THE BOUNTY LAND LAWS.

Recent decisions of the Commissioner of Pensions.—In case of a person entitled to bounty land, under the late act, being insane, the application must be made by the conservator or trustee appointed by the nearest competant judicial authority.

The rights of a widow of a soldier are lost in a second marriage, but are revived again on the death of the second husband. If, however, there be minor children of the first husband living, they may claim in right of their father during the second marriage.

Under the act of 1850 only such were regarded as minors as were under twenty-one years of age at the time the warrant was issued. Under the present act act, minority is reckoned prior to the 3d of March, 1855.

A power of attorney cannot be executed until after a warrant has been issued.

The only survivors of the beneficiaries embraced within the provisions of the act are widows and minor children.

In computing the time of service, in no case is mileage allowed.

THE BELL CREVASSE.—The Planter's (Miss.) Banner, speaking of the Bell crevasse, says it has put over forty plantations under water, and destroyed cane enough to make twenty-three thousand hogsheads of sugar. A railroad that cost millions of dollars has nearly stopped operations. The Texas steamers will for a season leave our waters, and an immense lot of plantations between the Lafourche and the Gulf of Mexico are under water. The Banner inveighs strongly against the carelessness and neglect whereby crevasses on the river occur.

☞At Piedmont, Va., a day or two since, the rise in the north branch of the Potomac was so great as to overflow a portion of the town. The citizens were obliged to leave their houses in skiff, hog-troughs, or on rafts, and one fellow who, in spite of the remonstrances of his neighbors, persisted in remaining at his house, was finally compelled to abandon it by swimming, with his wife on his back. The fellow came near losing his life by the operation, and was only saved by clinging to logs and planks which had been sent to him by those who were on shore.

DEATH OF AN OLD MEMBER OF THE PRESS.—Edwin Davies, editor of the New York *Sun*, died on Thursday night at his residence at Williamsburg, after an illness of seventeen days. Like most of the profession, he may be said to have died with the harness on his back, as he attended a meeting of the board of Councilmen on the night previous to his fatal attact of sickness. Mr. Davies has probably been connected,with the New York press for nearly thirty years.

CHARLESTON, June 4.—Nothing further has been received from Pensacola, relative to the recent case of visitation and bloodshed by a British war vessel.

WASHINGTON, June 4.—Secretary Cass telegraphed to the postmaster at Augusta, relative to the report of an American vessel being fired into off Pensacola, and a man killed. The postmaster to-day replies that he is unable to learn anything further than the rumor.

☞A young man, on his way to Kansas, writes on board of a steam boat, on the Missouri river, as follows: "Emigrants are pouring into Kansas by thousands.—Steamboats cannot be made long and large enough to carry all that apply for passage. This boat refused more than two hundred yesterday, and still they come. Six boats per day leave St. Louis, with an average of 200 passengers each, for Kansas and Nebraska."

SETTLED.—The young Men's Christian Association, of Boston, has been for some time engaged in discussing the question whether it is consistent with the character of a Christian to play the game of chess. The last account says the matter has been determined in the affirmative, provided no lager beer is drank during the game, and no pea nuts are bet on the result.

☞A letter in the Chicago *Tribune* intimates that the Mormons did *not* burn the Government trains on the plains last fall but that the army contractor did, in order to realize a larger profit. It is stated that all the wheels of the wagons were first carefully removed, which fact, if true, is considered to be strong evidence against the contractor.

DISCREDITED BANKS.—The following Banks of this State are set down among the list of discredited ones, in Peterson's Detector:—Bank of Crawford county, Meadville, Pa.; McKean County Bank, Smethport, Pa.; Shamokin Bank, Shamokin, Pa.; Tioga County Bank, Tioga, Pa.

ROSCOE, Ill., June 4.—A culvert at this place, was swept away last night, destroying the residence of the Rev. H. Jesley.—Mrs. Jesley and her eight children perished. Considerable damage was caused to other houses in the vicinity, but as far as ascertained no other lives were lost.

