The Recent Affair at Newport.

Mr. and Mrs. Morgan.—One of the Newport correspondents makes the following statement of the late unpleasant affair at Newport:

"It appears that a certain Mr. Morgan, who has been sojourning at the Touro Street House, has—under what circumstances of provocation we are not enabled to say, but it matters little, for nothing could justify the act—inflicted personal chastisement upon his amiable and defenceless wife, who is a daughter of Dudley Selden, Esq., of New York. Her cries, as we are told, alarmed the inmates of the hotel, who forthwith hastened to her rescue. The high minded and honorable gentleman, Mr. Isaac Hone, whose heart is ever open to the plea of unprotected distress, then came forward to her relief, and having obtained a writ of habeas corpus, proceeded with the Sheriff to carry out the same. The lady is now with her servant and three children at the Bellevue. The case came up before the Judges at the court house in this place yesterday, and will be resumed some time during the ensuing week. In the mean time the Judge has appointed a guardian for the lady in the person of Rev. Mr. Dumont, of this place—a gentleman in every respect fitted to do credit to the trust imposed upon him."

From our correspondent we learn that the matter was so far arranged by the friends of both parties that Mrs. Morgan had agreed not to make her charge before the police magistrate at Newport, as it was previously beleived she would, but that she would commence a suit for divorce, some time next month, before one of the courts in Providence. There is another version of the matter, however, which gives it an entirely different aspect. According to this account, the parties have agreed upon a separation; the lady is to go to Paris, where her father, Mr. Dudley Seldep, we regret to state, is lying seriously ill; and Mr.—Morgan is also going to the same city, that he may be near his children, who will accompany their mother, with whom they are at present. Meantime, we see by the following from the Newport *Evening Mercury*, of the 13th inst., that Mr. Morgan has become involved in another serious difficulty, originating in the first unpleasant affair.

From the Newport Evening Mercury, Sept. 14.

AFFRAY AT NEWPORT.—An attack was made this morning on Mr. Isaac S. Hone, by Messrs. W. R. Morgan and Matthew Morgan Jr., in front of the Bellevue House.

The facts, as we learn them, are these: About 11 o'clock, as Mr. Hone was entering his carriage, in front of the Atlantic House, Mr. Matthew Morgan, jr., stepped up to him and said that his brother would like to see him at the Bellevue.

Mr. Hone immediately walked over there, and as he approached the house, Mr. W. R. Morgan rushed towards him exclaiming, "Sir, I have an account to settle with you for calling me a monster," or to that effect, and dealt him a number of severe blows with a cowhide over the face and head, causing the blood to flow profusely.

A number of gentlemen present interfered, drew Morgan off, and took the cowhide from him and then accompanied Mr. Hone to the Sheriff's office, where the writ was made out, and shortly after the two Morgans were arrested, and required to find bail in the sum of one thousand dollars each.

The Morgans are young men; Mr. Hone is an old man, his hair is white as snow, is infirm and has been passing the summer at Newport on account of his health. He was entering his carriage to leave Newport when called off as above. The feelings of the community have been greatly outraged by this cowardly attack.

Since the above was in type we learn that another writ has been served on the Morgans, in a civil suit, laying the damage at $20,000. The parties were overtaken by the Sheriff, and arrested. Subsequently they gave the required bail; Hon. R. B. Cranston and William S. Whetmore becoming their securities."

The lady who is thus forced before the public is the daughter of one of our most respected and prominent citizens, Mr. Selden. She is said by those who are intimately acquainted with her—and she has a large circle of warm-hearted friends—to be an accomplished and intelligent lady, and of the most amiable disposition.

N. Y. Herald.

ELK COUNTY.—The *Advocate*, gives an account of an heroic young lady, who, while out huckleberrying, chanced to step on a large rattlesnake. He fastened his fangs in her dress, but the brave girl, instead of screaming and running, seized a club, and killed the monster. Good for the girls of Elk! Powell regrets that mother Eve had not some of this spirit.—Mr. Jacob English, a son of Mr. John English, of Benezette township, this co., hand the misfortune to get his leg broken just below the knee, on the 31st ult. He was engaged in hayling a log near his father's house, when from some cause it slid round against him and broke his leg. It is thought he will recover. He is a young man, some twenty-one or two years old.——The Potato Rot has begun to make its appearance in some parts of this country. It has not yet advanced far enough to form any opinion as to the extent of the injury it may cause. It is thought it will not go to a very great extent.

WHITE MOUNTAIN WEATHER.—A Letter from the Summit House, on Mount Washington, dated 12th, says, "We are in the midst of a thick snow storm, thermometer 25, and it is impossible to stand erect where the wind has a fair sweep outside. On the 11th, the thermometer was below the freezing point, only rising to 29 at noon.

MARRIED.—On the 15th inst., by the Rev. John Flegal, Mr. Israel Zantman, to Miss Sarah Dunlap, both of Brady township, Clearfield county.

In Morris township, on Sunday the 11th inst., by S. E. Thompson, Esq., Mr. Archibald N. Campbell, to Miss Catherin Angeline Treziyulny formerly of Centre county, Pa.

DIED.—In Boggs township, on Sunday the 1st instant., of dysentary, John Henny, aged 38 years—leaving a wife and six children.

On the 14th inst, in Bell townselp, Mrs. Martha, wife of William Bell, and daughter of Joseph Hoover of Pike tp., aged 30 years 7 months and 11 days.

