ROBBERY AT HARRISBURG.—Some robbers entered the jewelry store of C. A. Aughinbaugh, in Harrisburg, on Thursday night, chloroformed the clerk, and carried off \$3000 worth of jewelry.

Too MANY TO BE USEFUL .- Mrs. Catharine Harley, of West Whiteland, Chester county, is in the possession of a young chicken which has four legs. Two are perfect, and the other two are attached to one of the perfect legs.

TEST OF HONESTY.—Newspaper subscriptions are infallible tests of men's honesty. If a man is mean he will cheat the printer in some way-say that he has paid when he has not-or sent money which was lost by mail-or will take the paper and will not pay for it, on the plea that he did not subscribe for it, or will move off, leaving it to come to the post office he has left.

Purchased.—The congregation of St. Paul's Protestant Episo place, have purchased of H. F. Bruner and William Clark, a lot of ground on the north side of Walnut between Second and Third streets, on which they propose erecting a parsonage, at some future time. The Presbyterian congregation have also

nurchased ground on Walnut street, for a parsonage.

SERENADE .- We were favored with several pieces of fine music by that excellent body of musicians, the Columbia Silver Cornet Band, a few evenings since, for which we are very thankful. The music of this band is acknowledged not to be surpassed by any similar organization in the county, having made great progress recently, attaining we might say, nearly the point

Sr. Peter's Church.-The devotion of the forty hours will commence in the above church on next Sunday, the 13th of this month; and at the eight o'clock Mass on same day, the Rt. Rev. Bishop of the diocese will give confirmation. The pasto: expects a large number of clergymen to assist him in the confessional, and with the other religious exercises. A sermon will be preached at seven and a-half o'clock on each of the evenings of Sunday, Monday and Tuesday.

DROWNED AT MARIETTA.—Henry of renewed youth; who have ears to hear the unrestrained outgushing of the melody of joyous birds, as they sing their morning the Susquehanna river, at that place, on Sunday last. Labarre, with several other colored men, went over the river on a pleasure trip, and when returning attempted to change hands at the oars, when the boat capsized. The parties being under the influence of liquor, lost sight of Labarre, who went under, in trying to save their own precious lives. The balance of the crew were rescued by a boat coming out to their assistance. We believe Labarre is from Lancaster city.

COAL OIL SPRINKLERS—MALICIOUS MISCHIEF.—We noticed the fact, some time since, in the Spy, that some malicious miscreant followed up a group of young ladies who were promenading our streets during the evening, and threw coal oil over portions of their toilettes, thus ruining and for further service. On Sunday last, no doubt the same party repeated the spiteful operation, whereby a Miss Breneman residing on Locust street, and others were made the victims of the vile perpetrator. How long is this shameless business to last? Let detectives be put on watch, and if the wretch be caught, deal the full extent of law to him, summarily.

Excursion. - An excursion party from Philadelphia, consisting of the Directors of the Tidewater and Susquehanna canals, together with a number of invited guests, arrived in Columbia on Wednesday evening last, en route for Havre De Grace, Md. The party put up at Black's Hotel, key, for Wrightsville, where they were joined by a number of prominent Baltimoreans, when they entered the Tidewater elephant, being nearly the same color. He

FOURTH OF JULY .- The anniversary of American Independence comes this year on Sunday. Then question will then arise what day is to be reserved for the celebration? It has in such cases been the custom to celebrate on Monday, the day after. This, we think, is a mistake for several reasons. First, the preparations for the anniversary are generally made the day before and the boys begin to celebrate about dark on the evening of the third. This cannot be done on Sunday with propriety. The day after the 4th is the one when everybody is willing to rest and recuperate. If Saturday is the day all preparation can be made on Friday. The boys may begin on Friday night. All may rest on Sunday and return to labor and duty quite fresh on Monday. What say the people of Columbia? Shall the holiday be on Saturday?

