AND ASSIGNEES OF PATENTS. The subscriber has opened an Office for the benefit of INVENTORS, PATENTEES and AS-SIGNEES OF PATENTS. Many really valuable inventions are lost or dropped even after Letters Patent have been obtained, for the want of means or the knowl-edge of the proper channels through which to introduce them on the part of the owners, which might realize for them a bandsome fortune if placed in my hands. My facilities for bringing such to the notice of capitalists, and introducing them throughout the United States, are unilimited.
