

[From the Oswego Times, April 30.]
**PERVESSIONS FROM THE PROTESTANT
EPISCOPAL CHURCH TO THE ROMISH
COMMUNION.**

Editor of the Times and Journal:
When in Syracuse lately, the writer first heard the sad intelligence that the Rev. Homer Wheaton, a minister of the Episcopal church, had embraced the faith and errors of the church of Rome. As Mr. Wheaton was well known in that city, being the brother of Messrs. Horace and Charles A. Wheaton, prominent and worthy citizens, and having himself formerly resided there, as he had but a few months before preached in that city, manifesting no indications of a change of sentiment, the melancholy event naturally occasioned much surprise.

To-day the writer has been pained to hear of a similar catastrophe, in the deposition from the ministry for the same cause, of the Rev. Benjamin W. Whitcher, who formerly preached in this city, supplying the place of the Rev. John Davenport, while the latter was in Europe.

The most numerous ministerial perversions to Romanism of late years appear to have been from the Protestant Episcopal Church. But of these cases, but one has come to the writer's notice, where the individual was educated in the church. Bishop Ives was brought up a Congregationalist; and in this connection it may be well to remark, as a great handle is made by Romanists of Bishop Ives conversion or perversion, that this bishop would have been degraded years before his apostasy if he had not pleaded in excuse of his errors, that his mind was disordered, and that insanity was hereditary in his family.

In regard to the one case, where the perversion was brought up in the Episcopal Church, the writer has been informed on good authority, that the individual, while a minister, became engaged to two young ladies at the same time, and he seems to have decided that the best way to get out of the scrape, was to become a celibate in another church. He certainly seems to have been quite successful in his new position.

Neither Mr. Wheaton nor Mr. Whitcher became Episcopalians before arriving at mature years. Their training and education were altogether extraneous to the church. We cannot believe that they ever understood or fully and heartily sympathized with the doctrines and spirit of a church, which was reformed and purified by a Cranmer, a Latimer and a Ridley. We think that it is neither just nor right to hold the Episcopal church responsible for the apostasy of those who, of unsettled minds or of imperfect views, when commencing a devious course, have stopped for a while within her bonds, but discovering her staunch, unyielding Protestantism, have gone to their own place in unscriptural Rome. At times, the decayed fruit will fall from the healthy tree. May it do so, rather than remain and corrupt the rest! We regret these sad departures from "the faith delivered to the saints," and pray to God that the wanderers may see the error of their ways, and may return to Christ, the only hope, before all opportunity of retracing their steps is lost in the silence of the grave.

A PROTESTANT EPISCOPALIAN.

Great Excitement at Leavenworth City, K. T.
From the St. Louis Intelligencer, May 5.
We are indebted to passengers on the Missouri River packets down last evening for the following account of a homicide at Leavenworth City, which has created the most intense excitement in and around that town. It seems that there was a meeting of squatters and citizens of the town and neighborhood generally in Leavenworth City on Monday last, got together for the purpose of making a public demonstration of opinion with regard to the claims of the squatters, the election, the Slavery agitation, and other prominent questions agitated in that section. There was a large attendance of both Pro-Slavery and Anti-Slavery men, and the meeting was characterized by uproariousness, bickering, confusion and ebullition of animosity between the two factions.

A question among others was put to vote by the Chairman, and the vote being close, a division was called by ordering the eyes to one side of the house and the noses to the other. Malcom Clark, a prominent politician of the pro-slavery faction, and a large owner of or a squatter on land in and about the town, cried out, "We have the majority," to which a lawyer named McCrea, a leader of the Free-soil faction, answered, "It's a lie," whereupon Clark advanced upon him, and struck him with a club, which would have felled him had he not been prevented by staggering against the wall. As soon as he recovered from the stun, McCrea drew a revolver and shot Clark, killing him instantly. McCrea then fled, hotly pursued by a number of Clark's friends, who fired several shots at him, none of which, however, took effect. He ran to the river, and sought shelter behind the bank, which was abrupt and high, whence his friends took him in their protection, removed him to the fort two miles distant, and delivered him to the military authorities, who locked

him up in the guard-house.
Great excitement ensued. Threats of mob violence and Lynch law were circulated, but no unlawful demonstrations made. A petition was gotten up by the mob, and signed by three or four hundred names, requesting the officers in command at the fort to give up the prisoner, promising to give him the benefit of an impartial trial by Jury. The petition was not accepted to, and prisoner was still confined in the guard-house at the time our informants left.

A handbill was printed and circulated all over the country, up and down the river, calling upon all Pro-Slavery men, all true friends of the South and of Slavery in Kansas, to meet on Thursday at Leavenworth City, to take into consideration the aspect of affairs and to adopt measures of proceeding in the present crisis. The handbill is signed B. F. Strigfellow and John W. Kelly, editors of *The Squatter Sovereign*, J. Marion Alexander, and a number of others.

Modesty is a handsome dish cover which makes us fancy there is something very good beneath it.

War Declared at Last.
THE long repose of Europe is about to be disturbed by the bugle's note and the revile of the drum, calling its shamblering millions to arms in the defense of their rights and their country. England and France are calling for men and means, and reading forward their armies to battle against the aggressions of the Russian Bear; but while the Old World is convulsed by revolution, unusual peace and plenty reign in the New.

