THE LAST INVENTION .- " Chewing paper? is the latest invention of the con-fectioner, intended to take the place of chewing gum. It is inade of slippery elm, etc., and comes, in strips about an inchwide and three inches long.

STEEL RAILS .- The Reading Railroad Company are relaying the curves of their road, where the heaviest wear and tear 'occurs, with steel rails. The rails are imported from Manchester, Eagland, and, it is said, will outlast ten ordinary iron rulls.

Fire Engine Company, on Saturday last, purchased a hose carriage, from the Junior rire Company, of-Reading. The present carriage of the Columbia will not carry enough hose, hence, the purchase. They will run both carriages.

ACCIDENT .- A man by the name of

Briggles, of this place, whilst coupling cars,, on the Pennsylvania Railroad, at Gap Staion, Thursday morning, was caught between the bumpers of two cars, crushing his right arm. He was brought to town in the mail train, yesterday.

WOMAN'S SPHERE Some careless man, who, left his horse and buggy out doors and had it broken by a passing vehicle commanded by a woman, intimates that driving is not a woman's sphere. We agree with him unless she drives well; but she is generally an adept in that business.

POTATOES. Some of the farmers are apprehensive that the potatoes are going to rot again this season. ! We have heard that the disease has not yet manifested itself, but the appearance of the vines is said to indicate its return. The weather recently is thought to be unfavorable for developing grand-children, thirty-three great-greatthe rot.

WORTHLESS HOSE .--- We find the fullowing in a Reading paper, which shows that the combination hose are not the "tick" At the fire yesterday afternoon, several more sections of the New Gum Hose burst provoking a goodly number of the firemon who wonted all the water that rai through the plugs to squirt on the fire.

THE DIFFERENCE .---- There are two orders of Red Men in this State-one known as the Independent and the other as the Improved Order. In the former the membership is confined almost exclusively to the Germans, and "the work" of the order is in that language. The Improved Order is composed of those who work in the English language.

HARVEST HOME A Harvest Home eld in the grove of the Hephzibah Baptist Church, near MéWilliamstown Chester county, Pa., on the 28th and 29th of this month. Dinner, supper and other refreshments served on the grounds. Proceeds for the benefit of the church. A brass band will be in attendance, and eloquent speeches may be expected on the occasion.

FRAUDULENT .- We are informed that the State is infested with a set of traveling agents, who are selling to unsuspecting and inexperienced merchants an inferior articlo of illuminating oil—nothing but pure benzine. This reveals the mystery of so many "oil explosions," which nearly always re-sult fatally. Merchants should beware of these imposters, and avoid being defrauded. ... Tis even better to pay a tritle more, and get good, reliable oil.
