below a full description of the

stated that there will be will be but one kind of card. be of a certain color, five inches in length and width. One side, the other bears an ornamenler one-eighth of an dth. In the right-hand upper

corner is a picture of the goddess of liberty surrounded by a scroll-work border in which are the words: "U. S. Postage —one cent." In the left corner and ex-tending two-thirds across the card are

the words in velvet-brown letters: "United States Postal Card;" and besubscription shall be allowed to run over one year in arrears. Due notice will be given of expiration and if not paid the paper will be given of expiration and if not paid the paper will be left is the word "To" in script, followed by a light arreary. BLTON,

Pullisher

by a line extending across the card for the name of the party addressed. Below this are two other lines, one for the name of the post office and the other for the

county and state.

Although it is not expected that any one will put more than the address on one side there is no prohibition against filling both sides with writing, provi ling the address remains legible; nor is it contrary to law to place printing on the cards instead of writing. The cards will be distributed to post-masters throughout the country on the requisition, the same as other supplies, and will be sold at the stamp window at one cent cach.

The question has frequently been asked whether a plain card, bearing a one cent stamp, will not be allowed to pass through the mails the same as the gov-ernment cards; but the law prevents the For the benefit of those who are anticous to hear Railroad news, we state transmission of any but the official cards. The cost of the postal cards is \$1.39\frac{3}{2}\$ per thousand; that being the bid of the at a gentleman arrived in town Tues- successful competitor for their manu-

neral Newspaper and a first-class local journal.

### \_\_\_ The WEEKLY ADVERTISER

cially addressed and intended for that It is especially addressed and intended for that large and intelligent class of community who reside off the great main lines of communication and the facilities for reaching whom make it impossible to supply themselves with a daily paper. For these, besides the late general and local news, are provided reports of local agricultural interests and full reports of late markets for country produce. It is eminently a readable paper and furnishes in eace issue a vast amount and variety of reading matter. TERMS.
