Columbia, Pa. Saturday, May 15, 1869.

Advertisements, to secure immediate in-section, must be handed in on or before Thurs-day evening, each week. "WHAT day has the G. A. R. set for the

decoration of soldiers' graves? GOOD FRIDAY was by an act of the last Legislature of this State made a legal holli day.

THE exterior of the Reformed church is being improved by an application of paint.

MAIN water pipes of huge dimensions. are scattered promiscuously over the upp e part of the borough.

SHOCKING .- It is said to be a fact that nearly every woman in this town has or more "skeletons" in her closet.

THE Manheim National Bank has declared a semi-annual dividend of five pe cent.

As a robin kills eight hundred flies in an hour, the general introduction of the bird would be productive of much comfor to our citizeus this summer.

CHANGED .- Silver Spring Station, on Reading and Columbia Railroad, has been changed to "Bruckhart's Station," and will be designated as such on the time tables of said road.

EXCURSION .- The Reading and Co-lumbia Railroad will issue excursion tickets at reduced rates, for Whit Monday, 17th inst., good on all regular passenger trains, to all points and return.

"BEES."-We suggest that every "Hiver" participating in the firemen's parade at Harrisburg, wear a "bee;" to be had at J. L. Wright & Co.'s book store, No. 262 Locust street.

THE UNION PACIFIC RAILROAD.-In another column will be found an editorial on the Union Pacific Railroad, giving a full account of the rise, progress and completion of this great work.

HOUSE CLEANING HINT .- Many persons destroy their window sash endeavoring to remove old putty. This may be obviated by applying a bot poker to the putty, which will then readily yield to the knife and leave the sash clean.

THE NEW MARKET HOUSE .- There are one hundred and forty-four numbered stalls in the new market house, a few of There are also a number of side benches and hooks which apparently are not very saleable, owing to their position.

INSTALLED .- Rev. B. F. Witherow was installed as pastor of the Presbyterian church, of this place, Wednesday evening last. The exercises were conducted by Revs. Robinson, Spade and Rittenhouse which were quite interesting and witnessed by quite a number of our citizens.

ARRIVED HOME .- Col. W. G. Case arrived in Columbia on Tuesday evening enjoying good health. He left Liverpoo on the 2nd inst., in the Steamer Cuba During his stay in the old world, he traveled over a great portion of the continent His visit was purely of a business character, spending the most of his time in Lon-

FIRE .- A slight fire occurred Wednes day evening at the trimming store of Mrs. Beiter, No. 149 Locust street. Some goods caught from the lighted gas in the window. It was extinguished before any great damage was done. Loss about fifty dollars. Insured in the Columbia Insurance

Company. RAILROAD MATTERS. --- Superintendent it Engi neer, and other officers of the Pennsylvania Railroad, arrived here on Monday last in a special car. They proceeded to York, and on their return took a birds eye view of the Wrightsville end of the Columbia bridge. It is rumored that important changes will be made there. ----THAT RINGLET .- The solitary ringlet which fleats from so many waterfalls is a notification on the part of the wearers that they are not engaged. If it is extremely long, the wearer is supposed to be very desirous of getting spliced at once; it only moderately long, it shows that only good offers will be entertained; an extremely short meager ringlet indicates that the wearer is very particular as to whom she accepts. SWINDLING .- The proprietors of the Lycoming Standard have been swindled out of a printing bill amounting to about fifty dollars, by one Hower, a vendor of "Novelly Card Racks." The scamp got credit by representing that he had three hundred dollars in a bank in Williamsport We are sorry for our friends of the Standard: but then they should do as we do-money down, from all such fellows before a type is set. Our brethren of the press should keep their eye preled for the Card Rack Man. The Standard says he hails from Marietta. -----NORTH PENNSYLVANIA RAILROAD AND PHILADELPHIA Inquirer .- For some petty notion of the President of the North Pennsylvania Railroad, he has withdrawn the Company's advertisement from the Philadelphia Inquirer, and excluded the sale of that paper on the line of the North Pennsylvania Railroad, which policy we think a very unwise one. The Inquirer puts forth some very severe criticisms on the President and the management of said road. All of which, we say, serves them right. If Mr. Comly is vain enough to think he can break down the Inquires by excluding the sale of that paper from his road, he is very much mistaken. OFFICES ENTERED BY BURGLARS.-Supt. Allison, of St. Charles' Furnace, this place, informs us that the office of said furnace was entered, through a window, by burglars, on Friday night, last week, who • were apparently in quest of nothing but stamps; there being a suit of new clothing and other valuable articles in the room, which were not disturbed. There was no fact to the constable, who will arrest them. money in the office consequently the scamps got nothing for their trouble. On the same evening, the offices of James Cook and Hostetter & Smith, Wrightsville, were broken into, and fifty dollars abstracted from the safe of the former. Two suspicious characters were arrested on Saturday morning and taken to York. WHITSUNTIDE .- Next Sunday will bring around Whit Sunday,—the seventh Sunday or fiftieth day after Easter, a festival instituted by the Church in commemoration of the descent of the Holy Spirit on the day of Pentecost. It is called Whitsunday, or White Sunday, because in the primitive Church those who had been newly baptized appeared at Church, in the interval between Easter and Pentecost, in white garments, thereby typifying that spiritual purity wrought in the converts by spiritual baptism. The following day is by moderns termed Whit Monday, and is pretty generally observed by the young lads and lasses in the country as a holiday, on which their usual avocations are suspended and a visit paid to town in holiday attire, and the day spent in such amusements and manner as the tastes of the visitors may dictate.

