Latest from the Gold Mines.

From the Omnha Nebrædrian, Dec. 8; After we went to press last week, we re-ceived a call from Mr. Davis, who left the gold mines at Cherry Creek on the 12th of November, and retorned in company with A. J. Smith, whose return we noticed last week. Mr. Davis is a resident of Sarny county; he left this city for the gold mines about the 25th of September, and reached his destination after innumerable vexations delays, from lame teams and other causes, about the 27th of October. Mr. D. McBride & Wright vs Michaels & Worrell tleman of respectibility and honor, and and his statements are entitled to the fullest belief. In company with A. J. Smith he spent nearly a forrtnight in prospecting Late of in the mines with the most satisfactory results. Gold is found at every place he tried, from six inches to two feet below the surface of the ground, and in quantities varying from ten cents to one and a hal. dollars per pan full, generally in the form of small scales. A speimen of about one ounce, which he exibited to us, was of this description, and resembled in appearance the fine a quality of California gold. Mr. Davis informed us that miners were wash-FOR JANUARY TERM, 1859, COMMENCING 50 lars per day, and his own experience in ing out, with a pan, from four to five dolprospecting, satisfied him, that amount could be made with a pan, and from ten to twenty dollars per day or more could be realized with "sluices, or "long toms."

The subscriber has already engaged a Corps and the disease "a cutaneous Cancer, superinduced the disease "a cutaneous Cancer, superinduced by an inordinate use of moreury." He and the college of Store "superinduced by an inordinate use of moreury." when I returned home there were three discharg my left eye. I had given up all hope of ever being cured, since Dr. Ely said he could only give relief; but that a cure was impossible. In March, 1858 I bought a bottle of "Blood Searcher;" but

M 188 CONSTANT into from the East respected the citizens of delign announces to the citizens of delign per announceach, when ten copies are sent in one envelope to one address.

Twenty-eight copies to one address, S12 00, S12 00, Witness—U. J. Johns. JOHN CORLEY, J.P. A. D. 1858, before me, one of the Justices of

NEW EVIDENCE. Being afflicted with a grevious Tetter on the arms and face—after trying many remedies which utterly failed to cure—I was pursuaded by W.-M. Barris & Co., to try Lindsey's Improved Blood Searcher, and now, six weeks after fa-ishing the second buttle, pronounce myself cured.

The tetter broke out, something go, on the inside of my arms, extending from the elbows down to the wrists; also, on my face, inamediately round the mouth and chin, and continued to be a perfect terment to me until cured by the Blood Searcher. My arms, at times, were almost useless, owing th the cracks and sores on them, liable to bleed at any time on the least exertion to lift or work, and sometimes so itshy that I could scarcely prevent tearing off my flesh. I have now been cured ex weeks, and feel it due to Mr. Lindsey, and to the public generally, to make this state-
