Does Disease originate in IMPURITY OF THE BLOOD.

THIS is a question of vital importance, and
one which has never been satisfactorily disposed
of by the professors who teach the healing art.
Some maintain—and especially the old school
Physicians—that life lives in the blood, and
therefore all diseases originate in it—but modern
science avers that ailments have their origin in
both the solids and fluids of the body. That
the latter preponderate, however, is a fixed fact,
and medical skill has clearly demonstrated that
at least two thirds of the ill that human flesh is
 heir to, have their source in an

Impure state of the Blood!

As, for instance, in the long catalogue, such as

cers, Salt-Rheum, Discharges

ruptive Diseases of any kind.

IT IS NECESSARY TO PURIFY THE BLOOD.

the proprietors claim for it the power not only of

It is only a few years since it was discovered,
and yet it has grown into such a business that a
large Laboratory has been built expressly for its
manufacture—a large number of men employed
in putting it up, and still
