home, and finds the partner of his bosom ples and policy of the Spanish rule in Cu- the emanation of a true and noble soul.- Terrible Calamity on the North River.-Burn-

Number 34.

New York, July 28 .- The steamer Henthe probable fate of their only protector, in Spain, Cuba has held the position of an country-he could not be supposed to have y Clay, plying between this city and Aland their own defenceless and unhappy integral portion of the Spanish Empire with any political sympathy with them-his inituation. Not always is it their good fortune to lastly deprived on this in 1835 by the ex- course. Yet with a noble impulse--with bany, on her passage down from Albany, this afternoon, took fire about 3 o'clock, a timent Mr. Thrasher delivered the follow- see him again-not seldom does he leave cerable 'Tacon-an infamous tyrant- an enlarged humanity that recognizes no timent Mr. Thrasher adhvered the follow-ing highly interesting speech. This gen-tleman was a citizen of Cuba during the ite many from my own personal knowl-ite many from the fort which lately or a prison of a whole tion of his noble and high-sould chief, ite many from the fort which lately or a prison of a whole tion of his noble and high-sould chief, ite many from the fort which lately or a prison of a whole tion of his noble and high-sould chief, ite many from the fort which lately or a prison of a whole tion of his noble and high-sould chief, burned to the waters edge. The steamer had about three hundred passengers on board, about forty of whom are reported o have perished. The Henry Clay, at the ime of the calamity, was racing with the steamer America, which, when the fire was discovered, was some distance behind, but soon came along-side, and picked up a number of the passengers struggling in the river. The Henry Clay was immehave been picked up at that place.

Upon the discovery of the fire the most ntense excitement and consternation prevailed on board, and a large number jump-

ing no boats near. The scene was terrible and appalling. Many fainted, and

The steamer left Albany at 7 o'clock morning, in company with the America, and had been racing through the day, the steam having been put at the highest point, as the passengers were informed by those who examined the steam cock. She made

sengers, it appears, had become alarmed there was no danger.

It is also stated that an attempt was for some time made, by those who knew of the steamer being on fire, to conceal it from the passengers until the boat could be run ashore; and it seems to have been

discovered, finally, by some of the passengers who come on bourd at Newburg, attempting to go upon the upper deck, by the them, and merely taking the opportunity stairway, in which they were prevented in of obtaining any further information in the consequence of the smoke. They finally witness' possession, gave permission for climbed up, and discovered the smoke issuing from the engine rooms, and nearly In this way the whole day was consumed, as high as the pipes. At this time noalarm until all were identified and removed, with had been given.

every averue to enterprise, acquisition or to the steamer after she had been run

FURTHER PARTICULARS.

THE WRECK. The scene of the calamity was crowded vesterday by anxious inquirers after missing friends and relatives. The wreck of he Henry Clay lies where she was run ashore and scuttled, between two and three short distance above Yonkers, and was miles this side of Yonkers, and a few hunsents a most extraordinary spectacle, lying in a few feet of water, a few blackened and charred timbers only fire seen, clinging as it were to the heavier machinery, the smoke pipes standing prominently, but in an inclined or bent position. Around throughout the day, men were engaged in dragging, with results as will be seen, realizing the worst apprehensions that 'were entertained. In addition to those bodies ber of dead bodies principally females already recovered, and which appeared in all cases nearly, to have been drowned, there are it is certain sufferers by fire

tain ordered all aft, apprehensive that many would be burned to death; but a great many did not heed him, ran forward,

Charles Howard, of Hudson, who did great service in getting others from the water. Young Howard saved half a dozen women and children.

Amidst the confusion and terror of the Abraham Crist, Esq., a lawyer of this first news of the steamboat tragedy on the city, is supposed to be drowned in trying to save others. His son and brother-in-law

dispositions manifest in the passengers.-Some would run to Yonkers to take the The two steamboats, the Henry Clay and the Armenia, started together on Wed-next train up; some inquired when the next train' went down : some inquired next train' went down ; some inquired nesday morning at 7 o'clock, from Alabout a valise or a carpet bag-paying no bany for New York, the H. Clay having on board between three and four hundred passengers. The exact number cannot be valises and carpet bags away, and running uscertained, as there was no list of the in the water to save the helpless women passengers. Scarcely had the boats left the and children. There was one noble young wharf when it was manifest that they wore fellow from the south side of Long Island, racing, and the racing was continued even who had injured himself very much from swimming, and bringing others ashore on after remonstrances were made by the passengers, and ladies had fainted from fear, his back; he was so exhausted he could hardly speak. He would not give his and till the career of the unfortunate vessel was at length cut short by fire, which name. He lives at Babylon, Long Island. Among those who narrowly escaped, compelled her managers to run her ashore were Mr. A. H. Gough and sister, of this

where she was burned to the waters edge, and from 60 to 100 human beings founda city. They were in the stern till the boat watery grave and perished in the flames. sunk, and then succeeded in walking along the narrow edge of the guards till the Already 52 bodies have been found, and others have been felt in the bottom of the flames forced them to jump into eight feet charred boat, though not yet recovered. of water, from whence they succeeded in reaching the shore in safety. Mr. G. That racing was the cause of the calamity, there appears not to be the shadow of thinks nearly all of those in the storn a doubt. The Armenia was so hot that could have landed safely in this way.-Mr. G. was the last person who left the gentlemen's after cabin, and thinks few, it cope. The Henry Clay was on fire be-

any, were burned in the cabins. fore, and a passenger assisted to put it out. The cars of the Hudson River Ruilroad, It was added that an inflammable subwhich arrived at ten minutes to one o'clock, stance such as tar, or pitch or rosin, was on yesterday, brought down the dead bodies of two children, appearing to be of the thrown into the fire to make steam faster, than coal could make it; and, independent, relative ages of ten and six. A gentleman by of the danger of fire, or an explosion of present recognized the younger as Howard the boilers, the appreheusion of a collision Simonson, the son of Mr. John Simonson, was so great that fenders were put on to y of the danger of fire, or an explosion of was so great that fenders were put on to of 35 Eldridge street. The father was guard against it. It seems that the firenot present, as he had run. on foot, to man came on deck to witness the exciting Yonkers, to see if he could not recognirace, and one gentleman states that he zed the body of his wife, who, it is thought, saw the fireman for twenty minutes on is certainly lost also. The other gentlesmoke; and when he looked into the enelder child was known by a gentleman who was in the unfortunate boat, and; ho stead of being run in an oblique direction, said that it got in with a women and four hinder part was all in deep water, and the sid and that he saw the group perish. those who were cut off by the fire in the He did not know their names. Cororner middle had the alternative the fire in the nesses were in attendance, he could not hold an inquest, and he deferred it to ning o'clock this morning.
