PREACHING.—There will be preaching at the Reformed Church to-morrow morning at 10 o'clock, by the pastor, in German. Preaching in the evening in English.

GERMAN BALL.—A German citizens' ball came off at Odd Fellows' Hall, Monday evening. Nothing, we believe, transpired to mar the occasion. Lager flowed freely.

CAVED .- The arches of the cells being built beneath the new market house, caved in Thursday afternoon. Fortunately, no the workmen removing the props.

"Young America."—A vote taken at the Washington Institute School, in this place, yesterday, resulted as follows:—For Grant, 61; for Seymour, 14. We are glad to see the boys so early in their attachment to

BROKE DOWN.—A wagon loaded with lumber, gave way at Front and Locust sts., Wednesday evening, dropping its contents in corner, as similar accidents have recently occurred there.

LAYING. TRACK .- The Cecil (Md.) Whig states that the Columbia and Port Deposit Railroad Company, on the 6th inst., commenced laying the rails on the rout to Octoraro Creek, (the inteded terminus,) the road having been graded to that point.

Local News.—During the excitement and labor incident to the approach of an election, we have unavoidably neof an election, we have unavoidably ne-glected our local department for the past He ran up stairs at once, and found the week. ARRESTED.—The following persons were arrested in Lancaster on Tuesday last for attempting to cast illegal votes: Wm. P. Rife and Wm. Parker in the First Ward, A. J. Newby and Brainard Warner were arrested for voting illegally in the Second Ward. They were Democrats, says our informant.

LAYING OF CORNER STONE .- The 'United Brethren in Christ" (under the charge of W. S. II. Keys) will lay the corner-stone of a new Church on next Sab-bath (18th inst.) at Highville, Manor township, about three miles North of Port Deposit, this county. Distinguished ministers will be in attendance. Services at 10.A. M. and 2 P. M. The public are invited to attend.

IMPROVEMENTS. - We notice with pride the many improvements now going forward in this borough. A walk around the suburbs will amply pay anyone. Buildings are going up on every hand, and the demand is still unsatisfied. Most, if not all, of the buildings being erected are of brick, and of such a class as will meet public want. We are glad to see such a spirit prevailing:

"PENNSYLVANIA-REGAINED."-These words were inscribed upon a transparency belonging to Brigham's shoulder-hitters and intended to be used on Wednesday evening last, in honor of a Democratic victory. Brigham, your inscription has proved premature. You'd better send the "Pennsylvania Regained," over to our Tanner's Club, it would look well in company with

COOL WEATHER .- Now that the cool weather is approaching, it behooves all men and boys to look well to their apparel. At the cheap store of I. O. Bruner, may be found a splendid assortment of clothing, at chenper rates than has been offered for many years. Go and examine before prices get higher. Another new lot of boots, shoes, &c., just received. Call and examine, Front street, above Locust, Columbia.

LEATHER MEDALS, -At the next editorial convention, a resolution should be passed, voting Gen. Win. S. Patton, P. Fraley, and other election officers a leather tnedal, for the insult shown the press in refusing reporters into their august presence while the vote was being counted. To be an election officer is a very big thing, and we think they should be rewarded. Reporters have rights that these ninnyhammers do not know of; but, "where ignorance is bliss," &c.

The smoke of the first battle having listed, the defeated party is nerving itself for the contest of November. During the excitement of the fight, many a cough and pain have been neglected, and in the quiet after the storm it is becoming painfully evident that they demand attention. To the suffering we would say that at the drug store of J. A. Myers, Odd Fellow's Hall, may be found Cough Medicines and Pain Killers, of all popular kinds. Careful attention to the public want is given, and should any of our readers require any drug suplied at the Family Medicine Store:

Mr. S. S. Stevens, then of Bangor, received an order from his son, mailed at Honolulu, Sandwich Islands, that letters for him be sent to St. Helena. A letter containing a ten dollar greenback, was dispatched thither, but, owing to the change of purpose the son was not there to take it from the post-office. In course of time it was returned to the Dead Letter Office, Washington, from which, a few days ago, Mr. Stevens received it, with his greenback in a good state of preservation, after an absence of five years. We fear some of our delinquents forward the money due us to St. Helena, or some other foreign port. To such we would say, we have moved. Our

address is Columbia, Pa. THE NEW POSTAGE STAMP.—The Postmaster General has just awarded the contract for the supply of stamps to the department for the ensuing four years to the National Bank Note Company of New York. The new stamps will be somewhat smaller than those in use at present, but they are of a superior style and finish, with a novelty in design. The two cent stump contains an engraving of a post-boy on horseback in full speed. The three cent has a locomotive under full head of steam, the great carrier of our domestic service. The five cent stamp contains a head of Washington. The ten cent stamp, the inest of all in design and execution, has a miniature engraving of the Declaration of Indépendence, executed with such delicacy and precision that the picture suffers nothing under a magnifying glass. The twelve cent stamp has an ocean steamship, and the thirty cent has a finely executed engraving of the surrender of Burgoyne. When it is considered that over a million stamps are issued daily, the importance of this contract is at once evident.

ALMOST A SERIOUS FIRE. - Saturday evening last, about 7½ o'clock, fire was discovered in the upper story of the residence of Mr. Hiram Wilson, corner of 2nd and Locust streets. It was seen by Christie Kaudman, who happened to be coming along Locust street at the time. He called on Mr. Wilson, telling him his house was on fire. "O, I guess not," said Mr. Wilson, but at the same time starting to see, when he discovered a bright light, and putting it out by stamping the burning matter with his feet, and smothering it with a coverlet, when some of the neighbors came in and succeeded in getting the flames entirely subdued, thus preventing a very disastrous conflagration. No very serious damage was done. A lot of clothing, &c., was burned. The fire engines were soon upon the ground, but did not get into action. The origin of the fire remains as yet a mystery.

A young man named George Fetters, a resident of Fulton township, this county, was killed on Saturday last from the effects of a kick received on his head from a horse. The kick was of sufficient force to fracture the skull of the deceased, who remained insensible from the time he received the injury until the time of his death which took dace on Sunday night at about nine o'clock. No one was present when the necident occurred and the manner in which it happened is therefore unknown.

An unusual quantity of wild pigeons have visited our County this season. Last week and week before immense strings of them were shot and brought home by our sportsmen. Flickers are also said to be very plenty this Fall.

A number of white mice were on exhibition at our fair last week. They attracted quite a crowd around them, who were much pleased with the beauty and performances of the little invortes. Their eyes were red and their fur as white as the snow. One of our express wagons on Thursday last contained a live grey wolf but to whom it was consigned we did not learn. It had rubbed the hair and skin off one side of its head, in its efforts to escape from its confinement, which gave it a terribly savage appearance.

Of course the favored participants in this cheap living were Copperheads dyed in the wool, and had claims upon the sympathy and good fellowship of the officers who run the concern. How much of the \$6.25 old rye whisky was thrown in by way of variety, our informant did not say.
