By the arrival of the Royal Mail Steamship Canada, which left Liverpool on Saturday the 12th ult., one week later news from Europe has been received.

Congress.

Before another issue of our paper, the present session of this department of the government will have closed, and the lower House expected to have a political existence.

The Tariff.

In the belief that Congress would not let the session pass without some alteration in the duties upon imports, we have devoted but little space to a discussion of the subject.

At this hour (3 P. M.) he was nearly recovered and thought still in bed, receives the congratulations of dozens of visitors who came pouring in.

He has a sister living. So he left Cincinnati, just five weeks ago, with the small sum of fifteen cents in his pocket.

He has a weary journey yet before him, and we think it would be an act of charity for some one to ticket him over the mountain, by railroad.