In the peaceful and quiet pursuit of our business we have formed a partnership under the name and style of N. S. BUTLER & CO., and have taken the store in Empire Block, in the village of Olean, formerly occupied by Thing & Brother, and are now receiving a splendid new stock of goods adapted to the season and wants of the community, which we intend to sell exclusively for cash, and at prices that will cause consternation and dismay in the ranks of old fogys that has been so long established in this section. Our stock will consist in part of the following Goods:
Hardware, Crockery, Boots & Shoes, Hats, Caps, Carpets, Oil Cloths, Drugs, Medicines, Dye Stuffs, Glass, Paints & Oils, Sash, Putty, Chairs, Bedsteads, Mattresses, Feathers, Stone and Wooden Ware, &c., &c.
And we mean to keep such an assortment of the above goods that persons from a distance can be assured of finding everything they usually want at prices that will do them good. Call and see for yourselves.

HYGIENA.
Brought Home to the Door of the Million.
A Wonderful Discovery has recently been made by Dr. Curtis, of this city, in the treatment of Consumption, Asthma, and all diseases of the Lung. We refer to "Dr. Curtis' Hygienic, or Inhaling Hygienic Vapor and Cherry Syrup." With this new method Dr. C. has restored many afflicted ones to perfect health; as an evidence of which he has induced medical certificates. Speaking of the treatment a physician says: "It is evident that inhaling—constantly breathing an agreeable, healing vapor, the medicinal properties must come in direct contact with the whole of the arial cavity of the lungs, and thus escape the many varied changes produced upon them when introduced into the stomach, and subjected to the process of digestion. The Hygienic is for sale at the druggists' throughout the country."
N. Y. Dutchman, Jan. 14.

The Inhaler is worn on the breast under the linen without the least inconvenience—the heat of the body being sufficient to evaporate the fluid.
Hundreds of cases of cures like the following might be named. One package of the Hygienic has cured me of the Asthma of six years standing.
Jas. F. Keesherry, P. M., Duncannon, Pa. I am cured of the Asthma of 10 years standing by Dr. Curtis' Hygienic.
Margaret Eastman, Brooklyn, N. Y. Mrs. Paul of No. 5 Mammoth-st., N. Y., was cured of a severe case of Bronchitis by the Hygienic.
My sister had been cured of a distressing cough of several years standing, and decided to be incurable by her physicians. She was cured in one month by the Hygienic.

N. B.—Dr. Curtis' Hygienic is the original and only genuine article, and all others are base imitations or vile and injurious counterfeits. Shun them as you would poison.

TO OFFICERS, SOLDIERS, SEAMEN, &c., OF ALL WARS: THEIR WIDOWS, AND MINOR CHILDREN.
S. M. KNIGHT, Attorney for Government Claimants, Washington, D. C.
CONTINUES to give prompt and personal attention to the prosecution of Claims of every description against the Government, and particularly to those before the Treasury Department, Pension and Bounty-Land Bureau, Patent and General Land Offices, and Board of Claims.

An experience of years, and a familiarity with the means of obtaining the earliest and most favorable action on Claims, with his facilities for the dispatch of business, justify him in assuring his Correspondents, Claimants, and the Public generally, that interests entrusted to his keeping will not be neglected.
PENSION, BOUNTY LAND, PATENT, AND PUBLIC LAND LAWS.
He has nearly ready, for gratuitous distribution among his business Correspondents, (and those who may become such,) a neat pamphlet containing a synopsis of the existing Pension, Bounty Land, Patent, and Public Land Laws, down to the end of the late Congress—including the
BOUNTY-LAND ACT OF MARCH 3, 1855, under which all who have heretofore received less than 160 acres are now entitled to additional land; said Act grants also 100 acres to all Officers, Non-commissioned Officers, Chaplains, Soldiers, Wagon Masters, Teamsters, and friendly Indians, of the Army, including State Troops, Volunteers, and Militia—and all Officers, Seamen, Ordinary Seamen, Marines, Clerks, and Landsmen, of the Navy, not heretofore provided for, who have served not less than fourteen days (unless in battle) at any period since 1776; and to the widows and minor children of all such persons entitled, and deceased.

This pamphlet contains "Forms of Application" more full and complete than any elsewhere to be found; adapted to the wants of every class of Claimants under the Act, with copious decisions and instructions of the Department, and practical suggestions as to the course to be pursued in suspended or rejected cases.
Parties not wishing to avail themselves of the facilities afforded by this Office in securing prompt and personal superintendence of their claims at the Departments, can obtain copies of the above pamphlet by remitting thirty cents in postage stamps.

INDUCEMENTS TO CORRESPONDENTS.
Correspondents who prepare and forward cases for management by this Agency will be dealt with liberally; supplied with all necessary blanks gratis, and kept constantly advised of the changes that from time to time occur in the execution of the laws.
It is within the subscriber's power to direct his Correspondents to the locality of very many persons entitled under the Act; and having obtained several thousand Land Warrants under former laws, he is in possession of data that will materially assist in securing additional bounty.
Fees, below the usual rates—and contingent upon the admission of Claims.

Premium Fanning Mills.
Important to Farmers and Mechanics.
THE subscriber has purchased of J. B. Bamforth the right to use in Potter and McKean counties his patent in the construction of fanning Mills. He has also, at great expense, commenced the manufacture of a FINE MUM MILL, which will clean from 100 to 200 bushels per hour. This Mill was patented March 20, 1847, since which time it has stood at the head of the list at all the State and county agricultural societies where it has been exhibited, and is a universal favorite with all farmers who have tried it. It took the premium at the first Agricultural Fair held at Harrisburg, Oct. 31st, 1851, when there were 30,000 people present; and at the great State Agricultural Fair at New-York, held at Rochester Sept. 16-19, 1851, this Fanning Mill received the highest honors.
Having met with uniform success wherever tried, I confidently invite the farmers of Potter and McKean counties to call at my shop in Coudersport and examine for themselves.
A supply always on hand, to be sold on reasonable terms.
