**WISHART'S PINE TREE Tar Cordial,** NATURE'S GREAT REMEDY FOR THE Throat and Lungs.

It is gratifying to us to inform the public that Dr. L. Q. C. Wishart's Pine Tree Tar Cordial, for Throat and Lung diseases, has gained an enviable reputation from the Atlantic to the Pacific coast, and from thence to some of the first families of Europe, not through the press alone, but by persons throughout the States actually benefited and cured at his office. While he publishes less, so say our reporters, he is unable to supply the demand. It gains and holds its reputation—

First: Not by stopping cough, but by loosening and assisting nature to throw off the bronchial matter collected about the throat and bronchial tubes, which causes irritation.

Second: It removes the cause of irritation, (which produces cough), of the mucous membrane and bronchial tubes, assists the lungs to act and throw off the unhealthy secretions, and purifies the blood.

Third: It is free from opium, lobelia, ipecac and other poisonous ingredients, and is a soothing effect on the stomach, and on the liver and kidneys, and lymphatic and nervous regions, thus reaching to every part of the system, and in its invigorating and purifying effects it has gained a reputation which it must hold above all others in the market.

**NOTICE.**

The Pine Tree Tar Cordial, Great American Dyspepsia Pills, AND WORM SUGAR DROPS

Being under my immediate direction, they shall not lose their curative qualities by the use of cheap and impure articles.

**INVALIDS, DON'T DESPAIR!**

Thousands have found relief, and thousands will turn to this Medicine after exhausting all other remedies, and patience in search of health.

Weakness of the head, dullness of the mind, faint breath, coated tongue, loss of appetite, pain and weakness in the stomach, enlargement of the liver, yellowness of the skin, constant fever, and a total derelict for business, pleasure, or any kind of employment.—FARRNEY'S PANACEA, if taken and persevered in for a few days, will remove this whole class of symptoms.—The fluids of the body become pure, and mind clear, the stomach strengthened, the liver and spleen improved, and the whole system so benefited that disease, in bad weather, is less liable to afflict you.

**DR. P. FAHRNEY'S** CELEBRATED **Blood Cleanser or Panacea.**

As a medicine for children, the Panacea is, in every way, calculated to take the place of the endless variety of drugs which are annually sold for that purpose, and which are often very injurious. A medicine which possesses the qualities of a cathartic as well as a mild alterative, and which is capable of arresting disease without the least injury to the child is of incalculable value to every mother. As a Cathartic, it is very effective, yet it does not, if given in proper quantities, cause any of those distressing effects which are so very unpleasant to the taste, which is a very important feature as a medicine for children. In all scrofulous diseases, it is the most effective medicine ever offered to the public, and it cures regularly and perseveringly those eruptive diseases so common in children may be entirely eradicated.
