Mr. Hendrick has held the Preceptorship of the Academy for the past year, and it is with great satisfaction we announce that we have been able to secure the continuance of his services. The flourishing condition of the Academy has been exhibited by a larger attendance and more general expression of sat-isfaction, than has ever been experienced heretofore; and he Trus ees flatter themselves that in the renewal of his engagement they are carrying out the wishes of the patrons or the Academy thus favorably indicated, and securing for that station a gentleman fully competent to supply the wants of an intelli-gent community.
