

**Very Important Information**

Dr. Jones, one of the most celebrated physicians in New-York, writes as follows:  
Dr. Curtis—Dear Sir—Having witnessed the excellent effects of your Hygeana or Inhalation Vapor and Cherry Syrup, in a case of chronic Bronchitis, and being much in favor of counter-irritation in affections of the lungs, tracheal tubes, and lungs, I can therefore cheerfully recommend your Hygeana and Cherry Syrup, as the most convenient and effective mode of applying any thing of the kind I have ever seen. No doubt thousands of persons may be relieved, and many cured, by using your remedies.  
You are at liberty to use this in any way you may think proper.  
Respectfully yours, &c.  
C. JONES, M.D.,  
No. 609 Houston street, New-York.

Prof. S. CANTER writes as follows:  
Having recently had occasion to test your Cherry Syrup and Hygeana Vapor in the case of chronic sore throat, that had proved refractory to other forms of treatment, and the result has satisfied me, that whatever may be the composition of your preparation, it is in no position, but an excellent remedy. I wish, for the sake of the afflicted, that it might be brought within the reach of all.  
Respectfully yours,  
S. CANTER, M.D.,  
No. 15, 1854.  
Dear Sir—I thank highly of Dr. Curtis's Hygeana, as a remedy in diseases of the throat and lungs. Having had some opportunity to test its efficacy, I am convinced that it is a most excellent medicine, both the Syrup and the inhaling application to the chest.  
The Hygeana is for sale by D.W. SPENCER, Coudersport.

**The Largest, Cheapest, and Best Reading Paper in the World.**  
**The Philadelphia Weekly Sun.**

**The Scientific American.**

**SEVENTH YEAR.**  
**SPLENDID ENGRAVINGS AND PRIZES.**  
The Eleventh Annual Volume of this important publication commences on the 17th day of September next.  
The "SCIENTIFIC AMERICAN" is an illustrated periodical, devoted chiefly to the propagation of information relating to the various Mechanical and Chemical Arts, Industrial Manufactures, Agriculture, Patents, Inventions, Engineering, Millwork, and all interests which the light of practical science is calculated to advance.  
Reports of U.S. Patents granted are also published every week, including Official Copies of all the Patent Claims, together with news and information upon thousands of other subjects.  
The contributors to the Scientific American are among the most eminent Scientific and practical men of the time. The Editorial Department is universally acknowledged to be conducted with great ability, and to be distinguished not only for the excellence and truthfulness of its discussions, but for the fairness with which error is combated and false theories are exploded.  
Chemists, Inventors, Engineers, Agriculturists, and every profession in life will find the Scientific American to be of great value in their respective callings. Its counsels and suggestions will save them hundreds of dollars annually, by affording them a continual source of profitable knowledge, the experience of which is beyond all estimation.  
The Scientific American is published once a week; every number contains eight large quarto pages, forming usually a complete and splendid volume, illustrated with the most valuable original engravings.  
Specimen copies sent GRATIS.  
For Terms—Single Subscriptions, \$2 a year, or \$1 for six months. Five copies, for six months, \$7; for a year, \$12.  
For further particulars, and for statement of the fourteen large Cash Prizes, offered by the publisher, see Scientific American.  
Sold at all Dealers in Books, Stationery, or Newsvendors, or by order of the publishers, taken at par for subscription.

**War Declared at Last.**  
THE long repose of Europe is about to be disturbed by the will's note and the rattle of the drum, calling its slumbering millions to arms in the defense of their friends and their country. England and France are calling for men and means, and sending forward their armies to battle against the aggression of the Russian Bear; but while the Old World is convulsed by revolution, unusual peace and plenty reign in the New.  
In the peaceful and quiet pursuit of our business we have formed a copartnership under the name and style of N. S. BUTLER & CO., and have taken the store in Empire Block, in the village of Olean, formerly occupied by Thine & Brother, and are now receiving a splendid new stock of goods adapted to the season and wants of the community, which we intend to sell exclusively for cash down, at prices that will cause consternation and dismay in the ranks of old fogyism that has been so long established in this section.  
Our stock will consist in part of the following Goods:  
Hardware, Cutlery, Boots & Shoes, Cigars, Carpets, Oil Cloths, Druggs, Medicines, Dye Stuffs, Glass, Paints & Oils, Sash, Putty, Chairs, Bedsteads, Mattresses, Featherbeds, Stone and Wooden Ware,  
And we mean to keep such an assortment of the above goods that persons from a distance can be assured of finding everything they usually want at prices that will do them good. Call and see for yourselves.

