THE attempted outrage upon the flight of snuffage of electors in Columbia, by those whose duty it is to enforce and protect the laws, has fully exposed in the light of judicial investigation, and is not another link in the long chain of evidence on record in the corrupt Democracy.—Lancaster Express.

THE S. S. STEAMER "SPRING" in 1870, was the best in the world, and she was the best on the Susquehanna, an African's eye except on "Sunday, Wednesday and Saturday" of each week. We are passing the time in the best way, and we are enjoying it.

CONCERT.—"Enoch's" Rollins gave two entertainments of Vocal Music in the M. E. Church of the city, on Wednesday and Friday evenings last. We state that we never heard finer Vocal music in our city, and the same success was expressed by the audience. Their voices are highly cultivated and the regularity of their notes have been better than any we have heard.

MR. Hyde, should gladly consider your offer, and perhaps I might have accepted it, but you are too good to me. I will not be in the graveyard with you were I were to die, and I will not be in the graveyard with you were I were to die.

WEST HEMPFIELD TERMS.—The farmers have finished cutting their corn; some are now commencing hanking already. The crop is excellent.

THE schools of this district opened on the 10th ult., and, as far as is known, are meeting with remarkable success. Owing to the earnest co-operation of the Directors, it could not be otherwise.

There is considerable excitement among the tobacco growers of West Hempfield, as regards the prices paid, some having sold as high as \$25 per hundred. The crops throughout the district are very good.

C.—A considerable complaint is made by the farmers of burglaries and depredations committed upon their spring-houses. It is to be regretted that these scoundrels cannot be arrested.

OUR friend H. C. Witmer, who left in the spring, for a tour through the West, returned on the 26th ult., and like all others who have traveled over the prairie, thinks "There's no place like home" (Lancaster County).

We've had our neighbor of the "Smut Machine" on the defensive for the past two or three months, and as he has defended himself almost to death, we rest quite content with the result. The insurance man hadn't a ghost of a chance for Justice; though he and the little (c) ex-agent almost ran their legs off in canvassing the Second Ward.

REMOVAL.—W. I. Fry will remove his Cigar and Tobacco Store from his present location, to No. 115 Locust street two doors from the post-office, in a few days. He will direct his customers to purchase their supply of cigars on Sunday on Saturday evening, as his store will not remain open on Sunday.

J. A. Meyer, of his Family Drug Store has the largest and finest stock of drugs in Columbia, in fact in the county. When you buy of him, you run no risk of getting "old" drugs. His prices are low, and his articles are the best in the market, and he buys also entirely for cash, he sells cheaper than any other druggist.

DEMOCRATIC LIST.—The Democrats claim the credit of building the market-house, which is false, and a fraud like the party itself. A Republican council built the market-house. A Republican Finance Committee loaned the money, and the whole structure reared by a Republican Council, Messrs. Crane, Dewiler and Nourse were the only Democrats in Council.

BE assessed for Borough purposes. The crops had connected a nice little plan to discharge 400 voters, whose names the District assessor left off the list. But the court said you must assess all qualified voters, and the assessor was obliged to sit for an hour each evening Saturday and Sunday excepted, between 7 and 8 o'clock to assess all qualified voters. Every man who has resided within the borough one year and has paid a borough tax of 20 cents during that time can vote for Council, Chief Burgess, &c.

DARKING BURGLARY.—On Tuesday night or Wednesday morning, after the democratic nominating convention, at the residence of the Publishing Store of A. R. Breunerman was entered by a person or persons unknown, and goods to the amount of about \$200 taken therefrom.

The goods consisted of Shirts, Under shirts, neckties, handkerchiefs, pocket knives and other small articles. They also took Mr. Breunerman's overcoat. The only vestige of the burglars is an old hat in place of a new one taken. Several attempts have been made at identification, but they have all failed. The assessor said thieves are old hands at the business, no doubt, as the goods missing show that they were selected with care.

LOCAL IMPROVEMENTS.—Noose-paper—the marriage certificate. The western papers say that new wheat is arriving at all the interior shipping points in large quantities, and generally of a superior quality.

The large saw mill of Shartzer & Bruner is fast approaching completion.

The river rises 15 inches on Friday. There was so serious check to navigation during the cold weather. The approach of the ladies and their gallant admirers devote themselves to croquet with much energy. Result—matches.

The bogus greenback men are still heard from occasionally, although none but unmitigated gulls are caught in their snares, thanks to the efforts of the press. A friend has shown us one of the "confidential circulars," now well known to everybody as the means employed for making the look. It is valuable in this instance, as so much waste paper.

RECEIPTS for less than \$100 are free of stamp duty after Oct. 1st.

The new pie-tail style of wearing the hair, adopted by A. E. Locke, is excruciating in many ways than one.

