UNRIVALED ATTRACTIONS!

EMERSON'S MAGAZINE,

AND

PUTNAM'S MONTHLY.

TWO GREAT EXCELLENCES IN ONE.

50,000 *COPIES THE FIRST MONTH.*

MAGNIFICENT PROGRAMME FOR 1858.—$30,000 in works of Art. FIVE DOLLAR ENGRAVING to every subscriber. THE GREAT LIBRARY OFFER. Agents getting rich.

The union of Emerson's Magazine and Putnam's Monthly has given to the consolidated work a circulation second to but one similar publication in the country, and has secured for it a combination of literary and artistic talent probably unrivaled by any other Magazine in the world. During the first month, the sale in the trade and mail from subscribers exceeded 50,000 copies the numbers already issued of the consolidated are universally conceded to have surpassed in the richness of their literary contents, beauty and profuseness of their pictorial illustrations, any magazine ever before issued from the American press. Encouraged by these evidences of favor, the publishers have determined to commence the new volume in January with additional attractions, and to offer such inducements to subscribers as cannot fail to place it, in circulation, at the head of American Magazines. With this view they now announce the following splendid programme. They have purchased that superb and costly steel-plate Engraving,

"THE LAST SUPPER,"

and will present a copy of it to every three dollar subscriber for the year 1858. It was engraved at a cost of over $6,000, by the late celebrated A. L. Dick, from the original of Raphael Morghen, after Leonardo Da Vinci, and is the largest steel-plate engraving ever executed in this country, being three times the size of the ordinary three-dollar engravings.

The first impressions of this engraving are held at $10, and it was the intention of the artist that none of the Engravings should ever be offered for a less sum than $5, being richly worth that amount. Thus every three dollar subscriber will receive the Magazine one year—cheap at $3—and this splendid engraving, richly worth $5; thus getting for $3 the value of $8.

We shall commence striking off the engravings immediately, yet it can hardly be expected that impressions of so large a plate can be taken as fast as they will be called for by subscribers.—We shall therefore, furnish them in the order in which subscriptions are received. Those who desire to obtain their engravings early, and from the first impressions, should send in their subscriptions without delay. The engravings can be sent on rollers, by mail, or in other manner, as subscribers shall order.

$20,000 IN WORKS OF ART.

In addition to the superb engraving of "THE LAST SUPPER," which will be presented to every three-dollar subscriber for 1858, the publishers have completed arrangements for the distribution, on the 25th of December, 1858, of a series of splendid works of art, consisting of one hundred rich and rare old paintings, valued at from $100 to $1000 each. Also, 2,000 magnificent Steel-Plate Engravings, worth from $3 to $5 each, and 1,000 choice Holiday books, worth from $1 to $3 each, making in all, over THREE THOUSAND GIFTS, worth TWENTY THOUSAND DOLLARS.

Inclose $3 to the publishers and you will commence receiving the Magazine by return mail.—You will also receive with the first copy a numbered subscription receipt, entitling you to the Engraving of "THE LAST SUPPER," and a chance to draw one of these "THREE THOUSAND PRIZES."

reasons why you should subscribe

EMERSON'S MAGAZINE for 1858.

First: Because its literary contents will, during the year, embrace contributions from over one hundred different writers and thinkers, numbering among them the most distinguished of American authors.

Second: Because its editorial departments, "Our Studio," "Our Window," and "our Olio," will each be conducted by an able editor—and it will surpass, in the variety and richness of its editorial contents, any other magazine.

Third: Because it will contain, during the year, nearly six hundred original pictorial illustrations, from designs by the first American artists.

Fourth: Because for the sum of $3 you will receive this splendid monthly, more richly worth that sum than any other magazine, and the superb Engraving of "The Last Supper."

Fifth: Because you will very likely draw one of the three thousand prizes to be distributed on the 25th day of December, 1858—perhaps one that is worth $1,000.

