school of Jefferson was the one in which he | Anna was an indiscreet and unfortunate imbibed his first lessons, and he reduced waste of time. He was deluded, duped, The candidates of the two parties are them to practice under the administration and cheated, as every one acquainted now fairly before the country; and we of Jackson. He has been one of the most with his wily antagonists knew he would deem it proper to present a comparitive consistent politicians of the Union all his be; and he was obliged at last to win with view of their respective characters and life, and we challenge his antagonists to the sword that which he had hoped could view of their respective characters and life, and we changing in an agonisis to the sword that which he have qualifications. As democrats, we do not point out a single essential departure by be purchased with money. But we have pretend to write without bias; but we mean him from the true path. The platform of no disposition to censure General Scott, to use no language either of praise or disparagement, which facts do not fully sancistration should be elected, because it is glory. Yet it is not all his own. There is recordance with his own convictors to share it whose names "were hardy race of the granite hills of New Hampshire. He possesses all the leading characteristics of that sturday stock. He is sagacious, clear-headed, wise, firm, well educated, thoroughly versed in the history and politics of the country, and ripened in judgement by an experience in public life, both civil and military, which few men of bought by assirants—the tool of no man, are others to share it whose names "were not being the sounce of the sou both civil and military, which few men of his age have enjoyed. He is now in the prime and vigor of manhood, with every the attained his present position without the control of the success of the Mexican campaign. Followprime and vigor of mannood, with every physical requisite to impart energy to his acts and wisdom to his counsels. His manners are as simple as those of a child; bis modesty is present position without cess of the mexican campaign. Follows ing the example of Europe, the chief share is elected, with equal dignity, independence, us not forget the rank and file—the heroic physical requisites the ambition is his modesty is proverbial; his ambition is and patriotism. Such must be the course mass of nameless men who, inspired by pa-

A. G. Osnorne, of George township was without demanding praise for his partione posed frontiers from all indian depledations for his value of battle: they are visited by the severest dispensation it has conduct or arrogating to himself distin- tions. Gen, Scott should pray to be saved firmness on the field of battle: they are

fresh in the remembrance of the Americ- compelitors to overreah him. He possesmade his escape, from the room without praye—and overcome with langue and fresh in the remembrance of the American competitors to overteen him. He possessions injury. He, however, immediate, exertion, he sank on the ground. In the an people, and do not require any recapitates exertion, he sank on the ground. In the an people, and do not require any recapitates exertion, he sank on the ground. These are the circum- General Scott for saying that his brilliant stances out of which some wretched pol- victories in Mexico were not always as On Saturday night and Sunday morning, troons or unscrupulous demagogues have wisely and as energetically improved as fabricated a charge of incapacity and want of courage against General Pierce. We quest of the control of General Scott, and of all on the city of Mexico when it was open to place the word of General Scott, and of all on the city of Mexico when it was open to the demonstration, says the officers of the army who witnessed his him after the buttle of Churubusco, and York demonstration, says the most enthusiastic and hardiduct in conscition to the slanders of the unfortunate armistice which he gran-The falling rock was detached from the conduct in opposition to the slanders of the unfortunate armistice which he gran-The falling rock was detached from the conduct in opposition to the slanders of under wall of the "Point view." Many his enemies. The people will know whom the specimens of gypsum and mice have to believe. It is enough to say that Gently one half the gallant men who fell at Many to believe. It is enough to say that Gently one half the gallant men who fell at Many to seen so imposing a manifestation since the days of Andrew Tackson. The reputation for courage and judge the ment awarded to him by the "army of hear army of hear arms to complete his fortifications, and emboldened says: It may be proper to state that the him to make determined efforts to save his distinguished individual known among the him to make determined efforts to save his distinguished individual known among the him to make determined efforts to save his distinguished individual known among the him to make determined efforts to save his distinguished individual known among the him to make determined efforts to save his distinguished individual known among the him to make determined efforts to save his distinguished individual known among the him to make determined efforts to save his distinguished individual known among the him to make determined efforts to save his distinguished individual known among the him to make determined efforts to save his distinguished individual known among the him to make determined efforts to save his distinguished individual known among the him to make determined efforts to save his distinguished individual known among the him to make determined efforts to save his distinguished individual known among the him to him to make determined efforts to save his distinguished individual k

known him from his youth. The is emphate ically one of the people. He was born and reared in their midst. He toiled with them in spring time and in harvest. He died law; but, having little tasts for that drive good men away from him, and alternated them in spring time and in harvest. He served them faithfully in both houses of profession, he abandoned it for the more ways expose him to the malign influence Congress, and he fought for them gallant- congenial career of arms. In 1805 he of worthless flatterers and useless favorites. Congress, and he fought for them gallant-ly on the sanguinary fields of Mexico.— As a lawyer he is well read, and universal-ly distinguished for the clear, sound, prac-tical judgment which he never fails to dis-leve in the conduct of this cases. He is tical judgment which he never tails to display in the conduct of his cases. He is an able and effective speaker, and few can rivet the attention of a court and jury with more intensity than he. His military services are an interesting episode in his life, because they prove that he is over ready. Block Hawk were and in the difficulties we have mentioned, and the consequent vices are an interesting episode in his me, days of nutification, in the Florida and his generals, spring from the weakless because they prove that he is over ready because they prove that he is over ready black Hawk wars, and in the difficulties we have mentioned, and the consequent with Great Britian relative to the northinfluence of evil counsellors, producing entry to serve his country in the hour of danger. His was not a soldier by profession; he eastern boundary, he acted a part involve, jealousy, and unnatural pride. His had even refused high civil preferment, ving considerable responsability. But in political conduct has been constantly unand was relying on his own labor; yet at these instances his duties were subordinate; the call of his country he left his home and although he acted under instructions, disposition prevents him from entertaining the call of his country he left his home and although he acted under instructions, disposition prevents him from entertaining the call of his country he left his home and although he acted under instructions, disposition prevents him from entertaining the call of his country he left his home and although he acted under instructions. the call of his country he left his nome and although he acted under instructions, disposition prevents him from entertaining fixed political opinions. The whig platies of his country. The high office of Attorney General of the United States could not tempt him from his round. These occasions were of no faithfully. These occasions were of no faithfully. These occasions were of no faithfully. These occasions were of no faithfully in the promptly entered the ranks were speking commissions. when others were seeking commissions.— marvellous credit for his "diplomatic skill" ed; and yet General Scott adopts it, and Without his solicitation, and against his and unequal arts of "pacification." They permits himself to be presented to the wishes, an important command was con-would have us believe that he saved the country as its champion and defender.

On weamestay tast, the family of Key. Fight esteem of the companions mention of towa and wisconsin, and saved out extreme tender as welly in the hands of the potential of the patriotic posed frontiers from all Indian depredator." It is vain to talk of courage and without demanding praise for his patriotic posed frontiers from all Indian depredator." It is vain to talk of courage and
