Oat-meal Breakfast Cake.

This is made of No. 2 oatmeal, with water enough to saturate it, and little or no salt. Pour it in a baking tin half an inch or three-quarters deep, shake it down level, and when this is done it should be so wet that two or three spoonfuls of water should run freely on the surface. Put it in a quick oven and bake twenty minutes. It will be as light and tender as the best johnny-cake, or else you have wet it too much or baked it too long. This is one of the most accommodating baked dishes that can be made. It will do very nicely with a little longer time if the oven is not quite hot. If it will not bake there at all pour it into a frying-pan, cover it close, where it will even bake in fifteen minutes. For a hurried breakfast and a slow fire it is invaluable. Scarcely any wholesome thing in the bread line can be prepared more readily. It can be made still thinner and baked quicker. It is good either crisp or moist. For emergencies alone, every housekeeper will find it convenient to be able to make this kind of cake. Many use oatmeal mixed with buckwheat, wheat or corn for griddle-cakes. Take, say one-half of the porridge or the mush, diffuse it in one quart of water and add the wheat meal, sifting it in and stirring slowly.—*Science of Health.*

THE Panama *Star & Herald* gives a striking illustration of the vigor and rapidity of vegetation in the tropics, by referring to the bushes and trees growing in the ruins of the burned Aspinwall Hotel at Panama. It is scarcely more than two years since this conflagration took place, and yet there are now growing within the walls trees at least thirty feet in height. They belong to what are called trumpet trees (genus *Cecropia*) and the branches are said to be crowded out of the highest doors and windows, so as to render it probable that in their further growth they will throw down the walls with which they are interlaced.

THE term horse-power, as applied to steam boilers, is so indefinite that it has come to be regarded by many engineers as practically useless. A committee recently appointed by the Franklin Institute of Philadelphia, recommended that its use be discontinued. One of the members said that horse-power, as the term was used by engineers and boiler-makers, indicated an actual power, which in one case sometimes varied one hundred per cent. from that in another.

Colds and how to treat them.

When you are attacked again with a hard cold treat it as follows: Eat no supper. On going to bed drink two tumblers of cold water. On rising in the morning drink freely of cold water. For breakfast eat a piece of bread as large as your hand. Go out freely during the morning. For dinner eat about the same as you ate at breakfast. During the afternoon take a sharp walk or engage in some active exercise which shall produce a little perspiration. Go without your supper and retire early, drinking, before you jump into bed, as much cold water as you can swallow. The next morning you are nearly well. If, instead, you feel the cold, it will stay a week or ten days, and wind up with a hard cough and expectoration. A cold is not, as many think, the result alone of exposure to a sudden change in the atmosphere. It is the product of two factors; one is a certain condition of the within, and the other is a certain condition of the without. The only soil in which this plant can grow is a certain condition of the system, the prominent feature of which is a deranged stomach. Those who have good digestions very rarely have colds. So, to prevent colds, you must keep your stomach in good condition; in other words, you must keep yourself in high health. There are some habits which give a geniral tendency to colds. For example, the use of hot drinks which, in addition to flooding and weakening the stomach, open the skin, and increase thereby sensibility to the influence of external changes. The use of warm baths, especially warm foot baths. Sleeping in close, unventilated rooms. Wearing the same flannels during the night that have been worn during the day. Using fat meat with greasy, thereby deranging the stomach and liver.—*Dr. Dio Lewis.*

Have you weakness of the intestines? You are in danger of Chronic Diarrhœa or the dreadful Inflammation of the Bowels.
Have you weakness of the Uterine or Urinary Organs? You must procure instant relief or you are liable to suffering worse than death.
Are you dejected, drowsy, dull, sluggish, or depressed in spirits, with headache, backache, coated tongue and bad tasting mouth?

Thousands have found relief, and thousands will turn to this Medicine after exhausting their purses and patience in search of health.
Giddiness of the head, dullness of the mind, fetid breath, coated tongue, loss of appetite, pains and weakness in the stomach, enlargement of the liver, yellowness of the skin, constant fever and thirst, with a total disrelish for business, pleasure, or any kind of employment,—FAHRNEY'S PANACEA, if taken and persevered in for a few days, will remove this whole class of symptoms.—The fluids of the body become pure, and mind clear, the stomach strengthened, the tongue clean, the appetite improved, and the whole system so benefitted that disease, in bad weather, is less liable to afflict you.

