's a few minutes before being arrested. The defendant says he lives at Harrisburg. In default of bail Justice Evans committed him to jail to answer at August sessions.

GRANT AND COLFAX CLUB AT MOUNT-VILLE.—At a meeting held for the purpos of organizing a Grant & Colfax Club, at Mountville. Pa., the following persons were elected as officers of the club: President, A. R. Witmer; Vice Presidents, C. C. Seitz, H. Neff; Secretary, J. B. Develin; Cor. Secretary, J. S. Clair; Treasurer, Jno. M.

Greider. The following gentlemen were appointed committee to draft Constituion and By-Laws: Wm. M. Albright, S. S. Clair, Jno. M. Greider, M. B. Kitch, H. D. Arman. After which the meeting adjourned to meet on Wednesday evening, August 12th,

GREENBACKS.—Since the advent of greenbacks, a revolution has been wrought in appliances for carrying money, as well as in the money itself. It is now necessary Long may you float.—Sullivan (Indiana) to have a pocket-book of liberal size and numerous divisions to accommodate the various denominations of currency. A good pocket-book is a desideratum, and what all want to know is where the best can be had for the least possible money. To such we say, go to J. A. Meyers' drug store. His stock has recently been largely increased, at reduced prices.

> WHEN WILL PEOPLE LEARN?-We have received several letters lately of which the following is a specimen: July 31, 1868.
>
> DEAR SIR:—Please send my paper to Junction Post Office.

SAMUEL HOFFMAN. Mr. Hoffman is, most likely, a subscriber to the Spy, but we have neither time nor patience to hunt among, about 3,000 names to find his. He should have stated the name of postoffice which he now receives his paper, as well as the postoffice, county and State he wishes it changed to.

STATE TEACHERS' ASSOCIATION .-- This body will hold its next meeting at Allentown, Lehigh county, on the 4th, 5th and 6th of August. We see by the School Journal that many important questions are to be discussed by able educators. Miss Annie Lyle, of Columbia, and Miss Maria Friday, October 2d, 1868. We understand L. Sandford, of Parkersville, Chester county, will read essays. Teachers in attendance will be returned free over the principle railroads. Hotel rates will be from \$1.50 to \$2 per day. We learn that on these occasions, ladies are generally entertained gratuitously.

> A LOCAL Editor is an individual who eads newspapers, writes articles on any subject, sets type, reads proof, folds and mails papers, prints jobs, runs on errands, saws wood, works in the garden, talks to all who call in the sanctum, receives blame for a thousand different things which are no one's business, but his own, works from 6 A. M. to 10 P. M., or from 10 A. M. to 4 A. M., and receives a very small salary for so doing. There are a thousand and one other duties which it is encumbent upon im to perform, which we will not mention here, but will in "Chapter two i's."

STUBBORN.-Two bull-headed Irishmen vere, on Monday, forcibly ejected from the Lancaster train, between Penningtonville and Parkersburg, on the Penna. Railroad, for persistently smoking in the ladies car. They were several times informed that smoking was not allowed in that car, and warned of the consequence, should they not desist. They heeded not, and their conduct becoming intolerable, Conductor Hambright had the train stopped, and with very little difficulty, the obstinute men ejected, when the train proceeded on its way amid curses and threats to the train crew.

NEW MARKET HOUSE .- The contract for building the New Market House, was, on Saturday evening last, at a special meeting of Council, awarded to Mr. Michael Mr. Liphart, the work will be pushed on rapidly and be completed at as early a day as possible. Our citizens can now congratulate themselves on having a suitable place for market purposes, worthy the rapidly growing city of Columbia.

DROP THAT PAPER .-- Yes, drop it! Too niggardly and mean to subscribe and pay for your paper, which is steadily laboring for the promotion of the welfare of so-ciety—for your welfare—you have been it was established. You are always eager to read it, and frequently before it reaches again, unless you can do so with the proud consciousness that you have a right—a right secured in a legitimate way. If you are too poor to aid in sustaining it, let us know, and we will send you the paper gratuitously.

