AFFLICTED READ!

DHILADES, PHIA SIEDICAI, HOUSE—Established. 20

Years ago by Dr. KINK ELIN, corner of Third and Union ats., between Spruce and Pine, Philadelphia, Pa.

INVALID3 are apprised that Dr. KINK ELIN coofines his practice to a particular brauch of medicine, which each agong his undivided attention. Ha cautions the unfortunate against the abuse of Mercury; thousands are annually mercuralized out of life. Recent afflictions are promptly extinguished.

sgainst the abole of the count afflictions are promptly extinguished.

TWENTY YEARS OF EXPERIENCE in the treatment of a class of diseases bitherto neglected and imperfectly understood, has enable Dr. KINKELIN, (Author of a work of Soil Preservation.) to prove that nina tenths of the causes of nervous debility, local and constitutional weakness; mintal and physical suffering, are traccable to certain habits, forming the most seere, yet deadly and fatul springs of domestic misery and premature mottail.y.

TAKE PARTICULAR NOTICE.—There is an evil habit cometimes indulged in by boys, in soilitude, often growing up with them to manhood, and which if not reformed. In the time, not only begets serious obtracles to matrimonial nauplines but gives rice to a serie of protracted insidence and evastating a flections. Fow of those who give way to this per niclous practice are aware of the consequence, until they find the nervous cystem shaltened, feel strange an unaccountable feelings and vague fears in the mind.

The unfortunate thus affected becomes feeble, is unable to labor with acoustomed vigor, or to apply his gaind to study; this step is tardy and weak, he is dull, trecounts and engages in sport with less energy than usual.

If he emancipate hipself before the practice has done its worst, and enter matrimony, his marriage is unfmittul, and his some tells him that this is equated by enry foilles. Those are considerations which thould awaken the attention of those similarly situated.

MARRIAGE Regulres the fulfilment of several conditions,

12 yet time, in ories to have your unstrung and released of the zation returned joinvivided and strengthened.

Rimember he who places himself under Dr. Kinkelin's teatment may religiously confide in his honor as a gentleman, and rely upon the assurance, that the secrets of Dr. K's partents will never be disclosed.

Young man—let us fate modesty deteryou from making your case known to one who, from education and respectability cas certainly befriend you from education and respectability cas certainly befriend you can education and respectability, and cure themselves. Al's, tow often is t. is a fatal delusion, and how many a promising young man, who might have been no crassment to society, has faced from the earth.

Strictures of the urethia are rapidly removed by the application of a new therapeuteal agent, used only by Dr. K Veakness and constitutional debutty promptly cured, and I full vigor retiored.