CELEBRATED
Blood Cleanser or Panacea.
As a medicine for children, the Panacea is, in every way, calculated to take the place of the endless variety of drugs which are annually sold for that purpose, and which are often very injurious. A medicine which possesses the qualities of a cathartic as well as a mild alterative, and which is capable of arresting disease without the least injury to the child is of incalculable value to every mother. As a Cathartic, it is very effective, yet if does not, if given in proper quantities, cause nausea or distress in the stomach or bowels. It is very pleasant to the taste, which is a very important feature as a medicine for children. As a preventive of disease it is unprecedented, as it acts directly upon the digestive organs and the blood. In all scrofulous diseases, it is the most effective medicine ever offered to the public, and, if given regularly and perseveringly, a perfect cure in cases so common in children may be entirely eradicated.
Prepared by P. Fahrney's Bros. & Co., Waynesboro, Pennsylvania, and Dr. P. FAHRNEY, 30 North Dearborn Street, Chicago. Price $1.25 per bottle; for sale by Wholesale and Retail Dealers, and by P. A. STEBBINS, M.D., 24-4 Coudersport, Pa.

AGENTS, now is your chance!
LIVINGSTONE LOST AND FOUND.
The only book on the subject that tells the whole story. Don't be humbugged with any other. This has nearly 80 pages, 22x28 ins., and many others, throughout our entire country, are realizing large profits. Especially are we now selling in the Southern States, especially those of the Mississippi Valley, Missouri, Illinois, Tennessee, Cumberland, Kansas, Red, Colorado, Brazos, Ohio, Grand, Alabama, Mobile, Savannah, Roanoke, and many others. With their vast railroads, throughout our entire country, and the opening season of immigration, and travel, which is invariably accompanied by extensive movements of the stomach and liver, and of the abdominal viscera. In their treatment, it is essential, exerting a powerful influence, on the various organs, is especially important. There is no guarantee for the purchaser equal to that which is given in the case of WALKER'S VINEGAR BITTERS, which speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same stimulating the secretions of the liver, and generally restoring the healthy tone of the digestive organs.
Scrofula, or King's Evil, White Swellings, Ulcers, Erysipelas, Scald Head, Sore Eyes, and Scrofulous Inflammations, Indolent Inflammations, Mercurial Affections, Old Sores or Ulcerous Sores of the Skin, Sore Eyes, etc., etc., in all other constitutional Diseases, WALKER'S VINEGAR BITTERS have shown their great curative powers in the most obstinate and virulent of these cases.
Dr. Walker's California Vinegar Bitters act on all these diseases in a similar manner. By purifying the blood they remove the cause, and by resolving away the obstruction of the tubercular deposits the affected parts receive health, and a permanent cure is effected.

Vinegar Bitters
Purely Vegetable.
Free from Alcohol.
DR. WALKER'S
California Vinegar Bitters.
Vinegar Bitters are not a vile Fancy Drink, made of Poor Rum, Whiskey, Proof Spirits and Refuse Liquors, doctored, spiced and sweetened to please the taste, called "Tonics," "Appetizers," "Restorers," &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from Native Roots and Herbs of California, free from all Alcoholic Stimulants. They are the Great Blood Purifier and a Life-giving Principle, a Perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition, enriching it, refreshing and invigorating both mind and body. They are easy of administration, prompt in their action, certain in their results, safe and reliable in all forms of disease.
No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and the vital organs wasted beyond the point of repair.
Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia. In these complaints it has been unequaled, and one bottle will prove a better guarantee of its merits than a lengthy advertisement.
For Female Complaints, in young or old, married or single, at the dawn of womanhood or the turn of life, these Tonic Bitters display a decided an influence that a marked improvement is soon perceptible.
For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys, Bladder, these Bitters have been most successful. Such Diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs.
They are a Gentle Purgative as well as a Tonic, possessing also the peculiar merit of acting as a powerful agent in relieving Congestion or Inflammation of the Liver and all the Glandular Organs and in Bilious Diseases.
For Skin Diseases, Eruptions, Tetter or Salt Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-worms, Scald-Head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin, of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effects.
Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.
Grateful Thousands proclaim WALKER'S VINEGAR BITTERS the most wonderful Invigorant ever sustained the sinking system.
Pin, Tape, and other Worms, lodged in the system of so many thousands, are effectually destroyed and removed. Many a sickly and apparently consumptive person, has discovered that they had Worms, by the use of this unequaled remedy. No system of medicine, no vermifuge, no anthelmintic, will free the system from Worms like these Bitters.
Mechanical Diseases.—Persons working in Paints and Minerals, such as Painters, Type-setters, Gold-beaters, and Miners, as they advance in life, are subject to pain in the Stomach, Sick Headache, Nausea, Dizziness, Coughs, Dimness of Vision, Pain in the Shoulders, and various other symptoms of Indigestion and Bowels. To guard against this, take a dose of WALKER'S VINEGAR BITTERS occasionally.
Bilious, Remittent, and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Kansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James and many others, with their vast tributaries, throughout our entire country, during the Autumnal months, are invariably accompanied by extensive derangements of the stomach and liver, and of the abdominal viscera. In their treatment, a purgative, exerting a powerful influence, on the various organs, is especially important. There is no cathartic for the purpose equal to WALKER'S VINEGAR BITTERS, which speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same stimulating the secretions of the liver, and generally restoring the healthy tone of the digestive organs.
