The best guardian of a woman's happi ness is a husband's love; and for her hon or, her own affection.

There is one lash that no man objects to having laid on his shoulder-the eye-

lash of a pretty girl. If your sister fell into a well, why couldn't you rescue her? It's well-y likely you couldn't because you can't be a brother and a-sist her too.

A printer's devil, wanting to kiss his sweetheart, addressed her as follows :-"Miss Lucy can I have the pleasure of placing my " imprint" upon your bill?" A man in a New Orleans court of justice, being examined as a witness, was asked if he were born in wedlock. "No," answered the man "I was born in Texas."

A Jersey City woman recently entered a store and tried for half an hour to warm her feet at an iron safe; She "never did like them kind of stoves," she said. When Mrs. F. H. M. Brown, of San Francisco, goes to vote, she will shoot any man who insults her at the polls. She

said so in a recent speech. A Maine youth's courtship is embittered by the fact that his lady-love's house is haunted, and the ghosts make it lively for him every time he calls.

A driver of a coach stopped to get some water for the young ladies inside, being asked what he slopped for, replied, "I'm watering my flowers."

"John," asked a physician of an apoth ecary's apprentice, "did Mrs. Green get the medicine I ordered ?" "I guess so," replied John, "for I saw crape hanging to the door knob this morning."

About the dullest luxury in the market now, that we know of, is matrimony. The young men must be slow, or else the ladies are so fast that they can't catch them. It may be, the sweet little creatures are like letters—they must have the "stamps" or the males won't take them.

A young man in Indiana worked all last summer to clear an eighty acre tract of land belonging to a young woman who had promised to marry him. When, just as the weather began to get cold, he went to claim his reward, she married another fellow who had looked on while the victim was working.

The ladies of the Brooklyn Woman's Club have resolved henceforth to wear shirts, regular shirts, with frizzled fronts | FLOORING AND SIDING OF VARIand flaps. So we are told by "one who knows" and for all we know, wears. All right. The women are welcome to anything and everything, from the ballot to the musket, if they will only take what they want and stop their everlasting cackle An old gentleman, aged eighty-four,

having taken to the alter a damsel of about sixteen, the clergyman said to him: " The font is at the other end of the Church." "What do I want with the font!" said the old gentleman. "Oh! I beg your pardon," said the clerical wit; "I thought you had brought this child to be christened."

A celebrated writer says: "No woman can be a lady who can wound or mortify another. No matter how beautiful, how refined, or how cultivated she may be, she is in reality, coarse, and the innate vulgarity of her nature manifests itself here. Uniformly kind, courteous and polite treatment of all persons is one Manhattan, Kansas, April 17, 1806.

Messrs. Perry Davis & Sox,

Gentlement - ** I wantto say a little more about the Pain Killer. I consider it a very valuable medicine, and always keep it on hand. I have traveled a good deal since I have been in Kansas, and never without taking it with me. In my practice I used it freely for the Asiatic-Cholera in 1849, and with better success than with any other medicine. I also used it here for Cholera in 1859, with tee same good results.

A. HUNTING, M. D.

* * " I regret to say that the Cholera has prevailed here of late to great extent. For the last three weeks, from ten to fifty or sixty fatal cases each day have been reported. I should add that the Pain Killer sent recently from the Mission House, has been used with considerable success during this epidemic. If taken in season, it is generally effectual in checking the disease.

Rev. CHAS. HARDING, Sholapore, India." septi-69-tiw mark of a true woman.

A. Good Templar has satisfactorily explained to his lodge how he happened to indulge in a four days spree. He had ordered a dozen bottles of mineral spring water which his playful wife quietly emptied and refilled with whiskey.

A young lady in Newark, when her jealous admirer sent back letters with a request that she would return his, answered that she could not comply immediately, as she had lent them to a young gentleman to read.

What the Doctors Say:

AMOS WOOLLEY, M. D., of Kosciuska County, Indiana, says: "For three years past I have used Allen's Lung Balsam extensively in my practice, and I am satisfied there is no better medicine for lung diseases in use."

ISAAC A. DORAS, M. D., of Logan County, Ohio, says: "Allen's Lung Balsam not only sells rapidly, but gives perfect satisfaction in every case within my knowledge. Having conducte in it and knowing that it possesses valuable medicinal properties, I freely use it in my daily practice, and with unbounded success. As an expectorant it is most certainly far ahead of any preparation I have ever yet known."

NATHANIEL HARRIS, M. D., of Middlebury, Vermont, says: "I have no doubt it will soon become a classical remedial agent for the cure of all diseases of the Throat, Bronchial Tubes, and the Lungs.

UNION PACIFIC R. R., Office of Gen'l Sup't, OMAIA, Dec. 16, 1889.

Hon. T. M. AVERY, President National Waten Company, Chicago, Ill.:

Dear Sir:—During the month that I have carried one of your "B. W. Raymond" Watches it has not failed to keep the time with so much accuracy as to leave nothing to desire in this regard. For accuracy in time-keeping, beauty of movement and finish, your Watches challenge my admiration, and arouse my pride as an American, and I am condent that in all respects they will compete successfully in the markets of the world, with similar manufacturers of older nations. They need only to be known to be appreciated,

PLANTATION BITTERS! S. T.—1860—X.

This wonderful vegetable restorative is the sheet-anchor of the feeble and debilitated. As a tonic and cordial for the seed and languid, it has no equal among stomachies. As a remedy for the nervous weakness to which women are especially subject, it is superseding every other stimulant. In all climates, tropical, temerate or frigid, it nets as a specific in every species of disorder which undermines the bodily strength and breaks down the animal spirits. For sail by all druggists
