On the way down from the court house thought the old boy himself had got in conducted are entirely among but they thought the old boy himself had got in the apartment to which the spirits are the Judge was overtaken by the foreman conducted, are entirely empty, but they T______, a big man in a short roundabout. among the caps. It is astonishing that he was not killed. A portion of his clothing was torn off, and one of his stout boots was was torn off, and one of his stout boots was lancy; and in doing this, an that is necessary is to desire it, and it is done; and T______, slapping the Judge on the back, split almost in two. He was taken to the dessury is to desire it, and it is done. and T_____, slapping the Judge on the back, Moyamensing House of Industry, and his and when you practiced of it it dissolves "you put it to that chap good and strong." Moyamensing House of Industry, and his in you want a narp, you have a meratione, "you put it to that chap good and strong, wounds were dressed by Dr. Zulich, the and when you are tired of it, it dissolves and you did right, poor misserable cuss! The spheres are laid off into streets, one was new, I have now and then taken a

is called "Swedenborg." I suppose this sheep; but hens—ho Lord, b has been made since Swedenborg's time, leel above it."—Detroit Adv. for he is quite popular in the spheres. Mr. W. says, "there is no merit what-

nation of hell? Is the gospel, the Holy Spirit of God taught? No. Then I say with St. Paul, whether you are from earth, heaven, or hell, cursed is your doctrine,

but may God have mercy on your souls. Mr. W. says, "we go to the spheres full of error, and there Angels and the spirits of the departed instruct us, and eradicate all evil principles from our minds." The Bible says: "Christ's blood cleanseth us from all sin." But Mr. W. wants to be a little wiser than the inspired Apostle of Christ. He says, "angels cleanse us from all our errors." So our good Mr. W. re-He says, "they have to open the doors and windows to let them in and out: and that he always leaves his chamber window open at night, so the spirits can enter, whenever they please." I wonder if our good friend Mr. W. has not lately escaped from the Lunatic Asylum: for I presume we are to follow in the spheres. The Bible says, we are to "praise God day and

gate a more diabolical doctrine than this?
But he thinks it will not do to leave religion out altogether, so he tells us of one who went to the spheres, and "studied the theology of every sect, in order to choose a religion for himself." So I suppose his theory teaches that there will be Jew, Mehometan, Morman, Pagan, and Knockers, all worshiping as they did on earth. He

whether any at all. But the worst is yet to come. According to his theory, God cannot create the soul, but it is formed by education and

O you farmers! lovers of animals, hors. es, cows, and sheep, and particularly you who love lap dogs, parrots and canary birds, Mr. W. says, "there are six spheres do you want to take your favorite animals do you want to take your favorite animals

they leave the earth, go to the second, third, or fourth sphere, according to the holiness and purity they possess. On goholiness and purity they possessed to this these are all the joys there are above?—
