ATTENTION! READ!

PHILADELPHIA MEDICAL INSTITUTE.

Established 18 years, by Dr. KEAGLE, N. W. corner of Third and Union streets, between Spruce and Pine sts., Philadelphia.

DR. KEAGLE'S extensive and uninterrupted practice in this city, have rendered Dr. K. the most extensive and successful practitioner, for the treatment of all diseases of a private nature. Is any one afflicted with ulcers on the body, throat, nose or head, pains in the head or bones, mercurial rheumatism, stricture, gravel, diseases arising from youthful exposure or improprieties of the blood, whereby the constitution has become enfeebled, are all treated with success.

He will pay a liberal reward to any person who will prove that Dr. K. ever published a falsehood in his whole life, or ever took a dollar from a single patient. Strangers and others, who have unfortunately fallen into the selection of a Physician, are invited to call.

IMPOTENCY.—Through unrestricted indulgence in the passions, by excess or, self-abuse in the early or mature one,—premature impotency, involuntary seminal discharges, wasting of the organs, loss of memory, a distaste for female society, nervousness, timidity, or constitutional derangement, and sure to follow. If in doubt, consult the Doctor with confidence.—He offers a positive cure.

READ AND REFLECT.—The afflicted would do well to reflect before trusting their health, happiness, and in many cases their lives, in the hands of physicians ignorant of, and unacquainted with, the diseases they undertake to cure, and consequently unable to cure in the shortest time possible for any human being subject to it. Every respectable Physician has his peculiar branch, in which he is a more successful, than his brother professors, and to that he devotes most of his time and study.

YEARS OF PRACTICE exclusively devoted to the study and treatment of diseases of the sexual organs, together with blood upon the body, throat, nose or legs, pains in the head, or bones, mercurial rheumatism, white urine, slavel, irregularities, diseases arising from the solitary vice, or impurities of the blood, whereby the constitution has become enfeebled, Dr. Keagle will offer speedy relief to all who may place themselves under his care.

Medicines forwarded to any part of the United States, by enclosing Five Dollars per package.

HERE IS YOUR REMEDY!

HOLLOWAY'S OINTMENT

AND PILLS.

A MOST MIRACULOUS CURE OF THE BAD LEGS AFTER THE GIVERS' SUFFERING.

Extract of a Letter from Mr. William Galpin, of 70 St. Mary's Street, Wortside, dated May 15, 1851.

To Professor HOLLOWAY.

SIR—At the age of 18 per wife, who is now 60 caught a violent cold, which settled in her legs, and ever since that time they have been more or less sore, and greatly inflamed. Her agonies were distressing, and for months together she was deprived entirely of all rest and sleep. Every remedy that medical men advised was tried, but without effect; her health was fast breaking down, and the state of her legs was terrible. I had found several of your Advertisements, and advised her to try your Pills and Ointment; and, as a last resource, after every other remedy had proved useless, which she did so. She commenced six weeks ago, and struggle to relate, is now in good health, her legs are healed, without scar or scar, and her sleep sound and undisturbed. Could you have witnessed the sufferings of my wife during the last 40 years, and contrast them with her present enjoyment of health, you would indeed feel delighted in having been the means of so greatly alleviating the sufferings of a fellow creature.

(Signed) WILLIAM GALPIN.

A PERSON 70 YEARS OF AGE CURED OF A BAD LEG, OF THIRTY YEARS' STANDING.

Copy of a Letter from Mr. William Abbs, Builder of Gas Works, of Rushcliffe, near Huddersfield, dated May 21st, 1851.

To Professor HOLLOWAY—

SIR—I suffered for a period of thirty years from a bad leg, the result of two or three different accidents at Gas Works I accompanied by scorbutic symptoms. I had recourse to a variety of medical advice, without deriving any benefit, and was told that the leg must be amputated. Yet in opposition to this opinion, your Pills and Ointment have effected a complete cure in so short a time, that few who had not witnessed it could credit the fact.

(Signed) WILLIAM ABBS.

The truth of this statement can be verified by Mr. W. R. England, Chemist, 13, Market street, Huddersfield.

A DREADFUL BAD BREAST CURED IN ONE MONTH.

Extract of a Letter from Mr. Frederick Turner, of Penshurst, Kent, dated December 13, 1850.

To Professor HOLLOWAY—

DEAR SIR—My wife had suffered from bad Breasts for more than six months, and during the whole period had the best medical attendance in the neighborhood, but all to no purpose, being treated in an awful manner by our own parish surgeon medicine, I determined, again to use your Pills and Ointment, and therefore gave them a trial in her case, and fortunate it was that I did so, for in less than a month a perfect cure was effected, and, the world may know that various other branches of my family have derived from their use really astonishing. I now strongly recommend them to all my friends. (Signed)

FREDERICK TURNER.

These Pills should be used conjointly with the Ointment in the following cases:—

WHATEVER concerns the health and happiness of a people is at all times of the most valuable importance. It is therefore essential that every person will do all in their power to develope the laws of their children, and that every person will endeavor to promote their own health at all sacrifices. I feel it to be my duty to solemnly assure you that MORRISON'S, according to the opinion of the most celebrated Physicians, are the primary causes of a large majority of diseases to which children and adults are liable; if you have an appetite continually changeable from one kind of food to another, bad Breath, Pain in the Stomach, Sinking at the Nose, Hardness and fullness of the Belly, Dry Cough, Slow Fever, Pulse Irregular, as if the Belly, Dry Cough, Slow Fever, Pulse Irregular—remember that all these denote WORMS, and you should at once apply the remedy!—

HOBENSACK'S WORM SYRUP.

An article founded upon Scientific Principles, compounded with purely vegetable substances, being perfectly safe when taken, and can be given to the most tender Infant with decided beneficial effect where bowel Complaints and Diarrhoea have made them weak and debilitated the Tonic properties of this Worm Syrup are such that it stands without an equal in the catalogue of medicines, in giving tone and strength to the stomach, which makes it an infallible remedy for those afflicted with Dyspepsia, the astonishing cures performed by this Syrup after Physicians have failed, is the best evidence of its superior efficacy over all others.

The Tape Worm!

This is the most difficult Worm to destroy of all that infest the human system, it grows to an almost indefinite length, becoming so coiled and fastened to the intestines and Stomach as not effecting the health so badly as to cause St. Vitus Dance, &c., that those afflicted seldom if ever suspect that it is Tape Worm hastening them to an early grave. In order to destroy this Worm, a very energetic treatment must be pursued, it would therefore be proper to take 6 or 8 of my Liver Pills so as to remove all obstructions, that the Worm Syrup may act direct upon the Worm, which must be taken in doses of 2 Tablespoonfuls 3 times a day. These directions followed have never been known to fail in curing the most obstinate case of Tape Worm.
