PUTNAM'S MONTHLY.

TWO GREAT, MADAZINES IN UNB. 90,000 COPIES THE FIRST MONTH. MAGNIFICENT PROGRAMME FOR 1834 \$20,000 in weeks of Art. FIVE DOLLAR EN-GRAVING to every subscriber. THE GREAT LIBRARY OFFER. Agents getting rich.

The union of Emerson's Magazine and Futnam's business heretofore carried on by J. M. Emer-Mouthly has given to the consolidated work a circulation second to but one similar publication ers, on the Hudson, ener this sity, and with the in the country, and has secured for it a combined experience and fogilities combined in its organical experience and for its combined to furnish machinery of sit nation of literary and artistic talent probably un-rivaled by any other Magasine in the world. During the first month, the sale in the trade and demand from sub-cribers exceeded 50,000 cepies and the numbers already issued of the consolidated work are universally conceded to have surpassed, in the richness of their literary contents, and the beauty and profuseness of their pictorial illustrations, any magazine ever before issued coasful operation in different parts of this countrous the American press. Encouraged by these cylindrous of favor, the publishers have fetermic ever their merits have been tested they are being evidences of favor, the publishers have feteruined to commence the new volume in January with additional attractions, and to offer such
to all other mills.

THE undersigned an Auditor appointed by
the Orphans' Court of Clearfield county at
to all other mills.

November Session, 1857, to audit the Adminisinducements to subscriber, as cannot fail to place it, in circulation, at the head of American Maga-With this view they now announce the following splendid programme. They have purchased that superb and costly steel-plate Edgra-

THE LAST SUPPER,"

and will present a copy of it to every three dollar subscriber for the year 1858. It was engraved at a cost of over \$6,000, by the late celebrated A. L. Dick, from the original of Raphael Morghen, after Leonardi Da Vinci, and is the largest steel-plate engraving ever executed in this country, being three times the size of the ordinary three-dollar engravings.

tist that none of the Engravings should ever be offered for a less sum than \$5, being richly worth that amount. Thus every three-dollar subscriber will receive the Magazine one year—cheap at \$3 —a d this splendid engraving, richly worth 5;

thus getting for \$3 the value of \$2. We shall commence striking of the engravings immediately, yet if can hardly be expected that impressions of so large a plate can be taken as fast as they will be called for by subscribers. — We shall therefore, furnish them in the order in which subscriptions are received. Those desire to obtain their engravings early, and from the first impressions, should send in their sub-AVE this day associated themselves as part ners in the practice of the law in Clearfield and adjoining countles. The business will, as s suuscribers shall order.

\$20,000 IN WORKS OF ART. every three-dollar subscriber for 1858, the publishers have completed arrangements for the dis-tribution, on the 25th of December, 1858, of a THE subscriber would respectfully inform his series of splendid works of art, consisting of one old friends in Clearfield co., and the public generally, that he hos taken the above House, hundred rich and rare old paintings, valued at from \$100 to \$100 ceach. Also, 2,000 magnifi-cent Steel Plato Engravings, worth from \$3 to \$5 each, and 1,000 choice Holiday books, worth from \$1 to \$5 each, making in all, over THREE THOUSAND GIFTS, worth TWENTY THOU-SAND DOLLARS.

Inclose \$3 to the publishers and you will commence receiving the Magazine by return mail.— You will also receive with the first copy a num-You will also receive with the first copy a num-bered subscription receipt, entitling you to the Engraving of "THE LAST SUPPER," and a Mill Wright work, chauce to draw on. of these "THREE THOUS-AND PRIZES."

easons why you should subscribe EMERSON'S MAGAZINE for 1858.

First: Because its literary contents will, during the year, embrace constributious from over one hundred different writers and thinkers, numbering among them the most distinguished of A-merican authors. Importers, Manufacturers and dealers in La-

Second; Because its editorial departments, "Our Studio," "Our Window," and "our Olio," will each be conducted by an able editor—and it will surpass, in the variety and richness of its ditorial contents, any other magazine.

Third: Because it will coutain, during the year, nearly six handred original pictorial illus-

INHALATION IN CONSUMPTION. I to 100 horse power; Locumotive, Fine, T buler DRONCHITIS, LARYNGINTIS, and other Discuses of the Chest and Throat, success fully treated by the Inhalation of Medicated Vapors and powders, by absorbtion and constitutional treatment, as practised at the Stuyvesaut Medical Institute, New York city.

The Unergreenexted Success which has at-Lungs and Throat has induced us to depart from our usual course, and avail ourselves of the col-umns of the press, in order to bring it to the knowledge of such as may be laboring under, or predisposed to such affections. The dawn of a brighter day has at length arrived for the Consumptive; the doctrines of the incurability of consumption having at length passed away. have indubitable proofs in our profession THAT CONSUMPTION IN ALL ITS STAGES CAN BE CURED, in the first by tuterculer absorbtion; in the second, by the transformations of the tubercule into chalgrind more grgin in the same time, and with ky and calcareous concretions; in the third, by cicatrices or scars. These wedded to the opinions of the past may assert, that even uow con-sumption is incurable; such are behind the age. To all this great truth must be apparent, viz: that the medicines inhaled in the form or or powder directly into the lungs, must be much more effective than that taken into the Stomach, where the disease does does not exist. The advantage of Inhalation in Consumption & Throat was suffering from a malignant attack of Can-erum Oris (Canker of the mouth.) She had pre-is applied directly to the lungs, where the disease is applied directly to the lungs, where the disease exists; the stomach is thus left free to aid in restoring betth, by administering to it healthy and life-giving food. There is no case so hopeless that I habitation will not care. The means, too, are brought within the reach of all, the manner of the case of all the case of the case o administering the vapors being so simple that the

lope of alleviating, possible the pains of the litter of t and healthy appearance—the foul breath became the medical world and establish the entire carabit

sweet—the appetite was restored, and the child seemed to partake of a new and fresh life.

Hope was inspired, and the use of the compound was faithfully continued, the result of which with the kind of the compound was faithfully continued, the result of the advantage of Inhalation, and no longer apply which with the kind. sitting of over Forty Large Bound Volumes embracing the most popular worke in the market. The club may be formed at the club price, \$2 a year, without the engraving, or at the full price, \$3 a year, with the engraving of the last Supper to the state and at the club price, \$2 a year, with the engraving of the last Supper to the state and at the last Supper to the state and at the price less gifts that a latter and at that given us, that "our day the long in the land," and as the only ark of