**HYGEANA.**  
**Brought Home to the Door of the Million.**  
A WONDERSFUL DISCOVERY has recently been made by Dr. CURTIS, of this city, in the treatment of Consumption, Asthma, and all diseases of the Lungs. We refer to "Dr. Curtis' Hygeana, or Inhaling Hygeana Vapor and Cherry Syrup." With this new method Dr. C. has restored many afflicted ones to perfect health; as an evidence of which he has innumerable certificates. Speaking of the treatment a physician says: It is evident that inhaling constantly breathing an agreeable, healing vapor, the medicinal properties must come in direct contact with the whole of the great cavity of the lungs, and thus escape the many and varied changes produced upon them when introduced into the stomach, and subjected to the process of digestion. The Hygeana is for sale at the druggists through out the country.  
N. Y. Dutchman, Jan. 14.

The Inhaler is worn on the breast under the linen without the least inconvenience—the heat of the body being sufficient to evaporate the fluid.  
Hundreds of cases of cures like the following might be named. One package of the Hygeana has cured many of the Asthma of six years standing.  
Jas. F. Keesler, P. M., Duncannon, Pa.  
I am cured of the Asthma of 10 years standing by Dr. Curtis' Hygeana.  
Margaret Eastman, Brooklyn, N. Y.  
Mrs. Paul of No. 5 Manumond st., N. Y., was cured of a severe case of Bronchitis by the Hygeana.  
My sister had been cured of a distressing cough of several years standing, and decided to be incurable by her physicians. She was cured in one month by the Hygeana.

He has nearly ready for a gratuitous distribution among his business Correspondents, (and those who may become such,) a pamphlet containing a synopsis of the existing Pension, Bounty Land, Patent, and other Land Laws, down to the end of the late Congress—including the  
**BOUNTY-LAND ACT OF MARCH 3, 1855,**

under which all who have heretofore received less than 160 acres are made eligible to additional land; said Act grants also 100 acres to all Officers, Non-commissioned Officers, Chaplains, Soldiers, Wagon Masters, Teamsters, and friendly Indians, of the Army, including State Troops, Volunteers, and Militia—and all Officers, Seamen, Ordinary Seamen, Marines, Clerks, and Landsmen of the Navy, not heretofore provided for, who have served not less than fourteen months (three in battle) at any period since 1776; and to the widows and minor children of all such persons mentioned, and deceased.  
This pamphlet contains "Forms of Application" more full and complete than any elsewhere to be found; adapted to the wants of every class of Claimants under the Act; with copious decisions and instructions of the department, and practical suggestions as to the course to be pursued in suspended or rejected cases.  
Parties not wishing to avail themselves of the facilities afforded by this Office in securing prompt and personal superintendance of their claims at the Departments, can obtain copies of the above pamphlet by remitting three cents in postage money.

**INDUCEMENTS TO CORRESPONDENTS.**  
Correspondents who prepare and forward cases for management by this Agency will be dealt with liberally; supplied with all necessary blanks gratis, and kept constantly advised of the changes that from time to time occur in the execution of the laws.  
It is within the subscriber's power to direct his Correspondents to the locality of very many persons entitled to claims; and having obtained several thousand Land Warrants under former laws, he is in possession of data that will materially assist in securing additional bounty.  
Fees, below the usual rates—and contingent upon the admission of Claims.  
The highest cash prices given for Land Warrants, Revolutionary Scrips, and Blank Land Papers.

**Premium Fanning Mills.**  
THE subscriber has purchased of J. B. Hornborow the right to use in Potter and McKean counties his patent in the construction of Fanning Mills. He has also, at great expense, commenced the manufacture of a PREMIUM MILL, which will clean from 100 to 200 bushels per hour. This Mill was put in March 20, 1847, since which time it has been at the head of the list at all State and county agricultural societies where it has been exhibited, and is a universal favorite with farmers who have tried it. It took the premium at the Great Agricultural Fair held at Harrisburg, Oct. 23rd, 1851, when there were 30,000 people present; and at the great State Agricultural Fair at New-York, held at Regent Sept. 16-19, 1851, this Fanning Mill received the highest honors.  
Having met with uniform success wherever tried, I confidently invite the Agents of Potter and McKean counties to call at my shop at Coudersport and examine for themselves.  
A supply always on hand, to be sold on reasonable terms.