Notice to Bridge Builders .- As complaints have been made that the bridges in Lancaster county have always been given out on private contract to pets and favorites and no fair opportunity given to others, we would notify all that the Comnissioners have duly advertised, that "sealed proposals" will be received until Monday, June 14th, at eleven o'clock A. M., for the erection and completion of either a wooden or a stone bridge across Conov creek, at or near Ridgeville, in Conoy township. Also at the same time and place, sealed proposals will be received for the erection and completion of a wooden bridge across Chicquesalunga creek, at or near John Forry's between the townships of

West Hempfield and Rapho. Plans and specifications can be seen at the Commissioners' office, in Lancaster. Proposals must be accompanied by good and sufficient security for the faithful performance of the contract. The Commissioners reserve the right of rejecting any or all of the proposals: Those who desire to build can make their offer, and failing to do so, let them hold their peace if the contracts are awarded differently from their expecta-

SPECIAL MEETING OF COUNCIL.—Couneil met Friday evening last, 4th inst., at 8 o'clock. Present, Upp, Detwiler, Hippey, Nourse, Shreiner, Supplee and Dr. Craig. The latter acted as Secretary in the absence of Mr. Richards.

Mr. Supplee offered the following resolution which was adopted: Resolved, That the Market Committee be requested to have the ordinances relating to makers revised, and that they furnish each member of Council with a printed copy of their report, at least three days before the next stated meeting.

On motion of Dr. Craig, Council instructed the Chief Burgess not to enforce Section 3 of the borough ordinance, relating to markets, until after next regular stated meeting of Council.

[According to this, persons can sell at their stalls till market opens, then deliver the goods to the purchasers. This is progressing Mr. Shreiner offered the following resolu-

tions, which were adopted: Resolved, That the Paving Committee be instructed to lay the pivement around the market property, fronting on Locust street and Third street.

Resolved, That an order be granted to Mr. Liphart for one thousand dollars, on account of the new market house.

Howell, Grand Captain Eminent Commander, of Columbia Commandery, No. 13, of Lancaster, Penn'a, and a large number of Sir Knights of other Commanderies, assisted in the ceremonies: after which the following officers were in-

Cyrene Commandery starts under very Davorable uspices, and we prophesy that in one year it will stand in point of excelof work as amongst the best Commanderies in the State. Starting off with more than twenty-five candidates for the Orders, and a large membership who have withdrawn from other Commanderies, she must succeed without a shadow of doubt. About the 18th of the present month, a Chapter of Holy Royal Arch Masons will be instituted here.

A RIDE INTO THE COUNTRY-MAM-MOTH BULLOCK, &c .- Those who wish to hold communion with nature, now that she has donned her bridal vestments, and who wish to behold her in the bloom and beauty of renewed youth; who have ears to hear song, or warble, in sweet cadences, their evening notes—have but to avail themselves of a ride into the country at this season of the year, when the face of nature is suffused with blushes like the cheeks of a modest bride; when the whole earth is vested with a paradisical glory, and to live is to be happy! Breezes from the land of flowers and perennial verdure, laden with the spicy breath of far-off sunny isles, and freighted with the luxurious whisperings of zephyrs that have kissed the flower-fringed gardens of the balmy southland, will reward you amply for all trouble incurred.

A few days since, our Jerome Minich treated us to a ride of this kind, and we beheld on every side the evidences of a favoring providence in the usual richness and beauty of the country. All the fruit trees and grain fields that we saw gave promise rendering their dresses, clonks, &c., unfit of a healthful and abundant yield, and our farmers have reason for congratulation if we are to judge from the general appearance of the growing crops.

Among the places that we visited was

Mount Joy, one of the most thriving and enterprising boroughs in the County of Lancaster, with a population of twenty-five hundred, which is rapidly increasing. It contains soveral fine hotels, churches, schools, manufactories, stores, and resi-

dences that will compare favorably with

those of cities. We tarried also for a short time on the well conducted farm of Isaac Stehman, onehalf mile southeast of Mt. Joy, where is to be seen the largest bullock in the county. Dan is his name; he weighs nearly four and left at an early hour on Thursday, in thousand pounds, is six feet four inches in the steam canal boat of Wm. PURE VINEGAR .- Mr. C. C. Himes has again embarked in the vinegar business in this place, and taken as a partner Mr. Wm. H. Meyers, of Columbia. He could not have selected a better person for the business than Mr. M. Their vinegar is made from grain by fermentation and warcanted pure and free from mineral acid. It is equal to cider vinegar, and we think better than any other manufactured article. Our merchants should purchase no other.

