WISHART'S PINE TREE Tar Cordial, NATURE'S GREAT REMEDY FOR THE Throat and Lungs.

It is gratifying to us to inform the public that Dr. L. Q. C. Wishart's Pine Tree Tar Cordial, for Throat and Lung diseases, has gained an enviable reputation from the Atlantic to the Pacific coast, and from thence to some of the first families of Europe, not through the press alone, but by persons throughout the States actually benefited and cured at his office.

First: Not by stopping cough, but by loosening and assisting nature to throw off the unhealthy matter collected about the throat and bronchial tubes, which causes irritation.

Second: It removes the cause of irritation, (which produces cough), of the mucous membrane and bronchial tubes, assists the lungs to act and throw off the unhealthy secretions, and purifies the blood.

Third: It is free from opium, belladonna, opium, and other drugs, which may cause only, and disorganize the stomach. It has a soothing effect on the stomach, acts on the liver and kidneys, and sympathetic and nervous system, thus reaching to every part of the system, and in its invigorating and purifying effects it has gained a reputation which it must hold above all others in the market.
