Red Men's Parade.

This organization made a grand parade in Philadelphia on Monday. This body is one of great respectability. In its ranks are citizens of every grade. Gentlemen with their million, walk side by side with the men who opens their store doors in the morning, and close them at night. The principle of the Red Men is the principle of fraternity. In social life there are, as there should be, distinctions. Inside the portals of a Red Man's lodge, and the equality that of the primitive children of Father Adam. There was an especial appropriateness this morning in the Red Men's parade. The line composed at least four thousand people, most of whom were German Americans. They moved with music and banners, the officers of each lodge attired in the guise of the aborigines of the forest, with tomahawk, bow and arrow, wampum on hand, moccasin on foot. Their streaming, disheveled hair called back to memory the days of King Philip sitting upon the council mound beside the moss-clad, rocky wall weeping with crystal springs. It brought back to the memory of the aged patriarch in the line, the glen down in the valley, where the red-deer wander and the children loved to play, where omnipotence brews the precious essence of life—the pure, cold water. The Red Men enjoyed a delightful time. They had a splendid picnic at Oakdale Park. Their march through the city was met at every step by the plaudits of the multitude. They were lauded *ad nauseam* by an approving people.

Indian Troubles.

St. Louis, Aug. 17.—A dispatch from Salmon City, Kansas, dated Saturday, says: The Indians were reported to be within 28 miles of that place on Friday night. Early Saturday morning, their strength is variously estimated at from six to fifteen hundred, and they are reported to have declared that they were going to clean out the settlements on all these streams. Women and children are coming in very fast and the town is nearly full of refugees. It is creditably reported that a detachment of soldiers had an engagement with Indians yesterday, between the Solomon and Saline Rivers, in which the soldiers were whipped. Nearly all the settlers north of Asher Creek were surrounded. We know of eight persons killed. Excepting those that are surrounded, all the settlers for thirty miles along the Salmon River have been driven off. Governor Crawford came up from Topeka to-day, and is now in Saline organizing the militia. One squad has gone from this place to the relief of those up the river. Others will go as soon as arms and ammunition arrive from Topeka. A body of Indians are now moving towards Republican valley.

The "Kluxluxers" in Tennessee—Frightful Murders.

The murderous villians and supporters of Seymour and Blair in the South, are committing some of the most dastardly acts ever known in a civilized world. A dispatch from Nashville says: On Saturday night, about two o'clock, a party of some fifteen masked horsemen rode into Franklin, in Williamson county and broke open the doors of the store of a Jew named Bierfield, a radical. Bierfield, as soon as he saw the masks, attempted to escape by flight, but was fired upon and fell dead, pierced by five bullets. Lawrence Boroam, colored, Bierfield's clerk, was shot and run off, but was found during the night in a loft, where he had taken refuge, and died this morning. Bierfield's body has been brought here for burial. Who the maskers were, or whether they were supported by others, is not known. This affair occurred just after the close of a theatre exhibition, and while many people were on the streets, some of whom inferred, but could not prevent the assassination. The affair has created intense feeling in Franklin.

The Fashions.

The Fashion journals inform us that chignons are to be worn longer than ever next fall and winter, and as the decree has gone forth, we suppose that it will be even so. As a portent of what we may expect, and as an indication that matters has concluded to be on the side of fashion, a recent occurrence is significant. A woman in Massachusetts, not long ago, gave birth to a female child, on the back of whose head was a protuberance, perfectly resembling a waterfall. Even the marks of the ribbon with which such natures are usually tied on, were plainly to be discovered upon the child's neck.

Those who filled the nation with widows and orphans now seek to rule the republic by electing Seymour to the Presidency.

HAIR PREPARATIONS.

HALL'S

VEGETABLE

SICILIAN HAIR RENEWER

HAS STOOD THE TEST OF SEVEN YEARS

BEFORE THE PUBLIC;

And no preparation for the hair has yet been discovered that will produce the same beneficial results. It is an entirely new scientific discovery, combining many of the most powerful and restorative agents in the VEGETABLE KINGDOM. It restores

GRAY HAIR TO ITS

ORIGINAL YOUTHFUL COLOR.

It makes the scalp white and clean; cures dandruff and humors, and falling out of the hair; and will make it grow upon bald heads, except in very aged persons, as it furnishes the nutritive principle by which the hair is nourished and supported. It makes the hair moist, soft, and glossy, and is unsurpassed as a HAIR DRESSING. It is the cheapest preparation ever offered to the public, as one bottle will accomplish more and last longer than three bottles of any other preparation.

IT IS RECOMMENDED AND USED BY PHYSICIANS AND NURSES IN THE FIRST MEDICAL AUTHORITY.

The wonderful results produced by our SICILIAN HAIR RENEWER have induced many to manufacture preparations for the Hair, under various forms and names, in order to intrude the trade and the public to purchase their compounds, they have resorted to falsehood, by claiming certificates, forged names, or had some connection with our Mr. HALL, and their preparation was similar to ours. Do not be deceived by them.

Purchase the original; it has never yet been equalled.

Send for Treatise on the Hair, with certificates, sent free by mail.

See that each BOTTLE has our private REVENUE STAMP over the top of the bottle. All others are imitations.
