package to Mr. Long for me ?"

There was no hisitation in the boy's manner. He looked pleased at the thought of doing his father a service, and reached out his hand for the package. On receiving it, he bounded away with a light step.

There is power in kindness," said the father, as he sat musing after the lad's de-

parture. And even while he sat musing over the incident, the boy came back with a cheerful, happy face, and said-"Can I do anything alse for you, father?"

Yes, there is a power in kindness. The tempest of passion can only subdue, constrain, and break; but in love and gentleness there is the power of the summer rain, the dow, and the sunshine.

BANKS AND BANKING .--- The New Orleans Commercial Bulletin, in a recent issue, states that the number of incorporated Banks in the United States, at this time, is eight hundred and fifty-five. The aggregato Bank capital is \$229,061,200 ; Bank circulation, \$143,630,000, and the Bank coin \$55,460,000. New York exceeds any other State in number of Banks, capital, circulation, and amount of coin ; Messachusotts is next in number of Banks. capital and circulation, although there are three States that have a larger amount of specie. Bennsylvania is next in order in Bank capital and circulation. Comparing Louisiana with other States, New York, Massachusetts and Pennsylvania, have larger Bank capital, New York, Massahusetts, Pennsylvania Virginia, South

Carolina, Ohio and Kentucky, larger in circulation; while Louisiana stands next to New York in her amount of coin. Louisiana is the only State in the Union in which the amount of specie exceeds the Bank circulation.
