From the N. Y. Tribune. LATER FROM LAWRENCE.

LAWRENCE, K. T., S -pt. 1., 1856. On Friday night, Aug. 29, G. W. Hutchinson and another gentleman. went to Governor Woodson at Lecompton, to expostulate with him about the arrest by the Ruffians of Mr. John II. Wilder who, went to superintend Co., of which he is a member. Also to ask Woodson to send a protective escont to Leavenworth, to see the goods safe through to Lawrence. On were arrested a few rods from the door of the Governor's office, by an armed mob, and held in prison ever since. It will be remembered that that very same day a hundred of the set two of their own Barder Raffian

spies at liberty, in case they found them arrested, as they supposed they would be; but let it be bor ie in mind that reaceable citizens who go to do business with the Governor, are arrested by a mob close to his office, and he offers not a single deprecatory syllable ! Wise Governor ! Pierce and Douglas shall rise up and call thee blessed.

of Free State men under command of Capt. Shore, surprised a camp of Missourians on South Middle Creek. There were about 50 Missourians, but the attack was made by six Free State men. The former were under command of an editor from Ft. Scott, Mo. They did not fight long; for the rest of Shore's company coming up at the time, rather frightened them so' that they threw down their arms and ran; 15 of them being first made prisoners, and two of them killed. The spoils amounted to three wagon loads of stores, and some guns.

The next day they, in company with Capt. Brown, followed up the Missoutians as far down as Sugar Creek. the shipment of goods belonging to the They saw that they were being cuased, firm of G. The Free State men here recovered about seventy head of cattle gathered, it is supposed, to sustain the Border Ruffian the return of these two gentlemen, they army when they could not steal any more, and in case they got driven back. This party of Free State men got back to Osawattamie on Friday night, the 29th of August. On the same evening, the man who carries the mail United States troops were employed to from Osawattamie to Westport, returned to Osawattamie, efter having been a prisoner at Santa Fè (new) for ten days, charged with the infamous crime of Free Stateism. He reported that the Ruffians intended to attack O-awattamie very soon; that it was liable to be attacked at any time; and advised the people either to leave it

or detend it. This was in the night, after most people had gone to bed. Osawattamie is situated in the fork

two houses which were those of Pro-Slavery men. They then went away feeling quite patriotic, no doubt, after such a noble achievement. Was the satisfaction of burning a few houses worth their thirty two killed and wounded? It must be borne in mind that these five or six hundred men were a wing of the new Santa Fe ar my which Atchison has been raising so long, and who make their general headquarters, while in the Territory, at Bull Creek.
