entire country was ablaze with burning pig-pens: nor was it till many years after PLACE of RESORT. The Band also gives notice that SWIMMING and BATHING near the Island is strictly pro-hibited, under penalty of the law, and that this regulation will be inforced in every instance. ID-Application for the use of the Island must be made to the undersided. By order of the Band. ULAS, HEPFING, IL is not for us havvers to laugh at this. It is not for us lawyers to laugh at this. None have been more brone than we, to roast pigs according to precedent. All of us can remember when, in every action to recover the value of one man's property wrongly appropriated by another, it was necessary to allege a fictitious losing by the former and *finding* by the latter: and | had a silver cased watch-hunting case at all because the first case of the sort, hun- that. We had known Wiggins five-anddreds of years ago, happened to be one of twenty years and never knew him to carry real losing and finding. Nay, Thave even a watch before. We asked him where he known the loss and finding of a patch of got it. He gave us a nod and a leer, and cabbages to be solemnly averred and no said that he would tell us. lawyer thought of smiling at it. In the department of Evidence, we have the old brindle cow and put the best part been especially slow to learn. If you of her in the beef barrel. She was fat, want to know how cramped and artificial | and the beef was nice, and I had nigh its rules are, just get into the witness-box | unto a full barrel. I didn't want to make to tell all you know about some case, and [ it very salt, so I set it out in the shed. see how much you'll be let tell. Twenty years ago it was worse. No one was then admitted as a witness who was either a "party to the necord," or interested to a cent's value in the contro- going mighty fast." I went and looked versy. The consequence was a frequent imposibility of proving by competent witnesses, undoubted facts, which wither of the litigants, had they been suffered to speak, would have thought of denying. The devices to which counsel and clients were driven by a rule so unreasonable. were often amusing enough. On one occasion a countryman visiting the city, deposited his money-some two didn't want to hurt 'em. I concluded. hundred dollars-with his landlord, no one being present at the time. Next day, having occasion to make some purchases, capplied for his money, and was met with a cool denial of its having been ever received. On taking legal counsel, the this watch in the pickle. It looked like gentleman was astonished to learn that | Tom Sherman's watch. Tom had worked being without a witness, as matters stood | for me considerable, and I have seen him his case was hopeless. The lawyer, however was a man of reources. Dismissing his client with directions to return in a couple of days, he GEO, BOGLE, Agent, Cobimbia, Pa, called to his aid a reliable friend, to whom he privately unfolded his plans. Acting under the lawyer's instructions, the friend presented himself at the inn as a guest, and, after securing quarters, deposited three hundred dollars in the handlord's hands, taking good care to have a witness by, Some hours after, he called alone for the money, and the landlord knowing there was proof of the de-DARBER & CO. posit made no diliculty of handing it over. The same day Boniface was served with a writ for the three hundred dollars and, on seeking advice, was told that as there was a witness to his receipt of the money, and none to its return, he had It must belong to somebody else. And nothing for it but to pay it again. With with that he walked off. two hundred dollars of it, the lawyer reimbursed the countryman, and kept the he found that the case had shut so tight remainder for his fee. Not less adorit was the march that
