sine Glass too Much; or, the Wife's Night Cap. ANT IN DER VOODS.

In that lone church yard, where My yonthial test wore want to tread. This is needed to On those new nambered with the dord. Mr.____, who dosen't live more than a mile from the post office in this city, met some "Northern friends with South The dust of many three with the du-The dust of many there Lies mouldring in the silent tomb; They in this changing state. Wore on their checks a rosy bloom. ern principles," the other evening, and in extending to them the hospitalities of the Crescent City, visited so many of our principal Saloons and "Marble Halls," imbib Two graves there are, to me ing spiritual consolation as they journey-Than all the others dearer far. For liere my parent's clay. ed, that when he left them at their hotel at And carth's together mingled ure. Since that and time when they ; Bid this unfriendly world adden, the midnight hour, he felt, decidebly felt, that he had "a brick in his hat."-Now he has a wife, an amiable, accomplished Some yours have passed away, And left me thorus and roses too. and beautiful lady, who loves him devoted. ly, but finds but one fault with him-that They with paternal care, And wishes for my happiness, If I in orror strayed, is his too frequent visits to the palaces where these "bricks" are obtained." Reproved me for my waywardness.

After leaving his friends, Mr. paused a moment, took his bearings; and having strapped a course on the principle that continual angles meet, made sail for home. In duo course of time he arrived there, and was not very much astonished, but rather trightened, to find his worthy lady sitting up for him. She always does. She smiled when he came in. That also she always does. "How are you, dear E?" she said.-

Benignant Houven! assist Me virtue's rugged path to climb, My error's to v'ercoine ; "You staid out so late, that I leared you had been taken sick.'

To use, not waste, my precious time; That with costatic bliss "Hic-nint sick, wife; b but don't you I may meet them on the sweet shore think I I'm a little t-tight ?" Of that abiding kome, Where friends shall meet to part no more.