It's the latest style of marriage now. I.e. a subscriber's paper was recently returned to this office, marked, "She has changed her name and moved to No. 115 Locust street. The approach of the ladies and their gallant admirers devote themselves to croquet with much energy. Result—matches.

BREUNER'S store was robbed of enough of goods on Tuesday night to start an ordinary merchant in a large store at Locust and Call. Call and see him.

Vote for Strine for Chief Burgess. He won't be afraid to prevent fast driving on Sunday, and he will not, either through fear or favor, neglect to do his duty. Columbia has enough Schroeder.

Vote for Wike, Bachman and Bruner for Council. They will prevent such extravagant measures as tearing up good streets, and erecting a traffic circle, and voters to prove that it costs less to build a 40 feet curb than it does to put one up that is 60 feet long. What a strangely weak argument.

We are in receipt of an invitation to the Fourth Annual Reception of the "Crystal Social Club," of Reading, to be given at the Keystone Opera House, in that city on Tuesday evening, the 10th inst. The entertainment given by this club heretofore have been very brilliant and attractive, and it is expected that the one on the 10th will eclipse in splendor and enjoyment all former efforts.

VERY IMPORTANT.—If the great legal matter of the Herald will examine the journals of the H. R. of April 2nd, 1870, and of the Senate of April 15th, 1870, or call at this office for information, we will send you columns of space, which might be devoted to meeting nigger murders, or to essays on "Insurance made easy." Don't be disgraced at our pro-positi, neighbor.

Vote the Republican ticket and prevent a repetition of such an outrage. Vote for Strine, Hook and McGinnis; vote the whole ticket.

The Republican Soreheads in a Contemptible Fizzle.

In accordance with previous announcement, by posters and an advertisement in the Democratic papers of the county, the few Republicans dissatisfied with the recent primary nominations assembled at the Locust street hall, on Tuesday evening, the 10th inst.

The meeting was held at 11 o'clock, and we proceeded to the scene precisely at that hour. In that portion of the hall devoted to reserved seats on the occasion of rare shows, and the like, we found one single person interested in the movement.—Mr. Andrew Armstrong—and three reporters. In the rear of the hall were about a dozen loungers and curiosity-seekers. At ten minutes after eleven another reporter made his appearance and a single Sorehead. At fifteen minutes past another Sorehead and Mr. Shaffner, the well-known Democrat of Mt. Joy bor. At twenty minutes past another reporter, two Soreheads and three Democrats. At twenty-five minutes past still another reporter, three Soreheads and the same number of Democrats. The meeting contained the largest repertorial representation we ever witnessed at a public gathering in Lancaster, and but for their presence there would have been scarcely enough persons to fill a single bench. The number in the largest part of the hall gradually increased, the crowd being composed principally of Democrats, and a few curious Republicans. After the last arrival into the hall, a dead silence reigned for the space of about ten minutes, when some one cried out for Shultz. Mr. Shultz did not appear. Another ten minutes followed, when Mr. Armstrong called the meeting to order, and proposed that Mr. S. S. Spencer, editor, take the chair. The motion was carried with considerable applause in the rear of the hall and by the simultaneous raising of the Democracy to the front seats. The organization was then completed by the selection of the following officers: Vice President—Dr. J. C. Barr, West Hempfield; Captain—W. K. Reitzel, West Hempfield.

Mr. Shaffner moved the appointment of a committee of seven to report resolutions and nominate candidates.

The committee retired, and after another dead call of about ten minutes, the chair re-called the call for the meeting; a matter which he inadvertently omitted at the beginning. Every citizen pay high school tax, and yet many of them are compelled to send their children to private schools; because of the unpopularity of the present Democratic School Board. Vote for the Republican directors, and you will put the schools in good order.

Boy Smokers.—Here and there about the street corners and around the doors of houses, we see a number of boys, dressed in their decently clad and presenting a respectable appearance, who are engaged in the sale of cigars. They are selling away at execrable cigars. It is fair to presume that their anxious mammae are not aware of the fact, and that the boys pick up and practice outside of the parents. It is a pity that the school directors should not be more vigilant in this respect.

THE following ticket was set up: Congress—Adam R. Witmer, Paradise; Assembly—Cyrus N. Herr, West Lampeter; High M. North, Columbia; Henry C. Barr, West Donegal; Nathan Worley, Manheim; Recorder—Daniel Brown, West Earl; County Commissioner—John K. Reed, city.

Director of the Poor—J. S. Way, Rapido; County Solicitor—David G. Eschman, East Lampeter.

Mr. Shaffner said that Mr. Spencer was too good a man to be on the ticket, and he had no objection to his being named, if he were nominated. The resolutions and nominations were then submitted to the convention and ratified, when there being no further business to transact, the convention adjourned sine die—especially the Express.
