PRIMARY ELECTIONS.

The Primary Elections for the purpo ces to be filled at the election in October, being the 14th day of August next, at the usual places in the various election dis-

Committee,

JAS. H. LARRIMER,

JOHN MAGAHEY, SEC'T.

The township committees will be appointed and published next week.

A Word to our Damoeratic Friends.

What will be the result of the efforts of the leaders of the various opposition fac- hast fall in the district convention in retions to unite their discordant elements gard to her claims for a member, and if in a single party under a distinct organization, to oppose the National Democracy, it nation, those who did so last fall should at is now impossible to say. Their conven- least be forgiven. tion met at Harrisburg on the Lith inst., and by next week we may be able to an we have here in licated in the selection of nounce delivitely its results, and the size, a ticket for the coming election, we will shape, complexion, &c. &c. of the produce find our party as perfectly and as cordially of their travall. Should they succeed in united on that occasion as upon any precoming together, it will be a happy con- vious one and as invincible to their enesummation, for then the Democracy can miss as ever. Those who advocate a difmake sure work of it. The guerilla war- ferent line of policy are, we fear, only anxfare kept up by these factions for the last jous for a different result. Let us have a few years has been exceedingly annoying, fair contest for the nominations, and then scattered as they have been into half a let us be guided by that good old maxim dozen separate organizations: the shot of of our party, "the will of the majority must the Democracy, no matter how well direc. rule," and victory is certain. ted, could only demolish one st'a time .--But let us have them altogether in a single flock, there will be no waste of ammunition then. 26th. of the 3rd. vol.] will complete one

In view, therefore, of the fact, that the year since it has been in charge of the Democracy are about to know what they present Editors. By our published terms will have to do in order to sustain those it will be seen that all subscriptions not port. cherished principles which have made paid within three months but within the our country the greatest, the proudest, the year, will be charged at the rate of \$1.50 most happy, and the most powerful on a year; while if not paid within the year earth, we desire to say a few words to our \$2.00 will be charged. We take this occademocratic friends in this county.

Within the last year, two elements of afford those who have not already paid an discord have been allowed to disturb the opportunity of saving the additional half harmony of our party. The first was in doilar, by calling and paying their subreference to the election of Assemblyman scriptions by the close of next week. A last fall, and the last was the recent legis" suggestion which will benefit ourselves and and express our own peculiar views in re- will not be made in vain. forence to them. But the contest upon them is now over, and it is the duty of each and every member of the party, or good Democrats, to acquiesce in the result, the recent County Convention in that wrong. They are not therefore bound to were instructed for the Hon. Jas. L. Gillis say that that which they believe to be our present worthy Congressman, for rewrong is right. By no means ! But if they nomination. Other nominations were are still inclined to the belief that they made, but as we are connected with Clar- Amos W.