WHERE TO BUY .- Merchants and storekeepors throughout the country, on visiting Columbia, should not fail to visit he great tobacco establishment of Mr. John Fendrich corner of Front and Locust streets. He has the largest stock of tobacco, segars, snuff, pipes, &c., &c., to be found in the interior of Pennsylvania. Indeed, he sells, wholesale, at cheaper rates than most stores in the cities of Baltimore, Philadelphia or New York. John is fully master of his business. It may be said that the Fendrich brothers are the most successful tobacco-nists to be found anywhere. Our friends visiting Columbia should by all means go and see this great establishment.

Sons or Matra -- It has we learn. een mentioned that Lodge 400, Sons of Malta, of this place, will soon have a grand parade. The Grand Lodge of the State o Pennsylvania made a midnight parade at Reading a short time since. The procession was about two squares in length, and was proceded by the Ringgold Cornet Band. The members of the order were dressed in various costumes, some riding in carriages, others riding on horseback, and the balance on foot. Several banners, containing the Maltese cross, were carried in the procession. The officers carried swords, and wore helmets, plumes, visors, cawls and sashes, presenting a formidable appearance. The nembers generally wore black dominoes, hoods and white gowns. The procession was followed over town by large numbers of men, women and children, and created a good deal of excitement.

PURE WINES .-- If there be one thing more than another in which the American people are imposed upon, it is in the infer or quality of the wines foisted upon them by unprincipled dealers. As a general thing, our people are not very good judges of wine, for it is but recently that the drink has become popular among them. We car assure our readers that the wines, &c. manufactured at the vineyard of Alfred Speer, Passaic, N. J., are perfectly pure and reliable. They have passed the severest tests by competent judges. We know Mr. Speer personally-he is a man of large means, perfectly responsible, meets all his contracts, and we know he would not suffer his reputation to be injured by humbuging the press, the people or his numerous friends. For further information as to the sale or relative merits of these wine bitters or any of the wines manufactured by him, address as above, or call on R. Williams druggist, Front street, Columbia, who has them for sale and can testify to what we say

THE PARADE.-The parade of fireman on the occasion of the reception of the Vigi-lant Steam Fire Engine, of York, Pa., came off on Thursday evening, and was a right snug little turn-out. The famous Hand-in-Hand Fire Company, No. 1, of Philadelphia, arrived at 6:25, and were met at the depot by the Columbia and Vigilant companies of this place, with band of music, engines. &c. The line was immediately formed, and the march commenced over the prescribed route. Each company being well represented, the line was of good length, and quite an imposing appearance was made. The music of the Independent Band, of Manyunk, Phila., which accompanied the Hand-in-Hand, was excellent, as was also that of our own band. After the route had been gone over, the procession halted in front of the "Hivers"

house, on North Second street, where the

companies were dismissed. The visiting

company was then escorted by squads to

the principal hotels, and entertained by the

ville, Pa., July 28th, Major Wm. G. Scott, father-in-law to Col. Wm. G. Case, of this place. Maj. Scott was a veteran of the war of 1812. He was in his 85 year-having been born in the year 1782. He served his country in various capacities, both military and civil-entering the army in 1812 as a lieutenant in the 15th infantry and rose through the various grades to the position of Brigade Major. After leaving the army, he was elected to represent his district in both branches of the Legislature, serving in that capacity for 9 years. He was related to the late Gen. Winfield Scott; and intimately acquainted with most of the public men of his day. A gentleman of the "Old School," noble and dignified in his manner an ardent patriot, and of commanding mind. The loss of this old land-mark of the past, cannot but be regretted.

THE FOURTH ANNUAL FAMILY PIC-NIC, which came off at Litiz Springs, on Thursday, last week, was a happy affair. It was a day of pleasant enjoyment and recreation for both old and young—fun and pleasure being the order of the day. Truly, Liphart, of this place, for the sum of several teem thousand dollars (\$17,000), being the lowest of several bids. The work on the this region to enjoy a few hours, away from the thrift and business of every day life. turns of this glorious occasion, to which our loved ones look forward to with such blissful anticipations. The party partook of a special dinner at the Springs hotel, now kept by Geo. T. Grider; and to say it was not enjoyed, would be making a statement in direct opposition to the expressed sentiment of every one who enjoyed the rich repast. Every thing was there in abundance, well seasoned and well cooked, and the waiters attentive and pleasant. It is one of the best dining halls in the State-large, sponging upon your neighbors ever since airy, light and clean. In fact, the hotel is well kept throughout, and with such mer as Mr. Grider, assisted by Capt.