The deceased was for a number of years a valued member of the Curwensville Baptist Church, and gave during that time indubitable evidence of her interest in the Redeemer, and by her affectionate and Christian deportment, won the esteem and respect of a large circle of acquaintances, whom, with her husband with two small children and numerous relatives, are left to mourn her departure from this world—but they "mourn not as those who have no hope," as they have the consolation to hope that their loss is her unspeakable gain. Her sickness though painful, she bore throughout its continuance, which was about three weeks, with christian firmness and patience. S. M.

On the morning of the 18th inst, at Glen Hope, Hannah, wife of Jeremiah Moore.

By this dispensation her family has sustained an irreparable loss. Her sweetness of disposition, and amiability of deportment won for her the affection and esteem of a large circle of relations and friends, who will long, painfully feel the void occasioned by her removal from their midst. But the consoling hope is theirs—that her emancipated spirit now rests in a mansion of peace—having exchanged the trials and sufferings of earth for the beatitudes of Heaven. Her remains were deposited in "Friends" burial ground at west Branch, followed by a large number of her friends—and on this solemn occasion, impressive testimony was borne to the sufficiency of Divine power to sustain and console in the hour of trial and prepare survivors for admission into that Celestial city, whose inhabitants shall no more say, 'I am Sick.'

Letter addressed to care of Mr. Curtis Hatch, Agent at Ravenna, Ohio.

To Dr. MARCHISI:—I have been ten years troubled with female Complaints—prolapsus uteri, and all the attending difficulties; at times rendering my life most miserable. I have had the attendance of some of the best physicians, with but little success; the most they could do was to relieve—as soon as I was out of the question. For five months before commencing your treatment, I had not been able to perform any labor, could walk but a few steps at a time, and scarcely went in or out of doors—in short, I was completely prostrated, both in body and mind, and as I expected to linger out the rest of my days in misery and misery. But, reading your advertisement, I was induced to try your invaluable medicine called Uterine Catholicon, as the last resort. I had not used it a week before I felt like another woman. By the use of three bottles I was enabled to perform all the labor for six in the family with ease, and could walk anywhere in the neighborhood without injury. Nothing but a sense of my duty to you and to the afflicted, has induced me to state my case to the public. I can safely recommend the preparation to all those suffering like myself. Epilepsy can be Cured!

LAKE'S VEGETABLE COMPOUND,

For the cure of Epilepsy or Fits, is performing more wonderful cures than any other medicine yet known or before the public.

Price Five Dollars A Bottle.

The proprietor has in his possession numerous certificates, narrating the ASTONISHING AND MIRACULOUS CURES effected by this medicine, and directs attention to the following only, to assure those who are so unfortunate to be afflicted with the terrible disease hereto are regarded incurable, that LAKE'S preparation

Is almost Infallible in its Cure!

From Mrs. Brooks, widow of Maj. Jas. Brooks, late of Conneaut, Ohio.

Mr. Z. LAKE.—Sir: Please send me another bottle of Fit Medicien, as I do not like to do without it on hand. When I commenced giving the Medicine to my son Edgar, he had from one to three fits per day. He has now taken the medicine over five months, and has had, I think, but two fits in that time, and those very light. His body and mind are very much improved and by the blessing of God, I feel that the medicine will restore his body and mind to their wonted activity. He is 23 years old, and has had fits over 12 years, which have been very frequent, and very destructive to his constitution and mind. Hundreds of dollars have been expended for medicine to "CURE FITS" but nothing has relieved him until he used your medicine. Respectfully yours, POLLY BROOKS.

From Judson Landon, Superintendent of the Ashtabula County Infirmary.

Mr. Z. LAKE.—Please send me a few more bottles of your "Fit Medicine;" I may not need it, but think safer to keep it on hand. Your medicine has done wonders—I gave it to Miss Jane Delano; she has had fits for 18 years, brought on by having the measles when but four years old. which could not be brought out to the surface. After taking the medicine a few days, she had a fine crop of measles, and has had no fits since. She had fits or symptoms almost daily. She and her father concur with me in saying that we believe the medicine has or will work a perfect cure. I also gave the medicine to Miss Jane Henderson and Asa Carey, who have had fits almost daily, for a number of years. Their fits have ceased, and I believe the medicine will have the desired effect. Much money has been expended by the friends of the above patients for doctoring, all to no purpose. The case was left for your medicine to perform, and I can cheerfully recommend it as a valuable discovery. Respectfully yours, JUDSON LANDON.

HOLLOWAY'S PILLS.

CURE OF A DISORDERED LIVER AND BAD DIGESTION.

Copy of a Letter from Mr. R. W. Kirkus, Chemist, 7, Prescot sreet, Liverpool, (England,) dated 6th June, 1851.

To Professor HOLLOWAY.

SIR—Your Pills and Ointment have stood the highest on our sale list of Proprietary Medicines for some years. A customer, to whom I can refer for any testimony, desires me to let me know the particulars of her case. She had been troubled for years with a disordered liver, and bad digestion. On the last occasion, however, the virulence of the attack was so alarming, and the inflammation set in so severely, that doubts were entertained of her not being able to bear up under it; fortunately she was induced to try your Pills, and she informs me that after the first and each succeeding dose, she had great relief. She continued to take them, and although she used only three boxes, there now is the enjoyment of perfect health. I could have sent you many more cases but the above, from the Seventy of the Attack, and the Speedy Cure, I think, speaks much in favor of your astonishing Pills.

Copy of a Letter in the Hobart Town Courier, of the 1st March, 1851, by Major J. Welch.

A friend prevailed upon him to try Holloway's celebrated Pills, which she consented to do, and in an incredible short space of time they effected a perfect cure.