MASONIC PARADE .- A parade of the Masonic Order of Knights Templar, will come off in Philadelphia on Tuesday, the the 15th inst. The affair promises to be a large one, representations being expected from various parts of the United States, and over forty Commanderies having already secured quarters for the occasion. Colum bia Commandery will participate, and will leave Lancaster City on Tuesday morning the 15th inst., at four o'clock. Excursion tickets will be issued for the round trip, good from Monday till Thursday, inclusive.

MUSICAL AND LITERARY ENTERTAIN-MENT.—The Musical and Literary entertainment of the Columbia Female Institute, which took place in Odd Fellows' Hall, on Wednesday evening last, was a decided success in every respect, and the young ladies elicited much praise and admiration from the large and appreciative andience assembled, for the splendid manner in which every character was presented. Boquets were showered down upon the stage in profusion to all those taking part in the exercises, of whom the following are the names, together with their respective parts:

the present and past week. On Sanday morning the house of Mr. A. L. Lane, in Manheim township, between Neffsville and Oregon, was broken into during the absence of the family at charch, and about ninety dollars in bank-notes and coin stolen therefrom. The perpetrators of this robbery were chased, and one General, Sir Jacob M. Westheaffer, Past named Adam Fletterer, of Lancaster, arrested, who implicated John Boas, of sam place, as an accomplice. Boas escaped justice by hiding in some bushes, but was subsequently arrested in Harrisburg. Both ire now in juil.

The house of Mr. Levi G. Getz, on the Harrisburg turnpike, was entered between two and three o'clock on Monday morning, by prying open the cellar door. The burgars made their way to the first floor, where they found two coats valued at about twenty-five dollars. The noise made in rummaging the rooms awoke Mr. Getz, when the burglars became alarmed and beat a hasty retreat.

On Sunday morning the house of Mr. Israel McCleary, in Manheim township was entered during the absence of the family. and robbed of some twenty dollars in money and articles of value. On Wednesday night, the public house of

C. H. Newcomer, at Landisville, was entered by burglars, and robbed of a quantity of articles, including a small amount of noney. During the past week two attempts at

burglary have been made in Lancaster city. The first was at the warehouse of Miller & Hartman, 'wholesale grocers, where the honest fellows," after vainly attempting to open the iron-proof safe, left with a few coppers for their pains.
The next attempt was at the grocery of

D. S. Bursk, Laneaster; here the burglars were also foiled in opening the safe, and consequently received but little plunder. The strangest part of the affair at Bursk's, was the fact that the burglar was seen plainly at work, and that several private watchmen were in the immediate vicinity, who instead of arresting the maurauder, sent for Mr. Bursk, before whose arrival the bird had flown." Smart fellows, Lancaster watchmen!

MANHEIM .- We cull the following items relating to Manheim and vicinity from the Scatinet, of the 4th inst. from the Sentinet, of the 4th list.

Samuel Armor, an employee of the smelting furnace, in Paradise township, was found dead on Friday evening of last week, in the road leading from the furnace to his home. The cause of his death is unknown. The Manheim State Quarries, under the superintendence of Mr. Theodore Lichtenthaler, the originator, are under active operations with the most sanguine reality of erations, with the most sanguine reality of final, prospective success. We understand that a number of men are now employed at

Henry Koser, of Penn township, while as sisting in raising a barn yesterday (Thursday) morning at Peter Shelly's, in Rapho township, a short distance west of this Borough, fell a distance of some fifteen to eighteen feet, fracturing a bone in his left leg in a very bad manner.

IMMIGRATION—THE BALLIN MOTION.
—Mr. George G. Eagle, of Marietta, Lancaster county, Pennsylvania, purchased last Monday, the fine tract of land known as the "Waverly Plantation," from Mr. A. Hopkins, of this city. This delightful location, formerly known as the "Whitfield Place," lies two miles north of Tallahassee, and contains 740 acres of fertile land, which, under its present ownership, will be vastly and speedily improved. The price paid for this valuable farm was only \$9 per acredirt cheap, literally.

