AGRICULTURAL FAIR,-We republish this week the resolutions of the executive committee of the "Clearfield Agricultural Society," deciding upon holding an Agricultural Fair in October next. This is an important measure and the committee should receive the full co-operation, not only of the members of the society, but of every citizen of the county, whether engaged in agricultural occupations or not, in making it both an attractive feature to the public, and useful in advancing our farming interests. A meeting of the society will be held in Clearfield on next Saturday evening.
