Wealth of Pennsylvania.

Mr. Thomas J. Bignam, Commission of the statistics of this State, has prepared, in advance of his annual report, a very interesting tabular statement of the "wealth, taxation, estimated and true valuation and public indebtedness of Pennsylvania." From this we learn that the aggregate assessed value of the property of Pennsylvania." From this we learn that the aggregate assessed value of personal property \$85,599,429, making the total assessed value of personal property \$85,599,429, making the total assessed value of personal property \$85,599,429, making the total assessed value of personal property \$85,599,429, making the total assessed value of personal property \$85,599,429, making the total assessed value of personal property \$85,599,429, making the total assessed value of personal property \$85,599,429, making the total assessed value of property to the total assessed value of property \$85,599,429, making the total assessed value of property \$85,599,429, making the total assessed value of property to total value as the provisions and wa fact that this fictitious value is very nuch less than the actual value, and he has attempted upon his own responsibility, without having positive data with which to work, to attain an approximation to the real value. The result thus secured places the real and thus their programme materially interfered with. They set oome again, when they will set oome again, when they will set of Pennsylvania at \$3,475,831,851. Mr. Bigham informs the people for the last ten years. From the numbers of dollars ten years. From the numbers of this establishment is boundless and will last, for it is boundless and will last, for it is boundless and will last, for it is boundless and dollars being the corner stone. This well known establishment might justly be called a savings bank from the numbers of dollars it has saved the people for the last ten years. From the numbers of dollars it has saved the people for the last ten years. From the numbers of this establishment is boundless and will last, for it the people for the last ten years. From its very infancy high prices have had to vanish like dew before the morning shall below the cash value; in one county, Luzerne, it is only one-four.
