ROAD LAW .- The Supreme Court, in session at Harrisburg, have made the following decision:

1. When a road has once been opened by the supervisors, its location cannot afterwards be altered by another supervisor, for the purpose of placing it on what he may suppose to be its proper site.

2. All authority under the order to op-2. All authority under the order to op-en is exhausted by the action of those to her, we do want. Let us have it, Mr. Atlas and we will publish it, not only in sumed, although the first location was not our regular issue, but in "extras," and disaccording to the report of the viewers.

3. But this rule does not prevent subsequent supervisors from clearing out a road to its proper width.

4. When a track has once been made on which the public can pass, the whole legal brendth of the road is to be taken as devoted to public use, and though the pow- A PROMISE.—A promise should be given er to make another location is gone, the with caution and kept with care. 13POTENCY.—Through unrestrained indulgance in the passions, by excess or self-abuse, the evils are numerous.—Premature impotency, involuntary seminal dischartes, wasting or the organs. loss of memory, a distass e for female society, general disblitty, or constitutional desangement, are sure to follow if necessary, consult the Doctor with confidence.—

READ AND REFIECT.—The afflicted would do well to reliect before trusting their beaith, happineus, and in many cases their lives, in the hands of physicians ignorant of this class of maladies. It is certainly impossible for one man to understand ell the lils the human family are subject to. Every respectable Physician has his beculiar branch, in which he is more successful than his brother professors, and to that he devotes most of his time and study.

YEAMS OFF TRAUTIOE, exclusively devoted to the study and treatment of diseases of the sexual organs, together with ulcers upon the body, threat none, or legs, pains in the head, or bones, mercurial rheumatism, strictures, gravel, irregularities, diseaser arising from youthul exceuse, or imprittles of the blood, whereby the constitution has become enfeebled, enables the Doctor to offer speedy relief to all who may place themselves under his care.

Rectain the sexual organs and the may place themselves under his care.

Sept. 9, 1832.—17.

To Mill Owners.

The natural owners.

The charged has oppointed L. R. Carrer, of Clearfield, his agent for the sale of Castings, who will teceive bills for all kinds of Mill Genring, and other maching. Persons desirous to contract will do well to call and examine the catalogue of Patterns, and specimens of the work, belore making engagements elsewhere. Untings will be delivered, it desired, at Clearfield, and warranted to be made of good material, and finished in a workmanilize manner. Having in ranning order FIVE Superior Lathes, and other machinery in the same proportion, employing none but the best workmen, using the very best Fig iron and Coal, with many other advantages, he flatters himself that his work will be done as well as in the best oity shops, and on the shortest notice.

For particulars, call on Mr. CARTER, Agent.