Mr. Eagle's enterprise will, no doubt, lead others from his section to come down here, where three day's labor on a farm will yield a more remunerative return than six will in Pennsylvania, although Lancaster county is one of the richest counties in the Keystone State.— Tallahassee (Florida) IMMIGRATION-THE BALLIN MOTION.

A Good Investment.-It is evident A GOOD INVESTMENT.—It is evident that many kinds of cotton goods cannot remain at the present low prices. Fondersmith has just received another lot of this extra yard wide bleached and unbleached muslins at 121 cents. One case of beautiful striped delains at 125 cents, selling at other places at 25 cents. Five hundred yards striped empress cloths only 35 cents, just half their value. A new lot of white grenadines, very beautiful and cheap, with many other bargains which will pay.

Grandfather's Sunday Coat. It was of home-made woven stuff, A genuine azure blue; And Grandma wove the cloth herself In seventeen ninety-two.

It was not cut as coats are now; He had to rise to put it on Before the morning light.

With collar of tremendous size, This venerable coat Rose up again the back of his head And warmed his neck and throat.

So queer in those peculiar days The fashlons did prevail, The hinder part of the coat was shaped Much like a swallow's tail.

They kept things long in Grandpa's days, From records it appears, That he wore his most remarkable coat Some fifteen or twenty years.

But coats are nicer and cheaper now; You can buy for a trifle, or more, Better coats than Grahdfather ever saw, At I. O. Bruner's store. Everything in the masculine clothes line that a male hugan can want, for business or pleasure, at prices far below what our grandparents used to pay. Call and see, at the store of I. O. Bruner, Columbia. Clothing, Boots, Shoes, Notions, &c., selling at lower prices.

\* \* We had waudered for many hours through the tangled forests of Tropical shrubs and trees, some of them emitting a most delicious and invigorating odor, when we suddenly came upon a large and well cultivated plantation, in the centre of which were several buildings. Entering these we found them to be the "presshouses, stills, &c., where the sugar came is crushed for the manufacture of St. Croix Rum. Over 100 Coolies were at work, and the smelf from the fermenting vats was very exhilerating and pleasant. We were shown through the entire establishment, and learned that all the Rumhore produced was shipped to Messrs. P. H. Drake & Co., New York, to be made into their celebrated Plantation Bittens. The peculiar good effects of this Rum—which is the purest and best in the world—are well known. Not a single case of Dyspepsia, Fever and Ague, Consumption, or any such disease can be found on this Island, (except of invalids who come here for their nealth, and they are almost always cured). Combined with Calisaya Bark, Cascarilla, and other important ingredients, this Rum becomes Plantation Sittens; and surely no finer Tonic and general Family Remedy was ever seen. The combination of these Bitters was first discovered here many years ago, and all the Natives swear by Plantation Bittens, and say "there is nothing like it." Judging by the robust health of the witnesses, I am certain their testimony is true.

During the prevalence of the heavy thunder storm on Saturday afternoon last, the lightning struck John Hampstead's house at Coulter's Corner, Colerain township, and the fluid was conducted by a lead pipe into the cellar. Several of the inmates were shocked, besides several persons in the vicinity. Mrs. Mendenhall, residing some 500 yards distant, was knocked down, and did not recover her speech until next morning. The rain was very heavy.

In the straightening of Third street through the old grave yard, in this Borough, which has been going on for the last two weeks, some eighty-five skeletons were exhumed after the friends of the dead had taken up all of whom they had any rememtaken up all of whom they had any remem-brance or record. Some of the bones were brance or record. Some of the bones were in a state of perfect preservation after a burial of almost a century. A corroded copper penny was found in one of the skulls—one that had not been removed from the eyes of the dead before burial. The bones of three infants were found under a large chestnut tree outside of the yard, having apparently been buried without coffus.

Ir has long been a great objection to If has long feen a great objection to Life Insurance, that no matter how much a man may have paid on his policy, if on any account he at any time discontinued his payments all the money already paid in went for nothing, and was to him a dead loss. This was certainly a real and serious objection. For many reasons a man may wish or be compelled to discontinue the wish or be compelled to discontinue the payments of his premiums; and that used to mean the forfeiture to the company of all previous installments. But now, "The American," of Philadelphia, has so arranged that ALL its policies are "non-forfeitable;" that is, after two or three payments of premium, the party is insured for an amount proportionate to the sums paid, though there is never another cent forthecoming. So that there is no risk now in coming. So that there is no risk now in taking out a policy of Life Insurance. Every penny you put into it is sure to bring a rich return. Dr. F. Hinkle, agent.