Notwithstanding that these extraordinary inducements can hardly fail to accomplish the objects of the publishers without further efforts they have determined to continue thro' the year

THE GREAT LIBRARY OFFER.

To any person who will get up a club of twenty-four subscribers, either at one or more post offices, we will present a splendid library, consisting of over Forty Large Bound Volumes embracing the most popular works in the market. The club may be formed at the club price, $2 a year, without the engraving, or at the full price, $3 a year, with the engraving of the last Supper to each subscriber. List and description of the Library, and specimen copy of the Magazine will be forwarded on receipt of 25 cents. Over 200 Libraries, or 8,000 volumes, have already been distributed in accordance with this offer, and we should be glad to furnish a library to every clergyman, to every school-master, or to some one at every post office in the country.

AGENTS GETTING RICH.

The success which our agents are meeting with is almost astonishing. Among the many evidences of this fact, we are permitted to publish the following:

GENTLEMEN:—The following facts in relation to what your agents are doing in this section, may be of use to some enterprising young man in want of employment. The Rev. John B. Jardon, of this place, has made, since last Christmas, over $4,000 in his agency. Mr. David M Heath, of Ridgly, Md., your general agent for Platt county, is making $8 per day on each sub-agent employed by him, and Messrs. Weimer & Evans, of Oregon, Mo., your agents for Holt co., are making from $8 to $25 per day, and your humble servant has made, since the seventh day of last January, over $1,700, besides having for 400 acres of land out of the business, worth over $1,000. You are at liberty to publish this statement, and to refer to any of the parties named.

DANIEL GREGG, Carrollton, Mo.

With such inducements as we offer, anybody can obtain subscribers. We invite any gentleman out of employment, and every lady who desires a pleasant money-making occupation to apply at once for an agency. Applicants should inclose 25 cents for a specimen copy of the magazine, which will always be forwarded with answer to application by return mail.

SPECIMEN ENGRAVING.—As we desire to place in the hands of every person who proposes to get up a club, and also of every agent, a copy of the engraving of the "LAST SUPPER," as a specimen, each applicant enclosing us $3 will receive the Engraving, post-paid, by return mail, also specimens of our publications and one of the numbered subscription receipts, entitling the holder to the Magazine one year and to a chance in the distribution. This offer is made only to those who desire to act as agents or to form Clubs.

GREAT DISCOVERY OF THE AGE,

Important to

TOBACCO CHEWERS.

DR. GUSTAV LINNARD'S

TASTE RESTORATIVE TROCHES.

The Great substitute for Tobacco.

It is a well known and incontrovertible fact that the use of Tobacco is the promoting cause of many of the most severe MENTAL AND PHYSICAL DISORDERS to which the race of man is subject, as careful analysis and long and painful experience have clearly proven that it contains certain narcotic and poisonous properties most dangerous in their effect, which by entering into the blood deranges the functions and operations of the heart, causing many to suppose that organ to be seriously diseased.

TOBACCO affects also the entire nervous system, manifesting itself—as all who have used the noxious weed will bear testimony—in Lassitude, Nervous Irritability, Water Brash, Dyspepsia, and many other disorders of a similar character.

THE TASTE RESTORATIVE TROCHES are designed to counteract these baneful influences, and have proved completely successful in a multitude of cases, and wherever used. Being harmless in themselves they exert a beneficial effect upon the entire system, restoring the Taste which has become vitiated or destroyed by great indulgence, completely removing the irritation and accompanying tickling sensation of the Throat which are always consequent upon the abstaining from the use of Tobacco, and by giving a healthy tone to the stomach invigorate the whole system.

Persons who are irretrievably undermining their constitutions and shortening their lives should use these Troches immediately and thereby break off the injurious and unpleasant habit of Tobacco chewing.

These Troches or Lozenges are put up in a convenient and portable form at the low price of 50 cents per box. A liberal discount to the trade.

Prepared solely by the undersigned to whom all orders should be addressed.
