## -A KANSAS LEGISLATOR.

A gentleman residing in the southern part of this State has just returned will the good time come, that all our part of this State has just recorded time come, that all our part of this State has just recorded to the president Judge, and ine 1100. O. A. Lewis and Joseph Mann, Esqs., Associate Lewis and Joseph Mann, Esqs., Associate Judges of the Courts of Oyer and Terminer and General Jail Delivery, Quarter Sessions of the Pence, Orphan's Court and Court of Common Pleas for the Courty of Potter, bare issued their precept, bearing date the school house, which had no backs, and miles from the Kansas line, in Missouri. school house, which had no backs, and miles from the Kansas line, in Missouri. have issued their precept, bearing date the were so high that most of the children Mr. McGee showed his commission as 23d day of September, in the year of our a member of the Kansas Legislature, Lord one thousand eight hundred and fiftycould scarcely touch their feet to the floor! And there are many more arrangements to attend the session. such seats all over the county. If He spoke without reserve to our indirectors would sit on such seats six formant; said he had never lived in hours a day for a few weeks, they would begin to realize the suffering farm. Several other members in Misto which the children are subjected. | souri wore also making their arrange-No. 17. In this school, among other ments to go over and legislate for the good things, the teacher required the people of Kansas. Was ever there elder pupils to spell upon the slate, to this? Was ever there greater

- AND THE REAL OF A RANSAGE PARAMETERS OF A SAME The following is a copy of the protest signed by "Free State" members expelled from the Kansas Legislature

by the Missourians : "The undersigned, members of the and emphatically protest against the action of this House, in the adoption of the report of a majority of the we are excluded from our seats, and disabled from the performance of a high public duty, imposed upon us by our constituents and the supreme aw of the land.

"We protest against this action, because it is a gross and palpable violation of the organic act of the Territory, expelling from their seats persons declared by the Governor to have been "duly elected"-the only or known to the organic act as menu bers of the Legislature-and intro ducing persons of an entirely different description to fill their places; thus vitiating the entire legality of its exwhatever. "We respectfully request, as an act of simple justice to us, by upon the journals of the House. ERASTUS D. LADD, WILLIAM JESSE AUGUSTUS WATTLES, A. J. BAKER, JOHN HUTCHINSON.

THE MILK IN THE COCOANUT .---- We desire to see the people of the free States extend free labor over all the territory which of right now or hereafter belong to them, but at the same time it is equally important and right that the people of the slave States shall have room to expand their peculiar institution so as to prevent it from becoming burdensome and dangerous to them.-Louisville (Ky.) Journal.

What will Mr. Bronson say to the sentence which we place in italics? Here is one of the pro-slavery organs which takes the ground that slavery must become a burden unless it has room to expand. The doctrine of Bronson and the doughfaces always has been that increasing the area of slavery did not increase the evil, and so was a very innocent affair. But hear what slavery says in reply: "We want room, we want new lands, we want a chance to expand; and if wecannot get these things, our institution is useless, and will soon become burdensome and dangerous." Our readers will therefore, see why the slaveholders have struggled so desperately for the right to extend. It is a struggle for life. They know that if slave ry is confined to certain limits it is doomed. It at once becomes burdensome and must be cast off. Its only chance for life is in new territory and room to expand .- Binghamton Stan.

We must walk through life as through the Swiss mountains, where a hasty word may bring down an avalanche.