☞The highest waterfall in the world is in the Sandwich Islands, and is said to be between four and five thousand feet high. The stream on which the fall occurs runs among the peaks of the highest mountains, so high that the water never reaches the bottom, so great is the distance, and it ascends to the clouds again.

☞Ex-President Pierce and wife are to leave Madeira, June 1st, for a tour in Europe. Mrs. P.'s health is better but she is still an invalid.

☞The prospect for crops in Armstrong county are very cheering.

GREAT DISCOVERY OF THE AGE,
Important to
TOBACCO CHEWERS.
DR. GUSTAV LINNARD'S
TASTE RESTORATIVE TROCHES.
The Great substitute for Tobacco.

It is a well known and incontrovertible fact that the use of Tobacco is the promoting cause of many of the most severe MENTAL AND PHYSICAL DISORDERS to which the race of man is subject, as carefull analysis and long and painful experience have clearly proven that it contains certain narcotic and poisonous properties most dangerous in their effect, which by entering into the blood deranges the functions and operations of the heart, causing many to suppose that organ to be seriously diseased.

TOBACCO affects also the entire nervous system, manifesting itself—as all who have used the noxious weed will bear testimony—in Lassitude, Nervous Irritability, Water Brash, Dyspepsia, & many other disorders of a similar character.

THE TASTE RESTORATIVE TROCHES are designed to counteract these baneful influences, and have proved completely successful in a multitude of cases, and wherever used. Being harmless in themselves they exert a beneficial effect upon the entire system, restoring the Taste which has become vitiated or destroyed by great indulgence, completely removing the irritation and accompanying tickling sensation of the Throat which are always consequent upon the abstaining from the use of Tobacco, and by giving a healthy tone to the stomach invigorate the whole system.

Persons who are irretrievably undermining their constitutions and shortening their lives, should use these Troches immediately and throw off the injurious and unpleasant habit of Tobacco chewing.

These Troches or Lozenges are put up in a convenient and portable form at the low price of 50 cents per box. A liberal discount to the trade.

Prepared solely by the undersigned to whom all orders should be addressed.

UNRIVASED ATTRACTIONS!
EMERSON'S MAGAZINE,
AND
PUTNAM'S MONTHLY.
TWO GREAT MAGAZINES IN ONE.

90,000 *COPIES, THE FIRST MONTH*
MAGNIFICENT PROGRAMME FOR 1858.—$20,000 in works of Art. FIVE DOLLAR ENGRAVING to every subscriber. THE GREAT LIBRARY OFFER. Agents getting rich.

The union of Emerson's Magazine and Putnam's Monthly has given to the consolidated work a circulation second to but one similar publication in the country, and has secured for it a combination of literary and artistic talent probably unrivaled by any other Magazine in the world. During the first month, the sale in the trade and demand from subscribers exceeded 90,000 copies and the numbers already issued of the consolidated work are universally conceded to have surpassed, in the richness of their literary contents, and the beauty and profuseness of their pictorial illustrations, any magazine ever before issued from the American press. Encouraged by these evidences of favor, the publishers have determined to commence the new volume in January with additional attractions, and to offer such inducements to subscriber as cannot fail to place it, in circulation, at the head of American Magazines. With this view they now announce the following splendid programme. They have purchased that superb and costly steel-plate Engraving,

"THE LAST SUPPER,"

and will present a copy of it to every three dollar subscriber for the year 1858. It was engraved at a cost of over $6,000, by the late celebrated A. L. Dick, from the original of Raphael Morghen, after Leonardi Da Vinci, and is the largest steel-plate engraving ever executed in this country, being three times the size of the ordinary three-dollar engravings.

The first impressions of this engraving are held at $10, and it was the intention of the artist that none of the Engravings should ever be offered for a less sum than $5, being richly worth that amount. Thus every three-dollar subscriber will receive the Magazine one year—cheap at $3—and this splendid engraving, richly worth $5; thus getting for $3 the value of $8.

We shall commence striking off the engravings immediately, yet it can hardly be expected that impressions of so large a plate can be taken as fast as they will be called for by subscribers.—We shall therefore, furnish them in the order in which subscriptions are received. Those who desire to obtain their engravings early, and from the first impressions, should send in their subscriptions without delay. The engravings can be sent on rollers, by mail, or in other manner, as subscribers shall order.

