—o—

From Mrs. Brooks, widow of Maj. Jas. Brooks, late of Conneaut, Ohio.

Mr. Z. LAKE.—Sir: Please send me another bottle of Fit Medicine, as I do not like to do without it on hand. When I commenced giving the Medicine to my son Edgar, he had from one to three fits per day. He has now taken the medicine over five months, and has had, I think, but two fits in that time, and those very light. His body and mind are very much improved and by the blessing of God, I feel that the medicine will restore his body and mind to their wonted activity. He is 12 years old, and has had fits over 12 years, which have been very frequent, and very destructive to his constitution and mind. Hundreds of dollars have been expended for medicine to "CURE FITS," but nothing has relieved him daill no need your medicine. Respectfully yours, POLLY BROOKS.

From Judson Landon, Superintendent of the Ashtabula County Infirmary.

Mr. Z. LAKE.—Please: send me a few more bottles of your "Fit Medicine;" I may not need it, but think safe to keep it on hand. Your medicine has done wonders—I gave it to Miss Ann Hudson; she has had fits for 24 years, brought on by having the measles when but four years old which could not be brought out to the surface. After taking the medicine a few days, she had a fine crop of measles, and has had no fits since. She had fits or symptoms almost daily. She and her father concur with me in saying that we believe the medicine (if or will) work a perfect cure. I also gave the medicine to Mrs. Jane Henderson and Ada Canby, who have had fits almost daily for a number of years. Their fits have ceased, and I believe the medicine will have the desired effect. Much money has been expended by the friends of the above patients for doctoring, all to no purpose. The cure was left for your medicine to perform, and I can cheerfully recommend it as a valuable discovery. Respectfully yours, JUDSON LANDON.

Superintendent Ashtabula Co. Infirmary.

THE ROAD TO HEALTH.

HOLLOWAY'S PILLS.

CURE OF A DISORDERED LIVER AND BAD DIGESTION.

Copy of a Letter from Mr. R. W. Kirkus, Chemist, 7, Prescot sreet, Liverpool, (England,) dated 6th June, 1851.

To Professor HOLLOWAY.

SIR—Your Pills and Ointment have stood the highest on the list of Proprietary Medicines for some years. A customer, to whom I can refer for any enquiries, desires me to let you know the particulars of her case. She had been troubled for years with a disordered liver, and bad digestion. On the last occasion, however, the attendance of the attack was so alarming, and the inflammation was so severely, that doubts were entertained of her not being able to bear up under it; fortunately she was induced to try your Pills, and she informs me that after the first, and continuing to do so, she had great relief. She continued to take them, and although she used only three Boxes, she is now in the enjoyment of perfect health. I should have sent you many more cases, but the above, from the severity of the attack, and the speedy cure, I think, speaks much in favor of your astonishing Pills.

(Signed) R. W. KIRKUS.

AN EXTRAORDINARY CURE OF RHEUMATIC FEVER, IN VAN DIEMAN'S LAND.

Copy of a Letter in the Hobart Town Courier, of the 1st March, 1851, by Major J. Welch.

Margaret M'Cannigan, nineteen years of age, residing at New Town, had been suffering from a violent Rheumatic Fever for upwards of two months, which had entirely deprived her of the use of her limbs; during this period she was under the care of the most eminent medical men in Hobart Town, and by them her case was considered hopeless. A friend prevailed upon him to try Holloway's celebrated Pills, which he consented to do, and in an incredibly short space of time they effected a perfect cure.

I am now rendered, by their means, comparatively active, and can take exercise without inconvenience or pain, which I could not do before. (Signed) HENRY COE. North street, Lynn, Norfolk.
