GREAT REVIVAL—Read! Read!
ANDER CONVENTED. The great revival has done immense good in almost every town, county and town in the Union, outside of Clearfield. Therefore, in consideration of the above runner, Frank Short has taken the responsibility upon himself to revive the Boot & Shoe business in Clearfield, and set a good example to his fellow men. He has to announce to his old customers, and as many new ones as may favor him with a call, that he has on hand a large assortment of the work and any amount of course also. Goods' Gaiters made to order, and of any style to suit customers. Morocco, French calf, and Patent calf gaiters constantly on hand—waiting for sale, all excepted. All work leaving his shop warranted not to rip. Customers coming to town will find him at the shop formerly occupied by E. R. Walsh, dead as a watch & lock establishment, nearly opposite Reed and Weaver's store. Pull in boys and get new shoes & your old ones repaired, as some of them stand in great need of it.
FRANK SHORT.

A CARD
From Dr. James M. Jarrett, of THE NEW YORK LUNG INFIRMARY.
My connection for the past eight years with the above Institution, as Chief Physician, and a twelve year's course of steady devotion to the CURE OF
Pulmonary Consumption,
and its kindred diseases, together with my unrivalled opportunities and advantages of pathological research—aided not a little by a perfect system of
MEDICAL INHALATION,
has enabled me to arrive at decisive direct and successful course of treatment for the positive and radical cure of all diseases of the
THROAT, LUNGS AND AIR-PASSAGES.
By inhalation the curative properties of medicines are directly addressed to the diseased organ—their intensity, I do not give entire reliance to the use of Medical Inhalation of any kind, to the exclusion of GENERAL TREATMENT; and although I consider it a useful adjunct in the proper management of those fearful and often fatal diseases, yet I deem it very necessary that each patient should have the benefit of both GENERAL and local treatment. The success of my treatment is the above diseases, and the high character of the Institution over which I have so long had the honor to preside, are too well known to need any eulogy or commendation from me. At the solicitation of many private and professional friends, through whose philanthropic aid the above charity has been long and liberally supported, and after due consideration, I have concluded to make such arrangements as will bring the benefits of my experience and treatment within the reach of all, and not confine myself as heretofore, to those only who enter me a my office. Hoping, therefore, that the arrangements I do make will give satisfaction, both to my professional brethren and the public, I would respectfully announce in conclusion, that I can now be consulted personally or by letter, on all diseases as above, and that the medicines, the same as used in the Institution, are prepared to suit each individual case,
Inhaling Vapors, Medical INHALERS,
&c. &c. will be forwarded by express to any part of the United States or the Canadas.
TERMS:
My terms of treatment by letter are as follows viz:—\$12 per month for each patient, which will include medicine sufficient for one month's use; also inhaling vapor, and an Inhaling Apparatus. Payment as follows: \$6 to be paid to Express Agent on the receipt of the box of Medicine, and the balance \$6 at the expiration of the month, if the patient be cured or is entirely satisfied with the treatment. Patients, by giving a full history of their case, and their symptoms in full, can be treated as well by letter as by personal examination. Patients availing themselves of Dr. Jarrett's treatment may rely on immediate and permanent relief, as he seldom has to treat a case over thirty days. Letters for advice promptly answered. For further particulars address
JAMES M. JARRETT, M. D.
No. 820 Broadway, cor. Twelfth St., N. Y. P. S.—Physicians and others visiting the city are respectfully invited to call at the Infirmary, where many interesting cases can be witnessed, and where our Improved Apparatus for the inhalation of medicated vapor can be seen and inspected.