$20,000 IN WORKS OF ART.

In addition to the superb engraving of "THE LAST SUMMER," which will be presented to every three-dollar subscriber for 1858, the publishers have completed arrangements for the distribution, on the 25th of December, 1858, of a series of splendid works of art, consisting of one hundred rich and rare old paintings, valued at from $100 to $100 each. Also, 2,000 magnificent Steel-Plate Engravings, worth from $3 to $5 each, and 1,000 choice Holiday books, worth from $1 to $5 each, making in all, over THREE THOUSAND GIFTS, worth TWENTY THOUSAND DOLLARS.

Inclose $3 to the publishers and you will commence receiving the Magazine by return mail.—You will also receive with the first copy a numbered subscription receipt, entitling you to the Engraving of "THE LAST SUPPER," and a chance to draw one of these "THREE THOUSAND PRIZES."

reasons why you should subscribe

EMERSON'S MAGAZINE for 1858.

First: Because its literary contents will, during the year, embrace constributions from over one hundred different writers and thinkers, numbering among them the most distinguished of American authors.

Second: Because its editorial department "Our Studio," "Our Window," and "our Olio" will each be conducted by an able editor—and it will surpass, in the variety and richness of its editorial contents, any other magazine.

Third: Because it will contain, during the year, nearly six hundred original pictorial illustrations, from designs by the first American artists.

Fourth: Because for the sum of $3 you will receive this splendid monthly, more richly worth that sum than any other magazine, and the superb Engraving of "The Last Supper."

Fifth: Because you will very likely draw one of the three thousand prizes to be distributed on the 25th day of December, 1858—perhaps one that is worth $1,000.

Notwithstanding that these extraordinary inducements can hardly fail to accomplish the objects of the publishers without further effort they have determined to continue thro' the year

THE GREAT LIBRARY OFFER.

To any person who will get up a club of twenty-four subscribers, either at one or more post offices, we will present a splendid library, consisting of over Forty Large Bound Volumes embracing the most popular works in the market. The club may be formed at the club price, $2 a year, without the engraving, or at the full price, $3 a year, with the engraving of the last Supper to each subscriber. List and description of the Library, and specimen copy of the Magazine will be forwarded on receipt of 25 cents. Over 3000 Libraries, or 8,000 volumes, have already been distributed in accordance with this offer, and we should be glad to furnish a library to every clergyman, to every school-master, or to some one in every post office in the country.

AGENTS GETTING RICH.

The success which our agents are meeting with is almost astonishing. Among the many evidences of this fact, we are permitted to publish the following:

GENTLEMEN:—The following facts in relation to what your agents are doing in this section may be of use to some enterprising young man in want of employment. The Rev. John E. Jordon, of this place, has made, since last Christmas, over $4,000 in his agency. Mr. David Heath, of Ridgly, Mo., your general agent for Platt county, is making $8 per day on each sub-agent employed by him, and Messrs. Welmer, Evans, of Oregon, Mo., your agents for Holt co. are making from $3 to $25 per day, and your humble servant has made, since the seventh day of last January, over $1,700, besides having sold 300 acres of land out of the business worth over $1,000. You are at liberty to publish this statement, and to refer to any of the parties named.
DANIEL GREGG, Carrollton, Mo.

With such inducements as we offer, anybody can obtain subscribers. We invite any gentleman out of employment, and every lady who desires a pleasant money-making occupation to apply at once for an agency. Applicants should inclose 25 cents for a specimen copy of the magazine, which will always be forwarded with answer to application by return mail.

SPECIMEN ENGRAVING.—As we desire to place in the hands of every person who proposes to get up a club, and also of every agent, a copy of the engraving of the "LAST SUPPER," as a specimen, each applicant enclosing us $3 will receive the Engraving, post-paid, by return mail, also specimens of our publications and one of our numbered subscription receipts, entitling the holder to the Magazine one year and to a chance in the distribution. This offer is made only to those who desire to act as agents or to form Clubs.
