ARRIVED HOME .- Lieut Thomas M. Sisher, who is attached to the 23rd United States Infantry, stationed in Oregon Territory, arrived home on Monday morning, seven days from Sacramento, California. He came via Union Pacific Railroad. This may be counted a very quick trip. He is looking hearty and represents that country and climate as serene and healthy. He will remain home amongst his friends some months ere he again joins his regiment.

Addresses appropriate to the occasion were delivered by Revs. Olewine and Wenyer There were over six hundred persons in the procession.

OFF THE TRACK .- The Columbia Ac commodation, by some, called the "jerkwater train" which leaves Columbia at one o'clock P. M., ran off the track when ap proaching Lancaster on Monday last. No one was hurt as the train was running very slow at the time; but the engine was somewhat damaged. The accident was caused by a switch being left open near Bitner's warehouse. We do not know who is to blame for the great blander; perhaps both the freight conductor and the dispatcher at Lancaster. Had the train been running fast a fearful loss of life would have been the result. .The passenger trains, both east and west, were detained about two

THE auger used by the burglarious individual who bored several holes in the iron safe of the Susquehanna Iron Company, a few nights ago, must have been case-hardened; or as hard as the numskull of the upstart who bores his readers vith a very small auger. How are you, Steven.

THE PUBLIC SCHOOL PIC-NIC .-- The pic-nic of the Public Schools, of this borough, which came off Thursday, at Litiz Springs, was a grand success. About three hundred children participated, with teachers, principal, Prof. Newpher and school directors. They arrived home in the evening, about six o'clock, all highly elated with the day's enjoyment.

THE PUBLIC GROUND COMPANY .-- We have not had the pleasure to learn anything respecting the affairs of this Company, as we had hoped from the inquiry made some time ago. There is an increased anxiety to know the nature of the gift made by Mr. Wright-and the ultimate object of the managers. Rumor says that some of them design closing the institution as a school or place of education, and appropriating the property to an entire different purpose. We can hardly think this to be true, but if it be so, the citizens of old Columbia will not generally approve of it. A little light on the ubject from those who are better informed

repairs are made, the Pennsylvania Central train will then run through to York, leaving York every morning at 7 A. M. for Philadelphia, and returning same evening.

"The powers that be" seem determined not to yield to the request of our borough authorities and our citizens generally, to give us one of the through trains east and west, morning east and night west. This would be a great accommodation, an I is the subject of much comment.

ROBBERS ABOUT AGAIN .-- An unsue cessful attempt was made to rob the safe of the Susquehanna Iron Company, on Monday night last. They bored several holes in the door and tampered with the lock. The robbers, no doubt, thought that the 1st of the month was pay day, hence their attempt to "go for the money." There was no money in the safe, neither do they keep any there. An attempt was made to rob the same safe about two years ago. An attempt was also made to get into the safe of Ephriam Hershey, on Monday night. They used powder and a pointed bar, without effect. The bar was left in the office, also chain and a funnel, the latter was used to get powder into the keyhole. They "went through" several drawers but found nothing valuable. No doubt but "Old Ironsides" is keeping his eye peeled for the

TERRIBLE ACCIDENT.-Samuel Nunemacher, a brakeman on Columbia and Harrisburg local, was killed on Thursday last at Shaffner's Siding, near upper station, Marietta. He was brakeing with a low side brake, when he fell and the train passed over him, terribly mangling his ody and causing instant death. Esquire Roath held an inquest on the body, and the following verdict was rendered: That he came to his death by accidently falling from the cars while in the discharge of his duty. His body will be taken to Reading on Saturday morning for burial. This sad affair is universally regretted. He was extensively known in this region-has a wife and four children and was a faithful well-doing man-highly popular and liked by every one. To be taken away so suddenly from earth's sphere, and an interesting family, is sad, indeed. This shows that the greatest caution should be used by the men employ-

ed on those "death traps." We learn he had his life insured in the Guardian Life Insurance Company of New York, for \$5000.

THUG TELL TALES .- The recent upsetting of the "set-up" gentlemen who were trotted out by the thugs, has produced some bad blood amongst the faithful, and caused some tales to be told out of school, which to outsiders were amusing, but which may turn out to be rather a serious aflair to the parties concerned. PORT DEPOSIT.—The Cecil Democra states that sixteen trains now run daily to and from Port Deposit, and the long dis-pute between the Columbia and Port De-posit and the Philadelphia and Baltimore Central Railroad Company has at length been satised, and the connection between Port Deposit and Philadelphia by this route has been established.

RAILROAD EXTENSION .- The Cumber RAILROAD EXTENSION.—The Cumberland Valley Railroad Company have at length definitely decided to extend their road from this place to Williamsport, and have during the past week been engaged in arranging and paying the damages for right of way. This done, work will be immediately commenced and prosecuted with vigor.—Hagerstown paper.

The branches of this "Oak" are far-spreading and shady. A NEWSPAPER THIEF .- John Fitz A Newspaper Thier—John Fitz Simons, of Newburyport, Mass., was convicted on Saturday last for stealing a copy of the Herald from the door of a subscriber, and ordered to pay a fine of \$9.00 and costs. The Herald says they have been annoyed a long time by the depredations of newspaper thieves, and propose to follow up legal proceedings till the nuisance is abated.

We have the same trouble in Columbia, and scarcely a day passes without some of our subscribers having their paper stolen. If we can only catch the scoundrels they shall be served in the same manner as the above described.

Such a man don't deserve the benefits of Life Insurance, and, unless his eyes are opened in some way, he isn't likely to receive them. But it is curious to note the fact, that all men who are not interested in this matter are those who do not know anything about it; and that as soon as an intelligent man comes to be at all familiar with the workings of the system, he acknowleges it to be a good thing, and a thing he would like to be interested in, whether he goes into it or not. ROBBERY.—On Saturday week, Mr. John Supplee, of Tredyffrin, discovered that he had been robbed of over two hundred dollars. It seems that in April last Mr. S. hired a man, who was a stranger in the neighborhood, to work for him, and the family being frequently from home, the man had things pretty much his own way at such times. Mr. Supplee was the administrator to an old lady who died hat fall, and among her effects were two or three hundred dollars in gold and silver, which was kept in an old chest, and the key in the pocket of a vest, hanging on the wall. WHY ARE YOU SO NERVOUS?—Let us resolve the question. It is because your organization is naturally delicate, or you make it so by violating the laws of nature. Life is a burden to tens of thousands of human beings only on account of the indulgence of their appetites and passions. As an appropriate and legitimate penalty they are suffering from nervous irritability, irregular sensations, uncontrolled impressions, unfounded uneasiness, restlessness, qualms, misgivings and despondency. Their tears will flow or laughter break out unprovoked by sorrow or joy. They are victims of hidden diseases which produce this fluttering state of animal spirits. Is not this your condition?