WANTED-Two or three good printers, CHILDREN'S FAIR .--- A children's fair will be held in the office of the Columbia tables with the fat of the land. Gas Company, on Monday and Tuesday evenings of next week. The proceeds to be EAGLE SHOT .- Mr. John M. Martiu given to the Children's Home, at Lancaster of Manor township, recently shot a very large gray engle in David Martin's woods, two miles from Millersville. The engle measured seven feet from one extremity Let our citizens encourage the little folks in their very laudable purpose.

SHAD .- The best shad are now picked out and sent off before any are offered for sale on our streets. Such was the case Monday morning. The reversions were only offered, and ihey at ninety cents per pair. If buyers will submit to this impo-

sition, all right. " Hickory shad" at ninety cents per pair is a little more than we. at least, can stand.

THE first excursion of the season to At-lantic City will take place on Monday, June 21st, on the occasion of the opening of the new Excursion House, recently built, and of which S. C. Konigmacher, Esq., late of this county, is Superintendent. The excur-sion is gotten up by the cottage residents and hotel keepers at Atlantic City, and will be looking about your wardrobe for a change in your apparel, and also for a place to purchase nice, good clothing, at cheap rates. We can inform you where to buy, and that is at the store of I. O. Bruner, Front street, Columbia. FLOWERS ON THE GRAVE .- The early ustom of decorating the grave with flowers prevailed among the Greeks and Romans The epitaph of the greatest of Grecian poets, the celebrated Sophocles, written by Simonides, proves that such a custom of honoring the illustrious dead then existed:

The industrious defind then existed: "Wind gentle overgreen to form a shado Around the tomb where Sophocles is laid, Sweet ivy, what thy boughs and interwine With blushing roses and the clustering vino ; So shall thy lasting leaves, with beauty hung, Prove a fit emblem of the days he suog." This ancient custom, observed to a great

extent in our own community at the present time, and honored each year by the Army of the Republic, is fraught with the most delightful associations, and induces an elevation of sentiment and a poetry of feeling

"FIRST IN WAR, FIRST IN PEACE, AND FIRST IN THE HEARTS OF THE COUS-TRYMEN."—That's not G. Washington for he's dead. But it is Oak Hall, the big Clothing House at Sixth and Market Sis., Philada. In war times it took strong hold upon the affections of the people, because it kept as near as possible to old prices, and in peace it increases its popularity by the excellence and ever increasing cheapness of its clothing; but it is enthroned in the hearts of the "countrymen" because country trade is its specialty. ARRESTED FOR RAISING FALSE ALARM OF FIRE.-On Thursday afternoon, EDUCATIONAL.—The examination of the graduation classes of the several State Normal Schools, by Prof J. P. Wickersham Superintendent, will commence on the twenty-fifth of this month. The examina-tion of the Miller-ville School will com-mence on Tuesday, July 6th, at 9 o'clock A. M. The Board of Examines will consist of Principals Ermentrout, Allea, Carver and Brooks, the State Superintendents or Depu-ty, and the county Superintendents of the counties of Lancaster, York, and Lebanon. The Ninth Annual Meeting of the Na-tional Teachers' Association will be held in the eity of Trenton, N. J., on the 17th, 18th, 19th and 20th days of August, 1850. The National Association of School Superin-tendents and the Normal School Associa-tion will also hold their annual meetings in Trenton on Monday and Tuesday of the EDUCATIONAL .- The examination of Caleb Morris, a colored boy about fifteen years of age, while passing along Fifth street, was heard to say "let us raise a cry of fire," and immediately started the alarm, which of course congregated together a number of disorderly persons from "Tow Hilt." Justice Evans promptly issued a warrant for his arrest. McGinnis arrested and took him before the Justice, who committed the defendant to jail for ten days, for disorderly conduct. After the party had been sent to the lock-up, it was ascertained that he was suffering from an attack of diarrhea, in consideration of which, and

bail given for his good behavior, the Jusice remitted the sentence. Let this be a warning to the idle boys who felight so much to raise false alarms of fire, for the purpose of seeing the fire engines out, and the town in commotion. There is a determination to stop this petty rascality, and we hope that the citizens who may detect any one in the act of giving false alarms, will at once give information of the

The language of nature and experience demonstrates that whoever would enjoy the pleasures of food, the benuties of landscape the joys of comparionship, the riches of liter-ature, or the bonors of station and renown, must preserve their health. The effect of foul injurious food, entering the stomach, is to derange the digestive organs and produce headache, loss of appetite, unrefreshing sleep, low spirits, feverish burnings, etc., which are the symptoms of that horrid di-sense, Dyspepsia, which assumes a thousand shapes, and points toward a miserable life and premature decay. Plantation Bitters will prevent, overcome and counterrate all of these effects. They are with funering power, and are taken with the pleasure of a beverage.
