Frank; I can stay here till you return." "Anything to please you, my dear Kate." And so saying the young man released the tiny gloved hand of his fair partner; and after a few long shots, was again in the midst of the villagers, gratifying them with the display so much desired. More than five minutes were thus spent, during which time the accomplished skater was repeatedly cheered, and greet- ed with complimentary speeches. Then, bethinking him of the fair creature he had left waiting alone and in the cold, he was about to break off, when the eager spectators; entreated him to remain a mo- ment longer, and once more show them	A bend was soon passed, beyond which there was a stretch of clear ice extending for more than a mile. Away at the far- ther end, two forms were dimly discerni- ble; and upon the still frosty air could be heard the faint ringing of skates at. In- tervals repeating their strokes. Frank IIIII had no doubt about one of these being she of whom he was in search; and nerved by the sight, he threw fresh vigor into his limbs and flew over a smooth surface like a bird upon the wing. On, past rock, and tree, and hill, and farm:houses sleeping in silence; on in long, sweeping strides; his eyes flashing but fixed upon the two forms, every mo- ment getting more clearly discernible as the distance became lessened by his speed. And now he was near enough to see that it was Lansing. The latter glanced back over his should- er, recognized his pursuer, and taking a	The influence of good example is far reaching, for as a contemporary says, our experiences and conflicts with the world lead us at times to indulge misanthropic seutiments, and charge all men with sel- fish and impure motives. The play of pride, prejudice and passion, and the car- nestness manifested by the great majority of men to advance their own interests, often at the expense of others, and in vio- lation of the golden rule, cause us to look with suspicion on the best intents of oth- ers. Arrogance, hyperisy, treachery, and violence, every day outrage justice, till we are almost disposed to distrust human ma- ture and become discouraged. But amid all that is sad and disheartening in the busy, noisy world now and then there is presented to us a life of such uniform vir- tue, that we recognize in it a character that brings hope for the perfect develop- ment and ultimate regeneration of our race. Such characters are precious and such examples should be held up to the	cqual here." The Law. In the chief court of law in Grenada there used to be a picture of a nakad man with a large bundle of papers under his arm and certain words proceeding out of his mouth, of which these are a trans- lation : I who won my suit am now strip- ped to the skiu; what then must be the fate of him that lost it?" Spanish litiga- ticn would seem to be as expensive a lux- ury as our owa. LARRY is a good-natured, civil fellow, but has one failing, in this that when he goes to his home at night he is usually more or less under the influence of contra- band fluids. One night he started for home with a nice turkey, safely done up in strong wrapping paper, under his arm. Larry found the road to his house uncom- mon rough that night. He several times stumbled and fell over all serts of obstruc- tions in his path. Each time he fell he

Suppose you go back and show them a little more of your skill. Do. Frank; I can stay here till you return." "Anything to please you, my dear Kate." And so saying the young man released the tiny gloved hand of his fair partner; and after a few long shots, was again in the midst of the villagers, gratifying them with the display so much desired. More than five minutes were thus spent, during which time the accomplished skater was repeatedly cheered, and greet- ed with complimentary speeches. Then, bethinking him of the fair creature he had left waiting alone and in the cold, he was about to break off, when the eager spectators, entremed him to remain a mo- ment longer, and once more show them a figure that had elicited their most en- thusinstic applause. He consented; repeated the figure called for; and then, resisting all further ap- peal, with one grand stroke he glided out from among the spectators, and on to- ward the spot where he had left the young	A bend was soon passed, beyond which there was a stretch of clear ice extending for more than a mile. Away at the fur- ther end, two forms were dimly discerni- ble; and upon the still frosty air could be heard the faint ringing of skates at in- tervals repeating their strokes. Frank Hill had no doubt about one of these being she of whom he was in search; and nerved by the sight, he threw fresh vigor into his limbs and flew over a smooth surface like a bird upon the wing. Ou, past rock, and tree, and hill, and farm:houses sleeping in silence; on in long, sweeping strides; his eyes flashing but fixed upon the two forms, every mo- ment getting more clearly discernible as the distance became lessened by his speed. And now he was near enough to see that it was Lansing. The latter glanced back over his should- er, recognized his pursuer, and taking a fresh hold on the wrist of his apparently unwilling partner, he forced her onward with increased velocity. She had looked back, and saw who was coming after. The silver light of the	The influence of good example is far reaching, for as a contemporary says, our experiences and conflicts with the world lead us at times to indulge misanthropic sentiments, and charge all unen with sel- fish and impure motives. The play of pride; prejudice and passion, and the car- nestness manifested by the great majority of men' to advance their own interests, often at the expense of others, and in vio- lation of the golden rule, cause us to look with suspicion on the best intents of oth- ers. Arrogance, hypperisy, treachery, and violence, every day outrage justice, till we are almost disposed to distrust human ma- ture and become discouraged. But amid all that is sad and disheartening in the busy, noisy world now and then there is presented to us a life of such uniform vir- tue, that we recognize in it a character that brings hope for the perfect develop- ment and ultimate regeneration of our race. Such characters are precious and such examples should be held up to the world for its admiration and imitation; they should be snatched from oblivion and treasured in the beart and thoughts of all who are in process of forming habits and maturing obspector.	cqual here." The Law. In the chief court of law in Grenada there used to be a picture of a nakad man with a large bundle of papers under his arm and certain words proceeding out of his month, of which these are a trans- lation : I who won my suit am now strip- ped to the skin; what then must be the fate of him that lost it?" Spanish litiga- ticn would seem to be as expensive a lux- ury as our owa. LAMRY is a good-natured, civil fellow, but has one failing, in this that when he goes to his home at night he is usually more or less under the influence of contra- band fluids. One night he started for home with a nice turkey, safely done up in strong wrapping paper, under his arm. Larry found the road to his house uncom- mon rough that night. He several times stumbled and fell over allsorts of obstruc- tions in his path. Each timo he fell he dropped his turkey, but contrived to pick it up again. On entering his house he steadied himself as well as he was able and said to his wife: "Here wife, I've got 'leven turkeys for you." "Eleven turkeys, Larry ! What do you mean? There's only one."
