SCHENCE'S PULMONIC SYRUP.

Seaweed Tonic and Mandrake Pills, will cure Consumption. Liver Complaint and Dyspepsia, if taken according to directions. They are all three to be taken at the same time. They cleanse the stomather that the liver, the food digests and makes good brood; the patient begins to grow in flesh; the diseased matter ripens in the lungs, and the patient outgrows the disease and gets well. This is the only way to cure consumption.

To those three medicines Dr. J. H. Schenck, of Philadelphia, owes his unrivalled success in the treatment of pulmonary consumption. The Pulmonic Syrupripens the morbid matter in the lungs, nature throws it off by an easy expectoration, for when the phlegm or matter is ripe, a slight cough will throw it off, and the patient has rest and the lungs hegin to heal.

To do this, the Scaweed Tonic and Mandrake Pillsmust be freely used to cleanse the stomach and liver, so that the Pulmonic Syrup and the food will make good blood.

Schenck's Mandrake Pills act upon the liver, removing all obstructions, relax the ducts of the gall-blader, the bile starts freely, and the liver is soon relieved: the stools will show what the Pills can do; nothing has ever been invented except colomo (a deanly polsoed hield.