HORSE AND WAGON STOLEN .-- Mr Horse and Wagon Stolen.—Mr. John Smith, of Safe Harbor, drove his horse and wagon to the residence of Mr. Glick at Turkey Hill, Manor township, yesterday evening, for the purpose of seeing Mr. Glick on business. While Mr. Smith was in the house conversing with Mr. Glick some one unhitched his horse and wagon and unde off with them. The larcency occurred about 10 o'clock at night. It appears that the thief took the direction of Columbia, but all traces of the stolen property was soon lost and as yet no clue to its whereabouts has been discovered.—Intelligencer, 9th mxt.

Inside and Out .- "The outward forms INSIDE AND OUT.—"The cutward forms the inner man reveal, we guess the pulp before we eat the peel."

Certain it is that a man's dress reveals much of his habitual character. A cleanly man, however poor, will never be slovenly in his dress, and on the other hand, a cureless man, however rich, will never be a well dressed man. It pays to dress well, there can be no doubt about that, and it is equally certain that the place to dress up at is Oak Hall, 51 Philadelchia.

Business is on all hands allowed to be Business is on all hands allowed to be unusually dull, and this state of affairs should lead people to very carefully examine their expenditure and see whether it cannot be brought into better harmony with their receipts. One direction in which many can effect a considerable saving is in boots or shoes, as Amos R. Hougendobler is known to sell cheaper than any store in Columbia. His goods are made to order and of the very best material. Hoop skirts, and a fine line of hosiery and notions generally, on hand.

FREE EXCURSION AND GREAT SALE OF Lots AT MANIEIM.—We invite special attention to the great auction sale of beautiful building lots, to be attended by a free excursion from Columbia, advertised to come off on Monday afternoon, 14th, at Manheim. See advertisement.

An Inquiry. MR. EDITOR: -What is there in the office of County Commissioner that no man from Lancaster city, Columbia, Marietta, Mount Janicaster city, Columbia, Janicaa, adout Joy, or any other town in the county seems qualified to discharge its duties? For many years past, the Commissioners have been selected from the country with few exceptions. A change would, I think, be beneficial, and I hope some first-rate, honest man will offer himself as a candidate. We have had a Court House and a Jail both beautifully betched for the want of competent had a Court House and a Jan both scatterfully botched for the want of competent men in that office, and the taxpayers are beginning to think it will be economy to elect those who will not be subject to any Clique or Ring.

Markets.

The receipts of beef cattle were light this week, only reaching about 1200 head; the market in consequence was moderately active and prices were rather firmer, extra Pennsylvania and Western steers selling at 9½ a 10c., a few choice at 10½c., fair to good at 7½ a ic., and common at 5a 7c, per pound, gross as to quality. WHAT MEDICINES YOU TAKE. WHAT MEDICINES TOU TAKE.
WHEN you are exhausted by over work of bead or hand, and feel the need of something invigorating, don't drink whisky nor any intoxicating thing, whether under the name of Bitters or otherwise. Such articles, give just as nuch strength to your weary body and mind as the whip gives to the jaded horse, and no more, Alcoholic stimulants are injurious to Nervehealth, and are ALWAYS followed by DEPRIESSING REACTION. DODD'S NERVINE & INVIGORATOR DODD'S NERVINE & INVIGORATOR is a TONIC and GENTLE STIMULANT which is NOT attended by REACTION. What it gains for you it maintains. When it refreshes body or mind, it refreshes with natural strength that comes to stay. We are not recommending tectotalism in the interest of any faction; but long and extended observation teaches us that he who resorts to the bottl: for rest or recuperation, will find, as he keeps at it, that he is kindling a fire in his bones which will consume like the flatnes of perdution. Turn from it, Take atonic that will refresh and not destroy. Podd's Nervine is for sale by all bruggists, Price One Dollar. See book of Certificates that accompanies each bottle.
